The vote stood-38 for Cartin and 6 for Wood ward. Samuel Handshoe acted as President; Christian Brenneman, Joseph Lytle and Wendell Fackler as Vice Presidents; and Samuel Long enecer and John Elser as Secretaries.

PRESENTATION OF A SPLENDID PISTOL.—A De served Compliment.-The friends of Maj. Lyon, Paymaster at this Post, in order to indicate their high appreciation of his personal and official worth, had manufactured, by Smith & Wesson, a magnificent revolver pistol, elegantly finished and mounted in the most costly manner, which they presented to Msj. L. at Brant's Hall, last evening, in the presence the friends and admirers of the dense.

The presentation speech was made by Capt. Clement, Provost Marshal of this District. He alluded to the pleasing intercourse he had had with Maj. Lyons, the ample opportunity he had to judge of his official worth and personal merit, declaring that no officer in the service was more jealous of its honor or more faithful Horse. in the discharge of its duties. To recognize this, was but to acknowledge what were established and well known facts. To commend it, by a testimonial, was but to yield the just reward which true soldiers know how to carr as well as bestow. Capt. Clement spoke further in honorable acknowledgment of the many good qualities of Maj. Lyon, and concluded by presenting the testimonial prepared.

Major Lyon received the testimonial and replied to the speech of presentation like a true soldier, modestly. He was satisfied when he earned the good opinion of those with whom he came in daily official contact-those with high above its portentous clouds ever flashing whom he stood side by side in the defence of a common country. He accepted the beautiful weapon more as an emblem of the good opinion made glorious with victory, yet ever struggling of his friends, than as the representative of any good quality of his own; and yet, while he lived he would remember this occasion and the friends In short, a life more wonderful than that of by whom he was surrounded, as among the

PHILADELPHIA, August 23d, 1862.
Messrs. Jones & Evans:—Well, gentlemen,
your Hoofland's German Bitters has saved my
life. There is no mistake in this. It is youched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayers. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospita!. This was followed by great debility, heightened by an attack of dysentery. I was then remov-ed from the White House and sent to this city ship Company, are Intended to sail as follows:

OITY OF MANCHESTEB, Saturday, October 17;
OF LONDON, Saturday, October 17;
CITY OF BALTIMORE, Saturday, October 24, that time I have been about as low as any one and every succeeding Saturday, at Noon, from Pier 44, North River. For a week or more I was scarcely able to swal low anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my

\$32 50 stomach. Life could not last under these cir-85 50 cumstances; and, accordingly, the physicians 40 50 who had been working faithfully, though un-37 50 successfully, to rescue me from the grasp of the stemen, dread archer, finally told me they could do no more for me and advised me to see a clergyman stown: 1st and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinvisited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch street, advised me, as a forlorn hope, to try your bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter from whom I have heard nothing and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of the work Bitters will I owe the certainty of the water series will I owe the glorious privilege of again clasping to my posom those who are dearest to me in life.
