HARRISBURG, PA. Saturday Evening, Sept. 26, 1863.

TOWN AND COUNTRY.

See list of Union mass meetings, announced on our first page.

The cheapest place to buy your wall paper and window shades is at H. C. Scharf's, Market street, near the bridge. A large stock always on hand.

The East Pennsylvania Synod of the Lutheran church will be held in Milton, commencing on Wednesday next. This will bring quite a large number of strangers to that town.

COL. F. MONTGOMERY, late editor of the Vicksburg Whig, and A. H. Chase, Esq., will address the people as follows: At Oxford, Adams county, Monday, Sept. 28; Chambersburg, Wednesday, Sept. 30; Shippensburg, Thursday, Oct. 1.

ASSESSMENT OF DAMAGES.—The viewers appointed by the court, to assess damages caused by opening Cumberland street from Seventh to Eighth, and Verbeke street, from Fulton to Seventh, will attend to said business on Thursday, October 15th, at 10 o'clock.

PIANO.—A Union picnic will be held by the Arbeiter-Krauken Unterstutzungs-Verein and the Steuben-Verein, in Eschenlen's woods, on Monday, 28th inst.

A pleasant time is anticipated. We advise all who wish to have a day's recreation, and "enjoy themselves hugely," to attend. Tickets can be had for twenty-five cents. Omnibuses will run every hour from D. Wagner's Hotel, corner of Second and Chestnut, and from the Washington House, corner of Sixth and Walnut streets.

UNION MEETINGS will be held in Dauphin county next week, as follows: Monday evening—at Halifax. Tuesday evening—at Red Tavern, in Washington township. Wednesday evening—at Gratztown. Thursday evening—at Fisherville. Friday evening—at Berryvale. Saturday evening—at Lykenstown.

Able speakers will be present. Let the people turn out and have a grand rally at each of the above points. "Rally 'round the flag, boys!"

HORRIBLE MURDER IN CHESTER COUNTY.—Wm. H. Buckman and wife, who resided near Sadsburyville, Chester county, were found, yesterday morning, brutally murdered. One of the sons, hearing a noise in the house, about 1 o'clock in the night, went into his mother's room, and there he found his mother dead; stabbed in the neck. His father was missing, and after search, his body was found about one hundred yards west of the house. It was lying near the fence, with one end of a handkerchief tied around his neck, and the other tied to the fence. Mr. Buckman was a respectable farmer. The transaction is as yet involved in mystery, but an inquest will be held, and some light may be thrown on this terrible transaction.

MOONLIGHT NIGHTS.—We are again in the enjoyment of bright and beautiful moonlight nights, and we hail their return with delight after the long, dark season just passed. These beautiful nights are doubly charming and attractive at this peculiar season of the year, when the trees losing their leaves at the bidding of the autumnal frosts, stand out in bold relief like weird sentinels in the bright, unnatural light cast over the scene; and the air cool and bracing, makes the blood bound with increased energy through each particular vein, and heart and mind newly inspired by the exhilarating scene, at once wish for the cold, crisp, moonlight nights of "old winter," together with a fast team and a pretty girl.

THE TUNNEL UNDER LAKE MICHIGAN.—We mention you, a few days ago, that the contract for the construction of this gigantic work was awarded to a party in this city. The proposed tunnel is intended to secure to the people of Chicago a supply of better water. It will be two miles in length, extending from the shore directly under the lake, perpendicularly to the shore. It is to be five feet clear in diameter, walled with brick and cement eight inches thick. The bottom of the shore end of the tunnel to be sixty feet below the level of the lake, and to descend at the rate of two feet per mile to the farther end. There are to be four shafts opening from the tunnel to the world above—one on land, one in the lake, at the farther end, and two at intermediate points in the lake. These shafts in the lake are to consist of cast iron cylinders, and to be protected by hollow pentagonal cribs.

CATHART & BROTHER opened this morning a splendid assortment of undergarments for ladies, gents and children, and are determined to dispose of the stock at low rates.

In the mourning line this firm offers one of the largest lots of goods ever exhibited in Harrisburg. In this department they defy competition, either as to quality or quantity of goods, or low prices.

The general assortment of Dry Goods, &c., now on exhibition, is one of the finest in the city. They have everything in the line of business, and flatter themselves that they can please everybody who may desire to purchase. Each article is marked at the lowest figure at which it is possible to offer it. Cathart & Bro. believe in the motto of "Quick sales and short profits," and the immense quantity of goods sold by them is the best evidence that they sell at low prices. Call at the store, examine the goods, hear prices and judge for yourselves.

MATTIE ANDERSON, of Indiana, Pa., fell from a swing, on Monday, and had one of her ribs broken below the knee, the bones protruding through the flesh.

NEW BANK.—A new bank is to be established in Kittanning under the new banking law of Congress. It is to have a capital of \$60,000, with Colonel J. B. Finlay, Esq., as President, and J. F. Neale, Cashier.

THE Seceder church, on West street, in Carlisle, was sold last week to Dr. George Ross, of Lebanon, for the use of the East Pennsylvania Eldership of the church of God. It is a fine large stone building, forty by sixty feet, with a lot of eighty feet front. They will get possession on the 1st of November, when they will immediately begin remodeling and fitting it up for worship.

DEATH OF AN EDITOR.—Mr. John A. White, senior editor of the Mercer county (Pa.) Dispatch, died at Mercer, on the 16th, of consumption. He was one of the founders of that paper, and was always an unwavering and consistent advocate of the principles of justice and freedom. In private life he was highly esteemed by all, and his loss is deeply felt by the community at large.

TO PRESERVE GRAPES.—The French preserve grapes the year round by coating them with lime. The bunches are picked just before they are thoroughly ripe, and dipped in lime water of the consistency of cream. They are then hung up to remain. The lime coating keeps out air and checks any tendency to decay. When wanted for the table, dip the clusters into warm water to remove the lime.

SOMETHING WORTH RECOMMENDING.—Two music books, called "The Home Companion," and the "Welcome Guest," containing each over 200 vocal and instrumental pieces of the very best and choicest collections, (all late music), which, when bought in sheet form, would cost fifty dollars, are now offered for sale at the low price of \$2 50 each, at the music store of W. KNOX, 93 Market street. Every pianist should have one of these in his library.

POLICE AFFAIRS.—The following drunks were discharged this morning by Alderman Kline. A number of them were also up yesterday morning: John Mertz and Isaac Hart, arrested by Massey; John Shultz, by Costello; Ida Berry and Kate Marshall, by Campbell; Elizabeth Green, Nancy I. Green, and Mike French, by Campbell; these drunks were all cleared.

JOE WEITMERE, arrested by Fry, was locked up for three days; Wm. Evans, arrested by Costello, was discharged; John Harris, arrested by Massey, paid \$1 fine and was discharged.

GERMAN SPEAKER.—Mr. Peter Meyer, of this city, has taken the stump for the glorious cause of the Union, and will to night address a meeting at Liverpool, York county, on Monday evening at Prospect, and on Tuesday in Windsor township, York county. Mr. Meyer is a splendid speaker, possesses a clear mind, and will do good service in the cause of our Union. We hope sincerely that our friends will give him a hearty welcome, at the above places, and wherever he may go to proclaim the truth in defence of the Union. We have no doubt that he will be the instrument of converting many misguided Woodwardites from the error of their way.

TESTIMONIAL.—The patriotic ladies of Carlisle have purchased a solid silver pitcher, which they intend to present to Brig. Gen. Smith, who so gallantly refused to surrender the town to the rebels on the night of the 1st of July. A splendid photograph of the General is also to be presented to him. The pitcher bears the following inscription:

FROM THE LADIES OF CARLISLE, A Tribute of Gratitude TO BRIGADIER GENERAL W. F. SMITH, For his noble defence of their homes on the night of the 1st of July, 1863.

COUNTERFEITS UPON THE GOVERNMENT BANK.—It is proper that the public should be cautioned against bills purporting to be upon the Government bank, which unprincipled persons are attempting to put into circulation. They are dated at Washington, and purporting to be payable on demand; and being of a greenish color, are liable to be mistaken by the unwary for the old issues of United States notes, most of which have been redeemed and cancelled by the Treasury Department. It is said that they have been passed quite extensively in New York. No such bank exists. An office with the sign "Government Bank" over its door was some time ago closed by the Provost Marshal of the War Department.

I. O. F.—The Grand Lodge of the United States closed its sessions in Baltimore, on Thursday afternoon. Considerable business was transacted during the day, which we are not at liberty to give to the public. The committee on finance presented a report of the estimated receipts and expenditures of the current year, as follows: Receipts \$9,000, of which \$5,800 will be due from grand and subordinate lodges and encumbrances; \$2,100 from cards; \$900 from the sale of books; \$100 from diplomas, and \$100 from odes. The estimated expenditures are \$12,135, the principal items of which are \$1,200 for salary of the grand treasurer, \$7,500 for mileage and per diem of representatives, \$700 for salary of messenger, \$400 for postage, stationery, &c.; \$1,050 for printing daily and revised journal; \$200 for salary of grand treasurer, and \$275 for rent of grand secretary's office. A resolution accompanied the report appropriating \$12,135 for the purposes above named, and authorizing the grand secretary to draw his warrant for the same. The following contributions have been made to the Wilkey Monument Fund: Tennessee \$68 75; Michigan, \$263 66; Kansas, \$32 50; Kentucky, \$143 30; New Jersey, \$48; Indiana, \$623 20; Maine, \$71 50; California, \$1,080; Illinois, \$237 97; Missouri, \$465; Pennsylvania, \$899 75; Canada West, \$55 75; District of Columbia, \$25 35; Southern New York, \$225; New Hampshire, \$74 80; Ohio, \$750 25; making a total of \$5,627 28.

Rev. J. W. JACKSON having returned from the West, will resume his pulpit labors in the Locust St. M. E. Church, to-morrow, at 10 1/2 A. M. and 7 1/2 P. M.

TO HORSE OWNERS. DR. SWEET'S INFALLIBLE LINIMENT FOR HORSES is unrivaled by any, and in all cases of Lameness arising from Sprains, Bruises or Wrenching, its effect is magical and certain. It will also cure speedily, Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horses to travel with comparative ease. Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless. See advertisement. aug12-d4w3m

USEFUL AND VALUABLE DISCOVERY! HILTON'S INSOLUBLE CEMENT! Is of more general practical utility than any invention now before the public. It has been thoroughly tested during the last two years by practical men, and pronounced by all to be SUPERIOR TO ANY Adhesive Preparations known.

Hilton's Insoluble Cement is a new thing, and the result of years of study; its combination is on Scientific Principles, and under no circumstances or change of temperature, will it become corrupt or emit any offensive smell.

BOOT & SHOE Manufacturers, using Machines, will find this the best article known as Cementing for the Channels, it works without delay, is not affected by any change of temperature.

JEWELERS Will find it sufficiently adhesive for their use, as has been proved.

It is especially adapted to Leather, and we claim to be superior to all other cements for binding Furniture, Crockery, Toys, Bone, Ivory, and articles of Household use.

REMEMBER HILTON'S INSOLUBLE CEMENT is in a liquid form and as easily applied as paste. Hilton's INSOLUBLE CEMENT is insoluble in water or oil. Hilton's INSOLUBLE CEMENT Adheres only to substances.
