A CHILD about two years of age was run over by the cars near the North Lebanon furnaces, Lebanon county, last Saturday, and instantly killed.

MR. FLEMING's majority for Senator in Lebanon county is 983. This, added to 1,119 majority received in Dauphin, gives him 2,102 over Boas, in the District.

MR. THOS. McLEAN, of Cornwall, while in Lebanon, last Friday, was badly kicked by one of his horses, while engaged in hitching it to the wagon. He was struck in the face.

CHURCH ROBBER.—Some sacrilegious scamp entered St. Peter's Roman Catholic Church, Allegheny city, the other night, and broke into the depository of the valuables of the church, and carried off between two and three hundred dollars worth of property.

A LADY named Kelly, from Blacklick township, Indiana county, was thrown from her horse on Saturday, 10th inst., near the residence of D. Thomas, on the Kittanning and Indiana Pike, and instantly killed, her neck being broken by the fall.

PRESENTATION OF A SWORD.—Thursday afternoon the members of Capt. Messerman's company, of the Thirteenth Pennsylvania Cavalry, presented a handsome sword to Lieut. James Leese, of said company. The presentation ceremony took place in front of Herr's Hotel.

ASSESSMENT OF DAMAGES.—The viewers appointed by the court to assess the damages caused by the opening of Cumberland street, between Seventh and Eighth, and Verbeke street, between Fulton and Seventh, will proceed to assess said damages on Saturday, Oct. 21st, at ten o'clock.

A MUSEUM GUN.—The patterns have been made and the preparations commenced at the Fort Pitt Foundry, for a bore of twenty inches. Its length will be seventy feet, and its greatest diameter at the breech, five feet four inches. It will weigh about fifty-seven tons.

A CHEAT ON A SECESSIONIST.—A secessionist from Hagerstown, Md., arrived at Rich. Monday a few days ago, and presented certain reb. coupons, a portion of \$100,000 for which he had sold his farm in Maryland, which were pronounced spurious at the rebel treasury. Of course he has no redress, and barely escaped prosecution in Richmond as a counterfeiter.

LOVERS' QUARRELS.—The best record of lovers' quarrels, quick and quick over, that we remember to have seen, is credited to a recent telegram, in manner as follows: Charley and Julia met at S. yesterday—quarreled and parted forever—met again this morning and parted to meet no more—met again this evening and were married.

DEATH OF A RAILROAD OFFICER.—Alex. Diffey, well known as the General Supervisor of Trains on the Baltimore and Ohio Railroad, died on Saturday last of typhoid fever and confluent small-pox, at his late residence near Mount Airy, Maryland. It appears he contracted the disease while he was superintending the transmission of troop trains to the West, several weeks since. He was ill but eight days. He was thirty-nine years of age, and leaves a wife and seven children.

DOCK & CO.'S EXTENSIVE STOCK OF GROCERIES, &c.—We were surprised, a few days since, after passing through Dock & Co.'s establishment, to find that the stock stored in various parts of the main building and the warehouses, is one of the largest, best selected and most valuable ever brought to this city. It embraces a variety which covers the wants of the customer in every article of this line of business.

The monthly compensation of soldiers enlisted under this order will be at the following rates: If continued in the service three years, Veteran Volunteers, twenty-four dollars; other volunteers, not veteran, twenty-one dollars and thirty cents.

If discharged at the end of two years—Veterans, twenty-nine dollars and seventy cents; other volunteers, twenty-five dollars and fifty cents. If honorably mustered out in less than two years, the monthly rate of compensation will be increased as the term of service is diminished.

Any person procuring or attempting to procure funds or composition either on the Government or the recruit shall be summarily dealt with by a military commission. Men enlisted under this order will be assigned to old regiments.

Consenters and substitutes pass through this city daily, on route for the army.

The Lykens Valley Coal Company, and the Lykens Valley Railroad and Coal Company, are about to amend their by-laws. A meeting for that purpose will be held by the stockholders of both companies, on the 12th of November, at the office of Edward Gratz, No. 4 South Seventh street, Philadelphia.

The following is the splendid pyramid built by the copperheads in the elections held this year:

EXTENSIVE ROBBERY.—The safe of B. A. Jordan, in Sunbury, was blown open at an early hour yesterday morning, by an expert thief, who succeeded in taking therefrom one thousand dollars, in \$100 bills of a Northumberland bank, besides a quantity of jewelry. A lot of clothing was also stolen.

The Snyder County Tribune closes an article on the result of the late election, as follows: We confess we can hardly realize the fact that the good old ship of State has safely passed these dangerous breakers, but thus it is. The mower mows on though the adder may writhe, and the Copperhead coil 'round the blade of his scythe.

A SHOCKING accident occurred in Wellsburg, Erie county, on the 14th inst. W. H. Wright was engaged in hauling a heavy saw log over an old bridge across the race near C. C. Godfrey's saw mill, when one of the old rotten stringers fell, and the trucks were capsized and pitched bottom-upwards into the dry bed of the mill race. Mr. W. was swept off the falling bridge and caught under the log, which struck him across the hips and bowels, bursting the abdomen, forcing out the intestines and otherwise crushing and mutilating him.

The editor of the Huntingdon Journal has discovered a remedy for sore heads, and recommends it to all who are in deep distress on account of the defeat of the copperheads in various States. Hear what the Journal says: CURE FOR SORE HEADS!—Ho! Ye afflicted!—Ye aching, mourning heads, now sick and sad! Troubled with sores and cares of State be glad! Dry up your tears—hush up your groans; assured, That bruised heads, by logical liniment are cured.

The above valuable medicine having recently been fully tested in the States of Maine, Vermont, Kentucky and California, and proved to be an infallible remedy for sore heads is now offered to the (copperhead) people of this town, county and State.

The directions for using are: Pull out the hair before applying the ointment; drink wormwood tea sweetened with snake-root syrup three times a day, until you are cured, and keep the house until the healthy Union symptoms make their appearance. The genuine article bears the impress of "Stars and Stripes" on the bottle. Try it, ye who are snake-bitten.

RELEASSED FROM LIBBY PRISON.—This morning we had the pleasure of taking by the hand Dr. Charles M. Worthington, Assistant Surgeon of the Fourteenth Pennsylvania Cavalry. He was captured by the rebels at White Sulphur Springs, Va., on the 27th of August, and marched thence to Libby Prison, at Richmond. On Saturday last (17th inst.), he was released, and arrived here last night, en route for his home, in Cumberland county. He brings the same horrible account of the sufferings of our soldiers at Richmond, that we have heard from others who have been witnesses to the wrongs endured by those who have had the misfortune to become prisoners. Our men there are half-naked and half-starved, and receive treatment such as would be unbecoming in an uncivilized country.

BOUNTIES TO VOLUNTEERS.—The following circular, relating to the pay and bounty of men volunteering under the late call for three hundred thousand men, has been issued by Provost Marshal General Fry, and will be found interesting to all who are able to perform military duty: District Agents are to be appointed by the Provost Marshal General to recruit deserters and procure recruits.

DEATH OF A CHEROKEE.—Rev. Dr. Elias Heller, for twenty-eight years pastor of the Second Street German Reformed Church, Baltimore, died Wednesday afternoon, about 5 o'clock, at his residence, Madison street, in the 53d year of his age. Several years ago his health failed to such an extent as to render him incapable of discharging his pastoral duties.

Special Notices.

Decs.—Ancient and modern history record many incidents of the sagacity and faithfulness of the animal whose name heads this article. Lord Byron contributes his respect in the lines to his Newfoundland dog. And how many thousand acts of courage and intelligence of dogs have called for our gratitude and attachment; even the pathetic appeal to old dog Tray. Surrounded with all its beauty, which necessarily takes hold of our better feelings, could not in a worldly way, command our gratitude so much as the dog, who, seeing a stranger pass that inquired for the cheap dry goods store, started up in a moment and directed the stranger, to C. L. BOWMAN'S, No. 1, corner of Front and Market streets. oct22-2t

HOOFLAND'S GERMAN BITTERS! Are not a new and untried article, but have stood the test of fifteen years' trial by the American public, and their reputation is not the result of any similar preparation. The proprietors have thousands of letters from the most eminent CLERGYMEN, LAWYERS, PHYSICIANS AND CITIZENS. Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

DO YOU WANT SOMETHING TO STRENGTHEN YOU? DO YOU WANT A GOOD APPETITE? DO YOU WANT TO BUILD UP YOUR CONSTITUTION? DO YOU WANT TO GET RID OF NERVOUSNESS? DO YOU WANT ENERGY? DO YOU WANT A BRISK AND VIGOROUS FEELING? If you do, use HOOFLAND'S GERMAN BITTERS.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed. This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds of the deaths of the drunkard. By their use the system is kept continually under the influence of Alcohol. Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and WILL HAVE a Liquor BOTTLE OF HOOFLAND'S GERMAN BITTERS send me with THREE QUARINS GOOD BRANDY OR WHISKY, and the result will be a preparation that will FAR EXCEL in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will COST MUCH LESS. You will have all the virtues of HOOFLAND'S GERMAN BITTERS in connection with a GOOD ARTICLE of Liquor, at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS! AND THEIR FRIENDS! We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposure and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are afflicted with debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the fact that the remarkable and well authenticated cures of some of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters" is published in PHILADELPHIA, August 23d, 1862. Messrs. Jones & Evans—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is testified for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain E. B. Ayers. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House and sent to this city on board the steamer State of Maine, from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to walk, and I did force a march down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physician who had been working faithfully, though unsuccessfully, to restore me from the grasp of the dread archer, frankly told me they could do no more for me and advised me to see a clergyman and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy cloud of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.
