Ivory,

Daily Telegraph FULL PARTICULARS THE REBEL BOAT DESTROYED The Soldiers' Free Library, Wasmingrow, Sept., 1863. Mr. EDFOR: I am a private coldier. I emlisted in the 9th New York artillery, for the war leaving home, friends, and a position of useful-ness, so that I might serve my country in this hour of peril. I am now laid aside from duty; and am connected with a hospital here, and; with another solidar am deingrint mail here. THE COMMANDER CAPTURED gebende 🔭 🖘

BALTIMORE, Oct. 14. On Monday night last a daring but unsucces ful attempt was made by the rebels to destroy the frigate new Ironsides lying near Fort Moulthe ingate new ironsides lying near for mon-trie; by a torpedo. They employed for the purpose a small and very swift steamer, segar shaped, and having but a small portion above water. She was manned by a crew of four persons, consisting of Lieut. Glassett, who was the commander of the party, an engineer named with another soldier, am doing duty as librarian in that noble institution, the "Soldiers' Fre-Library and Reading Boom" of Washington. Scott, and a pilot whose name is unknown at

The Attempt to Destroy the Ironsides

done for them. Mr. and Mrs. John A. Fowle started this enterprise more than a year.ago, and from a small beginning the "Soldiers' Free Library" has risen to a handsome library of the present writing. She eluded the picket boats of our fleet by passing close into the shore of Sullivan's Island. She then made directly across the harbor, and came up to the vessel without attracting attennearly four thousand volumes, and from a hired room about ten feet square, it now occupies a fine building, sixty-five feet long by twenty-five feet wide. Mr. Fowle is from Boston, now tion.

She struck the Ironsides fairly amidships teet wide. Mr. Fowle is from Boston, now connected with the Navy Department here Mrg. Rowle was formerly Miss Rumsey, from New York, quite celebrated as a fine singer. We have here in the capital of the nation a spof where soldiers are supplied with books, with permission to keep them ten days; with daily papers from all the loval States for the

daily papers from all the loyal States, for the press nobly, responded to our call for regular papers, with magazines and pictorial papers, on board the guard ship. Lient. Glassett was formerly in our navy. He says that the explosion of the torpedo drove the steamer under water until the water with a great variety of religious reading matter and Bibles and Testaments; also, with pen, ink. ran in her smoke pipe and put out her fires. and paper, and a quiet placain which to write alighter home, all free of lograd. We have also a hospital storencom connected with the build-ing, from which Mrs. Fowle supplies the sick The torpedo was suspended to the bows of the rebel vessel so as to strike the Ironsides

or woulded soldiers. In our reading room, which is fifty feet long, we have a melodeon, which any soldier who understands music can enjoy. The walls are decorated with flags and hull or armament.

One man had his leg broken and one of the bulkhead of the vessel was knocked down, which can be repaired here. The Ironsides was prepared for action by ut one hundred handsome pictures. In this l we have; every Tuesday evening, a soldiers' zing school, or a 'soldiers' concert,'' as some it, over which Mr. and Mrs. F. preside. Capts. Rowan and Immedy, and is as efficient for offensive operations as ever.

1 it, over which Mr. and Mrs. B. preside, d every Sabbath afternoon we have the meet-gof the "Soldiers' Free Library Church'—a urch composed of soldiers of all denomina-ns, who have banded themselves together, mising to serve their country and their viour at the same time. These meetings are for offensive operations as ever. She is now regarded here as torpedo proof. She opened fire with masketry on the rebel vessel, and in a few minutes opened fire with two of her large gbns A musicat fired from the rebel; steamer dan-geronely wounded Acting Ensign Charles How-ard of the Ironeides, who was officer of the deck ductive of much good, and are largely

at the time. The bottom of the Ironsides has been exam may further interest your readers to know t this enterprise is carried on with little or expense. Congress granted Mr. and Mrs. wie a lot of Government land for the purined by divers and found to be wholly uninjured The rebel engineer Toumbs, formerly of ou navy, and the pilot of the rebel steamer, are spi posed to have been drowned on Thesday high e, and Government has given them the use work. another becomes blighted with our own. DISRASE OF IMPRUDENCE. When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that in illtimed sense of shame or the dread of dis-overy deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of igno-nut and desirating pretenders, who, incapable beritend him. He falls into the handstof igno-rant and designing pretenders, who, incapable of curing, fibh his pecuniary substance, keep him triffine month after mouth, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison. Mercury, hasten the constitu-tional symptoms of this terrible disease, such as affections of the Head Throat, Nose, Skin, etc. progressing with frightful 'napidity, till death puts a period to his dreadth infierings by send-ing him to that undiscovered country from whence no traveller returns.

INDORSEMENT OF THE PRESS. INDORSEMENT OF THE PRESS. The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the Sus, Chipper, and many other papers, notices of which have appeared again and again, before the public, the idee his standing, as, gestleman of character and responsibility, is a sufficient guarantee to the afflicted of the result.

THE GUM PECIORALS

KNOXVILLE, Oct. 11. Our cavalry advance has fallen back from Calhoun, on the Hiawassee, to Sweetwater town. The rebels occupied Athens Last evening, with a force estimated at eight mounted regi-iments, and the scouts report more to be crossing the Hiawassee to day. A scouting party under a Lieutenant from Woolford's command, was captured to-day. The situation in the East is satisfactory. A skirmish occurred near the Bine Banges, late yesterday afternoon. The enemy retired and will probably fall back to the Watanego river before risking a fight. His c force is estimated at from 6,000 to 10,000. CONTAIN Coltsfoot, Horehound, Ipecacu-anha, Senega and Squill, (the most reliable expectorant known,) are the chief active constituents, so blended with Gum Arabic and Sugar that each lozenge coutains a mild and very pleasant dose. Are very useful to soothe a cough, allay tickling in the throat, to relieve to relieve to arsences, catarrh, sore throat, &c. Prepared and sold by B. A.
