HARRISBURG, PA. Friday Evening, Sept. 25, 1883

TOWN AND COUNTRY.

Good News.—Kimball's Shoe store, 38 1/2 Market street, is the place to buy boots and shoes "cheap." Call and see. 1c

Lost.—At the Market House, last Friday evening, a Child's Plaid Woolen Shawl. The finder will be rewarded by leaving it at THIS OFFICE. 1c

JOHN ALCOCK announces to the public that he is prepared to do hauling of any description, either by the day or load, at reasonable rates. None but faithful and obliging drivers are employed. Persons having anything to do in his line would do well to leave their orders at his residence in Broad street, or deposit them in his box at this office. sept14 codif

TOM THUMB is about to retire to private life on a fortune of two hundred and fifty thousand dollars.

MUSIC.—Miss G. F. Houston will give instruction in music, at moderate rates. For references, see card.

SICKNESS.—We hear complaints from neighboring towns of a great amount of sickness, such as typhoid and scarlet fevers, ague, &c., &c.

SALE OF CONDEMNED HAMS.—A lot of condemned hams will be sold at the Soldiers' Rest in this city, on Wednesday next, 30th inst., at 11 o'clock.

LADIES UNION RELIEF SOCIETY.—The regular monthly meeting of the Ladies' Union Relief association will be held on Saturday afternoon, at 4 o'clock, in the lecture room of the Presbyterian church, Market Square.

WOMAN KILLED.—On Tuesday morning last, Mrs. Mary Reed, a widow, residing in Shamokin, ran from her house in a state of derangement, and in crossing the railroad track was instantly killed by a car passing over her neck and arms.

AN ITEM FOR THE LADIES.—The Pittsburg Chronicle is responsible for the following: "The latest style of hoop skirts is the self-adjusting, double-back-action, bustle, extra-elastic expansion, Pico-minini attachment, goosameri-destructible, polioctomorama. It is a very sweet thing."

ARREST OF AN ALLEGED DESERTER.—Solomon Freed, charged with being a deserter from the Fourth Maryland regiment, has been arrested in York county, Pa., and is to be sent to Carlisle for trial. He applied for a writ of habeas corpus in York, but Judge Fisher, in view of the President's recent proclamation, refused to grant it.

PROPOSALS FOR PLASTERING.—Capt. E. C. Wilson will receive sealed proposals, until Thursday, Oct. 1st, for plastering at Carlisle Barracks, as follows: For officers' quarters, 5,000 square yards, to be finished with good hard white coat; for barracks, 3,000 yards, to be finished with skim coat. The whole to be three-coat work; to be commenced Oct. 15th and finished by the 1st of December. Particulars can be seen in our advertising columns.

A MAMMOTH DEPOT.—The new depot of the Pennsylvania railroad now in course of erection at Pittsburg will have a front on Liberty street of seven hundred feet, and on Elm street of one hundred and fifty nine feet. Five hundred feet of the Liberty street front will be of iron highly ornamented, and the elevation of the roof in the centre will be seventy five feet. The plan of the building comprehends a large hotel, dining room, &c., and when finished it will be one of the most expensive and handsome structures of the character in the United States.

ACCIDENT.—A terrible accident occurred at the Cameron Furnace, Middletown, on Tuesday night, by which Thomas Cartwright and William Cox were horribly burned. It appears that the plug in the mouth of the furnace accidentally flew out, when the furnace was in full blast, enveloping those two men in a perfect sheet of iron. The former was burned in a shocking manner, and it is almost impossible for him to survive his injuries. The latter was not so severely injured and may recover. Mr. Cartwright moved from Harrisburg to Middletown about four weeks ago. He has a wife and several small children.

UNION MEETING IN SWATARA TOWNSHIP.—A large, respectable and interesting meeting of the friends of the Union was held at the public house of Mr. Eby, in Swatara township, last evening. The tone and the elocution of the speakers were present in their strength. Old and substantial farmers, who are not in the habit of attending political meetings, were there in their might, enthusiastic for the Government, and the vigorous prosecution of the war to subdue a rebellion at once extensive, infamous and ungodly.

The meeting was called to order by Capt. Peck, upon whose motion Michael A. Prantz, Esq., was chosen President.

The following additional officers were then elected: Vice Presidents—Capt. John E. Peck, John Conrad, Peter Bishop, and Jacob Eshenour. Secretaries—M. J. Mumma and A. Jackson Rutherford.

A LONG NAME.—Sydney Smith once visited a friend not to "Nicoedemus his child into nothing." Unmindful of this, a lady of Kentucky, by the name of Adams, has sacrificed to let patriotism the comfort of her infant child by naming him George D. Prentice James B. Grant Orlando H. Rosecrans Stanley Berryman Burnside Adams. The little fellow is only five weeks old, and cannot remonstrate. If he lives to grow up, and be so unfortunate as to learn to write, he will be compelled to sign his name Geo. D. P. J. B. G. O. H. E. S. B. B. Adams.—Life under such circumstances would be a doubtful blessing.

THE MIDDLETOWN Journal of Thursday gives the following particulars of the death of Reel, alluded to on Wednesday, which occurred at the Half-Way House, four miles below this city: "It appears that his team became frightened at a freight train going westward, and could not be managed by the driver, a small boy, whereupon the boatman leaped from his boat, and made for the leader of the team, caught him by the bridle and attempted to pacify them. Unfortunately, the excited animal reared up, made a tremendous plunge and threw the boatman over the fence, his head coming in contact with the railroad track, and before he had time to recover, or could be removed, he was struck on the head by the cars and instantly killed."

POLICE AFFAIRS.—The colored population had a grand "festival" in Tanner's alley last evening, when the following persons indulged rather freely in tanglefoot whisky, and finally got into the hands of certain gentlemen who wear "stars." They were discharged this morning, after a hearing before Alderman Kline: James Greenly and Peter Larikin, arrested by Costello; David Lane and Augustus Kane, by Kane; Isabella Boney, by Kline; Ida Berry, Catharine Marshall and Wm. Lane, by Campbell; Rebecca Marshall, Sarah Rees and Jackson Smith, by Massey.

Augustus Roof, (white), was arrested by Kane and discharged this morning by the Alderman. John Walters and Katy Walters, were arrested for assault and battery, on oath of Annie Nolan. Both entered bail.

THERE was a spirited Union rally at West Fairview on Saturday evening last. Speeches were made by Prof. A. G. Marlatt, Capt. Hutchison, J. M. Weakly, Esq., and others. The loyal people of Cumberland are wide awake, and will roll up a Union vote on election day that will send the copperheads into winter quarters.

Meetings will yet be held in Cumberland county at the times and places named below. We have already published the list, but do so again, as the TELEGRAPH circulates throughout the county. The meetings will all be held in the evening:

PLEASANT RECREATION.—Scarcely an evening passes that we cannot see more or less equestrianism displayed by the young ladies and gents of our city. Outside of the city they can be seen dashing along on their "fery chargers," seemingly regardless of their necks or even their lives. But we would not by any means discourage horseback riding. It is a pleasant, healthful and noble exercise. It strengthens the sinews, makes the step firm and elastic, and a reliable source, that about one hundred and brings the hue of health to the cheek. As Oliver Wendell Holmes says, "It shakes up the brains in the skull, like peas in a breadbasket," and they are all the better brains, too, for the shaking. And then, dashing along, you get whole mouthful of good, pure air, purer and better than you can get in town, and the lungs are expanded, and the heart responds to the general buoyancy and sends the warm blood bounding through all the veins and arteries in the body; and you feel like a new man or a new woman, and pat the neck of your horse and begin to consider him the best and most faithful friend you have in the world. Yes, ride as much as you please, and as fast as you please, where circumstances will permit, but be careful, dear, that you don't hurt yourselves or somebody else.

I. O. O. F.—The Grand Lodge of the United States continued its sessions on Wednesday. Hon. Joshua Vansant, Grand Treasurer, made his report, showing the receipts and disbursements of the past year. The whole receipts, including \$4,866 63 on account of the Willey monument fund, were \$29,179 83, and the disbursements \$15,591 77—leaving in the treasury a balance of \$13,587 55. The cash balance in the treasury, exclusive of the Willey monument fund, is \$8,701 02, applicable to the general purposes of the Grand Lodge. The Grand Corresponding and Recording Secretary, James L. Ridgely, made a supplementary report, showing the receipts from Grand Lodges and Grand Encampments to have been \$3,605 75 for supplies and for representation tax. The Grand Secretary gives a tabular statement of the statistics of the order as far as could be ascertained. There are no reports from the Grand Lodges of Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Texas, Louisiana, Arkansas, Tennessee, New Mexico and the British North American Provinces. The reports from the other States and Territories show that they contain 2,769 subordinate lodges, with 132,179 members. During the year ending on the 30th day of June last the aggregate amount expended for the relief of widows was \$283,165 48, and for the relief of widowed families \$50,949 63, and for the education of orphans \$8,048 06. It also states that in the same States and Territories there are 518 subordinate encampments, with 17,687 members. Relief was afforded to the amount of \$32,317 30 to patriachs and \$2,587 16 for the relief of widowed families, while \$62,90 were expended for the education of orphans.

The proposition to admit persons to the order under the age of twenty-one years was indefinitely postponed. The resolution authorizing a Noble Grand or Patriarch to give A. T. P. W. under certain conditions and circumstances was reported upon favorably and adopted. The proposition to consolidate the Grand Lodge and Grand Encampment of the United States into a Grand Lodge was reported upon unfavorably and rejected.
