Dr. S. A. Kunkel:

Dear Sie: When on my way, last summer, to join my regiment at Yorktown, Virginia, you were kind enough to give me several bottles of your "Buter Wine of Fron;" I found it most valuable in the climate of the Peninsula. and the diseases incident to it. No preparation of barks exceed it in value. I believe that its use would prevent much bilious fewer, and certainly prove a great value in its oure. I remain Yours, Bespectfully,
