DR. JOHNSON
BALTIMORE
LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for

DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS.

A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight, or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible,

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

OFFICE, No. 7 SOUTH FREDERICK STREET,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage: the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illtimed sense of shame or the dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveller returns.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the *Sun*, *Clipper*, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

FLUID, EXTRACT BUCHU,
A POSITIVE AND SPECIFIC REMEDY
For Diseases of the
BLADDER, KIDNEYS, GRAVEL,
AND DROPSICAL SWELLINGS.

This Medicine increases the power of Digestion, and excites the ABSORBENTS into healthy action, by which the WATERY or CALCEROUS depositions, and all UNNATURAL ENLARGEMENTS are reduced, as well as pain and inflammation, and is good for MEN, WOMEN or CHILDREN.

HEMBOLD'S EXTRACT BUCHU
FOR WEAKNESSES

Arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse.

ATTENDED WITH THE FOLLOWING SYMPTOMS:

Indisposition to Exertion,	Dryness of the Skin,
Loss of Memory,	Loss of Power,
Weak Nerves,	Difficulty of Breathing,
Horror of Disease,	Trembling,
Dimness of Vision,	Wakefulness,
Universal Lassitude of the Muscular System,	Pain in the Back,
Hot Hands,	Flushing of the Body, Eruptions on the Face, Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow *IMPOTENCY, FATUITY, EPILEPTIC FITS,* In one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION.

Many are aware of the cause of their sufferings, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION, ONCE AFFECTED WITH ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES,

OLD OR YOUNG, SINGLE, MARRIED, OR CONTEMPLATING MARRIAGE,

In many affections peculiar to females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or suppression of the customary Evacuations, Ulcerated or Schirrous state of the Uterus, Leucorrhea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation or in the

Take no Balsam, Mercury, or Unpleasant Medicine for Unpleasant and Dangerous Diseases.

HEMBOLD'S EXTRACT BUCHU,

It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Poisonous, Diseased, and Wornout Matter. Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has by the use of "powerful Astringents," been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

Use HELMBOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Diseases of these Organs require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the Great Diuretic, and it is certain to have the desired effect in all Diseases for which it is recommended.

DYSPEPSIA,
AND
DISEASES RESULTING FROM
DISORDERS OF THE LIVER
AND DIGESTIVE ORGANS,

ARE CURED BY

HOOFLAND'S
GERMAN BITTERS,

THE GREAT STRENGTHENING TONIC.

THESE Bitters have performed more cures; have and do give better satisfaction; have more testimony; have more respectable people to vouch for them, than any other article in the market.

We defy any one to contradict this assertion, and will pay $1000 to any one that will produce a certificate published by us, that is not genuine. Hoofland's German Bitters, will cure every case of Chronic or Nervous Debility, Diseases of the Kidneys, and diseases arising from a disordered stomach. Observe the following symptoms, resulting from the disorders of the digestive organs: Constipation, Inward Piles, Fulness of Blood to the head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the stomach, Swimming of the head, Hurried and difficult breathing, Fluttering at the heart, Choking or suffocating sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, Fever and dull pain in the head, Deficiency of perspiration, Yellowness of the skin and eyes, Pain in the side, back, chest, limbs, &c, Sudden flushes of heat, Burning in the flesh, Constant imaginings of evil, and great depression of spirits.

Remember that this Bitters is not alcoholic, contains no rum or whisky, and can't make drunkards, but is the best Tonic in the world.

READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptish Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge, and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN, Philada.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours, truly, WARREN RANDOLPH,
Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M E. Church, Philadelphia.

Dr. Jackson:—Dear Sir:—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully, J. H. TURNER,
No. 726 N. Nineteenth street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Milestown (Pa.) Baptist Churches.

New Rochelle, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed. J. M. LYONS.

From the Rev. Thomas Winter Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours, T. WINTER,
Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks Co., Pa.

Dr. C. M. Jackson:—Respected Sir:—I have been troubled with Dyspepsia, nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours, with respect, J. S. HERMAN.

THE STEAMER CHESAPEAKE.

The Proceedings in the Admiralty Court.

HALIFAX, Jan. 8.

The case of the steamer Chesapeake was commenced in the Admiralty Court this morning. Hon. Judge Stuart, C. B., presiding, Hon. J. W. Johnston, Advocate General, representing the Crown, with W. A. D. Morse as counsel for the owners of the Chesapeake, and J. W. Ritchie, Esq., counsel for the Confederates.

The Judge stated that the cause was entertained upon the ground that the seizure of the vessel was a piratical act. His opinion was, that the vessel ought to be given up to her owners.

Mr. Ritchie asked the judge to contemplate the probability of an application for the possession of the vessel on the part of the Confederates.

His Honor declared he would not entertain anything of the kind.

Mr. Ritchie then gave his interpretation of the law upon the validity of the seizure, contending that any citizen of the Southern Confederacy, with or without a commission, has an absolute right to seize any vessel belonging to the Federals, and it would be a lawful prize.

The Advocate General said he felt some difficulty in bringing the case into this court, as there was a pretence of her being a lawful prize, but there was *prima facie* evidence to show that the capture was an act of piracy.—His opinion was that the vessel should be delivered over to her owners.

Without further proceedings the court was adjourned till the 13th inst.

FROM FORRESS MONROE.

FORTRESS MONROE, Jan. 9.

Gen. Butler returned to Fortress Monroe last evening. All the vessels that were reported as having arrived here during the past week, sailed this forenoon. The engineer and two firemen who were captured from the Star of the West, escaped from a Richmond prison and arrived here to-day.

FORTRESS MONROE, Jan. 9.—A snow storm commenced falling here last evening, and still continues up to 10 o'clock this morning. The schooner R. W. Froth sprung a leak at sea, and had to throw the largest part of her cargo consisting of salt over board. Two deserters from the 59th Georgia regiment, and one from a Virginia regiment, came into our lines via Suffolk yesterday.

Sergeant Mercers Meyrs, of the 11th Pennsylvania cavalry, has been sentenced by a court martial, to be shot to death at such time and place as Gen. Geety may decide.

The schooner Lola Montez, from Cape Cod, was dragged into one of the Russian frigates this morning, and lost her main mast by coming in contact with the bowsplt of the frigate.

The steamer Sophia, from New York, bound to New Orleans, came into Hampton Roads this afternoon for repairs.

FROM CUMBERLAND, MD.

RETREAT OF THE REBELS.

BALTIMORE, Jan. 9.

Reliable information from Cumberland, Md., this morning, says there are no rebels in the vicinity of Cumberland. They have retreated from the neighborhood of Petersburg, and have gone in the direction of Staunton. All is quiet along the whole line of the Baltimore and Ohio railroad, and trains are running.

From Nassau, N. P.

NEW YORK, Jan. 10.

The steamer Gov. Bogley, from Nassau, N.P., with dates to the 4th inst., has arrived here. The rebel steamer Lucy, with cotton, arrived at Nassau on the 21st ult. The bark J. J. Philbrick, from Philadelphia for Key West, with coal, was totally lost on the 19th ult., on the grand Bahamas. The captain and crew had arrived at Nassau.

The Governor Baglar was overhauled by a Federal cruiser on her outward passage. The Nassau *Guardian* states that Mr. Wolf's property seized on the Corsica, has been given up on demand of Lord Lyons, and that Wolf has commenced an action for damages against the United States. The rebel steamer Pet sailed on the 26th ult for Wilmington, N. C.

The steamers Don Lucy, Rothesay, Castle and Bendigo, all said on the 29th ult. from the same port.

The United States steamer Sonora, was at Little Stirrup Key on the afternoon of the 29th, and discovering a steamer fifteen miles to the eastward, went in pursuit of her.

The steamers N. Dayrell and Alliance, sailed for Washington on the 21 of January.
