DR. JOHNSON

BALTIMORE

LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for

DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS.

A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible,

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

OFFICE, No. 7 SOUTH FREDERICK STREET,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage: the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illtimed sense of shame or the dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc. progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveller returns.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the *Sun, Clipper*, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

By Telegraph.

FROM NASHVILLE.

Gen. Grant Assumes the Command of the Division of the Mississippi.

GEN. THOMAS TO COMMAND THE ARMY OF THE CUMBERLAND,

Hon. E. M. Stanton at Nashville.

NASHVILLE, Oct. 20.

Quartermaster General Meigs and staff arrived here this evening and reposted.

Gen. Grant assumes command of the Department of the Cumberland and Ohio, to be called the Military Division of the Mississippi.

General Thomas, it is reported, assumes command of the Army of the Cumberland.

Gen. Hooker is at Stevenson, Ala.

The Hon. E. M. Stanton arrived on a special train. He is the guest of Judge Catron.—There was an assemblage of citizens at the Saint Cloud hotel, and short speeches were delivered by Governor Johnson and Generals Grant and Meigs.

A railroad accident occurred near Murfreesboro, killing and wounding several. The telegraph is working to Chattanooga.

FROM ST. LOUIS

Order for the Government of the Missouri Election.

ST LOUIS, Oct. 21.

Gen. Schofield has issued an order for the government of the November election in this State. The judges of the election will be held strictly responsible that none but qualified voters be allowed to vote. Any action on their part excluding qualified voters from the polls will be punished as a military offance.

Any person having borne arms against the Government, and given aid and comfort to its enemies during the present rebellion, shall not presume to act as judge or clerk of the said election, and any county Judge who shall knowingly appoint such person as a judge of the election, will be deemed guilty of violating the military orders and be punished accordingly.

In those parts of the State where there is danger of interference by guerrillas or a combination of persons intended to overawe or intimidate legal voters, the military commanders are directed to prevent such interference; but where such protection is unnecessary, the troops will absent themselves from the polls entirely, and are permitted to vote only at polls open at the headquarters of their respective camps or detachments.

FROM THE WEST.

CINCINNATI, Oct. 21.

The superseding of General Rosecrans has caused much surprise. The object is to place all the troops in the Western military department under one military man, and concentrate our armies. The appointment of Gen. Thomas to succeed Rosecrans gives satisfaction, as he has won the hearts and confidence of his soldiers, and has earned the command.

Major General Rosecrans is expected to arrive here to-morrow, and a committee of citizens has been appointed to give him a public reception.

The only news from below is that Joe Johnston, with a large force, has gone to Shelbyville, Tenn., with a view to prevent Sherman reaching the army of the Cumberland.

The fifteenth annual Convention of the American Christian Missionary Association commenced here yesterday. Rev. Alex. Campbell delivered the opening address.

FROM WASHINGTON.

WASHINGTON, October 21.

Information has been officially communicated to the State Department, that by a decree of the government of Venezuela of the 5th of September last, the duties on imports to that country have been increased 25 per cent.—the decree to take effect at the end of 60 days. On goods imported from the United States this additional impost is declared to be temporary, and its proceeds are pledged strictly to the payment of a loan of three hundred thousand dollars, which has recently been authorized by that government.

ROSECRANS RELIEVED.

General Grant Assumes Command of the Armies of the Ohio the Cumberland and Kentucky.

Major General Thomas.

GEN. THOMAS TO COMMAND ROSECRANS' ARMY.

LOUISVILLE, Tuesday, Oct. 20

The news is confirmed that Major General Rosecrans has been relieved of the command of the army of the Cumberland. He has been succeeded by Major General George H. Thomas, who has established a reputation as a soldier second to none in the country. Major General Grant takes command of the Department of the Cumberland, Ohio and Kentucky, the General Thomas commanded in the field. This is a most excellent arrangement. Grant and Thomas are the real heroes of the war in the Southwest, and they will do all that can be done with the armies under them. General Thomas was born in Southampton county, Virginia, July 31st, 1816. He graduated at West Point, and has ever since been in active service in the army.—In the war with Mexico he was very distinguished; and he has done some of the most brilliant service that has been recorded in the present war. But for him the battle of Chickamauga would have been a fatal defeat. We look for new glory for the Army of the Cumberland under his command.—*Philadelphia Bulletin.*

THE ELECTIONS TO COME.—The elections yet to be held this year occur as follows: West Virginia, Thursday, October 22; Massachusetts, New York, New Jersey, Illinois, all on Tuesday, November 4; Missouri, Thursday, November 5; Delaware and Minnesota, Tuesday, November 10. Three of these States elect members of Congress: Maryland, 5; Delaware, 1; West Virginia, 3. Governors are to be elected in Massachussetts, Wisconsin and Minnesota; and, members of both branches of the Legislature are to be chosen in Massachusetts, New York, New Jersey, Illinois, Wisconsin and Minnesota. Missouri holds an election on the first Tuesday of November for Judges of the Supreme Court of that State.

STRENGTH OF REBEL ARMIES.

Rebels at Richmond Dispirited.

Their Inability to Assume the Offensive.

BALTIMORE, Oct. 21.

A very intelligent young man, a refugee from Richmond, who has been there all through the war, and who only succeeded in making his escape last Monday, has arrived here and communicated to the military authorities some important intelligence touching the rebel armies.

In regard to the strength of their armies, he says that there is much misapprehension at the North. He claims to have good authority for stating that the strength of Lee's army previous to the sending of the two corps to reinforce Bragg did not exceed 60 000 efficient troops; that Bragg, with these reinforcements, had not over 40,000 men, and that he only managed to defeat Rosecrans by a surprise, and attacking his isolated columns.

He further states that the story of reinforcements having been sent to Gen. Lee from Charleston, and elsewhere, is totally incorrect. That there have been no troops sent to Lee, except in the way of deserters; that none have returned from Bragg's army, and to such straits have the Rebel authorities been reduced that they are even forcing into the ranks those persons who have provided substitutes.

There was a general feeling of despondency in Richmond, and the fact was freely admitted that their armies were none of them sufficiently strong to assume offensive operations with any prospect of success; and that the want of men prevented Bragg from following up his success, and prevents him now from attacking the Federal army at Chatanooga.

Gen. Crittenden to His Command.

HEADQUARTERS TWENTY-FIRST ARMY CORPS,
CHATTANOOGA, Oct. 10, 1863.

To the Officers and Soldiers of the Twenty first Army Corps:

The General Commanding announces with sorrow that the name of this corps has been stricken from the army rolls, and that he has been relieved from duty and ordered to report to Indianapolis, that his conduct in the late battles of Chickamauga may be investigated.

The General Commanding regrets the separation from his command—not the investigation. Investigation, the closest scrutiny, however it may affect him, can only brighten your fame. Your deeds at Chickamauga, as at Stones River, will hand down to posterity your honored names.

You have honored me! The mighty hand of the Twenty first Army Corps has graven the name of its commander on famous pages of the past. And the slanderer's tongue cannot revoke the past.

Further honors await you. May God's blessing attend you!

T. L. CRITTENDEN,
Major General U. S. Volunteers.

GENERAL KILPATRICK'S nephew, Willie Kilpatrick, a lad thirteen years of age, acts as a sort of volunteer aid to the General. He is a brave little fellow, and rides splendidly. He first discovered the presence of the rebels in their late advance on his uncle's left front. He was greatly angered by the "Johnny Rebs," calling upon him to surrender when he arrived in such close proximity to them, and dashed back to an officer of the staff to borrow a pistol to show fight.

STRIPED stockings have become the range in Paris, the fashion being led by the Empress Eugenie. We are for once ahead of Paris, as these kinds of stockings have been in use here for many years. This fact shows that there is nothing new under a hoopskirt as well as under the sun.
