This Wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide combined, with the most energetio of vegetable tonics, Yellow Peruvian Bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic, is most happy. It augments the appetite, raises the pulse, takes off muscular flabbleness, removes the palor of debility, and gives a florid vigor to the countenance.

Навижения, Feb. 20, 1863. Mr. S. A. Kunkel, Druggist: Mr. S. A. Kunker, Drugget:

Deer Sir: I have great pleasure in testifying to the complete success of your Briss. Wins or lean in my case. I have been afflicted for a number of years with weakness, general debility and glddiness, so much so that I have been confined to my bed for the greater partiof my lead the attendance of our

confined to my bed for the greater part of my time, and have had the attendance of our best physicians, but received but little benefit. I had despaired of ever regaining my health, until hearing of your inestimable remedy, BITTER WINE OF IRON. I determined to try its virtue, and I am happy to state it has resulted in a complete cure. I am more robust and vigorous than I have been for many years, which feeling I attribute solely to your BITTER WINE OF IRON. I have he hesitation in recommending it to others, similarly affected, and shall be happy to bear personal testimony

Yours, truly, HABMAN FRISCH.

TO THE PUBLIC.

Dr. S. A. Kunket:

Dram Sin: When on my way, last summer, to join my regiment at Yorktown, Virginia, you were kind enough to give me several bottles of your "Buter Wine of Iron," I found it most valuable in the climate of the Peninsula and the diseases incident to it. No preparation of barks exceed it in value. I believe that its use would prevent much bilious fever, and certainly prove a great value in its cure. I remain
