ORGANIO WEAKNESS

Immediately Cured, and full vigor restored.

This distressing affection—which renders life
miserable and marriage impossible—is the penalty paid by the victims of improper induigence.
Young persons are too apt to commit excesses
from not being aware of the dreadful conserences that may ensure. Now who, that upfrom not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the product. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and power, nervous irritability, dyspepala, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.
