> TESTIMONIAL! HARRISBURG, Feb. 20, 1863.

HARRISBURG, Feb. 20, 1863.

Mr. S. A. Kunkel, Druggist:

Dear Sir: I have great pleasure in testifying to the complete success of your Bitter Wine of lean in my case. I have been afflicted for a number of years with weakness, general debility and giddiness, so much so that I have been confined to my bed for the greater part of my time, and have had the attendance of our best physicians, but received but little benefit. I had despaired of ever regaining my health, until hearing of your inestimable remedy, Bitter of Iron. I determined to try its virtue, and I am happy to stats it has resulted virtue, and I am happy to state it has resulted in a complete cure. I am more robust and vig-orous than I have been for many years, which feeling I attribute solely to your BITTER WIND OF Inox. I have he hesitation in recommending it to others, similarly affected, and shall be happy to bear personal testimony
Yours, truly, HARMAN FEISOR.

Ýours, truly, TO THE PUBLIC.

Dr. S. A. Kunkel:

Dear Sir: When on my way, last summer, to join my regiment at Yorktown, Virginia, you were kind enough to give me several bottles of your "Bater Wine of Iron," I found it most valuable in the climate of the Peninsula. and the diseases incident to it. No preparation of barks exceed it in value. I believe that its use would prevent much bilious fever, and certainly prove a great value in its cure. I remain Yours, Respectfully,
