Lat Southern News.

From Richmond Papers of Friday.

Fortress Monroe, Oct. 4. Flag of truce hoisted New York in charge of Major Mansfield, arrived last night from City Point.

Richmond papers to the 3d inst are received. The Richmond Examiner of the 31st says: On the 30th ult. the enemy fired two hundred pounder Parrots all day, at intervals of fifteen minutes, alternately, at Sumter and Johnston and Battery Simpkins. Fort Moultrie and Battery Simpkins replied vigorously. No casualties or damage of importance on our side.

Very heavy firing is going on between the hostile batteries this morning.

CHARLESTON, Oct. 1.—The firing during to-day has been heavier than for several weeks past. The enemy has been steadily pounding at the ruins of Sumter from his old batteries on Morris Island, beyond Wagner.

His fire was chiefly at Sumter, but he also shellied Fort Johnson.

Our batteries and Fort Moultrie replied with brisk and steady fire. All quiet to night. The two armies were still confronting each other at last accounts at Chattanooga.

Rosensars, it is said, has established three lines in front of the town, and it is also reported that Bragg is fortifying Missionary Ridge.

ATLANTA, Ga., Oct. 3.—Trains have arrived here from Chattanooga station, bringing such of our wounded as will bear removal.

About 250 remain in the field hospitals, who are too severely injured to endure transportation.

A report reached Dalton yesterday that Gen. Samuel Jones occupied Knoxville and that Gen. Burnside had retreated towards Cumberland Gap.

The Examiner's editorial says there is no fighting at Chattanooga.

Love telegrams from irresponsible parties would have had no belief that Bragg had cut Rosenzars' communication, holding Lockout Mountain, and the road to Nashville, &c., but from Bragg's failure to resume the offensive, we fear there is too much truth in Rosenzars' dispatch to his Government, that he held an impregnable position.

It is said Burnside has succeeded in reinforcing his aid.

We have no reason to doubt it.

Army of the Cumberland.

Baltimore, Oct. 5. The news from the Army of the Cumberland is the most satisfactory and cheering character.

The army has been bravely retrained, and Gen. Rosenzars is expected to resume offensive operations promptly. His lines of communication are unbroken and invulnerable on all sides. The reserves are composed of 60,000 men, and in some of the corps of the Army, Gen. Grant, who commanded the reserve in the fight at Chickamauga, and who nobly appeared at the battle of Chickamauga, and who nobly appeared at the battle of Chickamauga, and who nobly appeared at the battle of Chickamauga.

The rebels have been retrained, and Gen. Rosenzars is expected to resume offensive operations promptly.

The army has been bravely retrained, and Gen. Rosenzars is expected to resume offensive operations promptly.

By Telegraph

From Burnside's and Rosecrans' Armies.

OUR ARMY IN FIGHTING TRIM.

THE ARMY OF THE CUMBERLAND, Oct. 3.

The present and future prospects of our army for this army is not only brightening, but at this time is really good.

If the enemy now makes an attack, even in very heavy force, he will, in all probability, be badly defeated. The day's delay but makes our commanders more confident of holding their position. There is no cause for alarm in the matter of flank movements.

CHICKAMAUGA, Oct. 5.—A dispatch to the Commercial advert Kn xvillie, Tenn., Oct. 4, says Colonel Carter has taken a position at Balls Bluff. The rebels still hold Greenville, and are said to have been strictly retrained.

Decisive results are expected in the East.—Bayard and Wolford are still in our advance below Loudon, skirmishing with the rebel cavalry.

General Hascall is in command of the Twenty-third Army Corps. This, with the fact that the rebel cavalry have attacked McMinnville, is construed to mean a formidable flank cavalry movement to cut Rosecrans' lines and isolate Burnside.

Officers direct from Chattanooga say both armies are busy fortifying, and that pickets are close together and skirmishing daily.

On the 28th ult. the rebels attacked our right but were repulsed after a fight of two hours, with considerable loss. A large number of prisoners were taken, all of whom expressed disappointment at the result of the Chickamauga battles. They say their losses in killed were enormous, far exceeding ours.

Five hundred wounded men have been exchanged on each side, but not officers.

Two divisions of the enemy were separated at Harrison's Landing, on the Tennessee. His cavalry were detached in an effort to cross the river on the 30th, and were driven back.

FROM HAVANA. SAN DOMINGO REBELLION.

NEW YORK, Oct. 5.

The steamer Roanoke has arrived with Havana dates to the 20th. By her we have St. Domingo dates of the 20th.

The rebellion there still continues, and is increasing. Guadara was about marching on Monte Christie. The rebels continue near Porto Plata, and skirmishing daily occurs at Vanigua. The Spaniards were driven from three small forts, and shut themselves up in the San Louis fort, which had been assaulted three times unsuccessfully, after which the city was burned by the rebels.

Col. Cappel, with 2,000 Spaniards, had succeeded in reaching the fort by cutting his way through the rebels. Subsequently Santiago was abandoned by the Spaniards for Porto Plata, where the Spaniards will concentrate a large force. Three battalions have been sent to St. Domingo to reinforce Gen. Santana, who is marching on La Vega.

ARKANSAS.

2,000 UNIONISTS JOINED ARMY.—NEWSPAPERS RECEIVED AT LITTLE ROCK. CAIRO, Oct. 3.

Advices from Little Rock to the 30th ult. state that 2,000 Unionists have joined our army at different points.

Two newspapers have been received at Little Rock.

The railroad between Davall's Bluff and Little Rock is in charge of Col. Meade, a brother of Gen. Meade.

CHICKAMAUGA, Oct. 3.—The health of the army in Arkansas is improved. The railroad is now in operation between Davall's Bluff and Little Rock, and supplies are abundant.

The Memphis have been named in a rather novel way the past week. A citizen named Tom Gray after daily advertising the feat, said to the Mississippi river in a hat, drawn by two geese.

IN TEXAS HART, a few days ago, Master Calhoun called Master Brown, and Master B. shot him dead instantly, and was immediately acquitted on the plea of justifiable homicide.

ALBERT BRIDGES, Esq., of Pittsburg, Pa., attached to the the Agricultural Department, has been appointed Consul at Jerusalem.
