Medical.
DR. WISHART'S PINE TREE TAR CORDIAL
Is the Vital Principle of the Pine Tree, OBTAINED by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained. It is the medicine that cures when all others have failed.
Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption? Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least one-sixth of Death's victims.
What are its symptoms? It usually begins with a short dry cough, which soon becomes habitual, but for some time nothing is raised except a frothy mucus. The breathing is somewhat difficult, and upon slight exercise much hurried. A sense of tightness and oppression at the chest is often felt. As the disease advances the patient becomes thin in flesh, is afflicted with loss of appetite, great languor, and indolence and dejection of spirits; and may continue in this state for a considerable length of time, that it is very readily affected by slight exposure or fatigue. If these occur, the cough becomes more troublesome, and is attended with expectation, which is most copious and free very early in the morning. It is sometimes streaked with blood. At this stage the patient usually sits up, and in some cases a profuse bleeding of the lungs may also occur. Pain in some part of the chest is felt, and often a difficulty in lying upon one or the other side, without severe fits of coughing or a sense of fullness or suffocation, is experienced. The pulse becomes full, hard, and frequent, the hectic flush tinges the cheeks, and the date malarial is fast hastening to its close.
You now ask "Is there a cure?" Consumption has been and can be cured by the use of my Tar Cordial, even in apparently hopeless cases. This assertion I make with the ability to prove the most complete evidence of the truth. Space will not admit of my giving the contents of the many thousands of testimonials to its efficacy. I have seen and am receiving from men and women of unquestionable worth and reputation. I have had a number of these certificates printed in circular form which I will send you free on application. Whether you now determine to try the medicine or not, send for the circular. After years of study and experiment, I offer this medicine, believing it to be the best remedy for all pulmonary and bronchial diseases. If you cannot be benefited by the use of the Tar Cordial, I believe you are beyond all earthly aid. Yet if there be better curative agents, I earnestly advise their use. The best remedies, the best care, are needed by those afflicted with this disease. Because I believe this to be the best, I ask you to try it.
Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:
The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must excel from the system; the corruption which is seated in the lungs. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthy tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.
THE PINE TREE TAR CORDIAL will cure Coughs, Sore Throat and Breast, Bronchitis, Asthma, Croup, Hooping Cough, Diphtheria, and is also an excellent remedy for diseases of the kidneys and female complaints.

DR. SWEET'S INFALLIBLE LINIMENT,
GREAT EXTERNAL REMEDY,
FOR RHEUMATISM, GOUT, NEURALGIA, LUMBAGO, STIFF NECK AND JOINTS, SPRAINS, BRUISES, CUTS AND WOUNDS, PILES, HEADACHE, AND ALL RHEUMATIC AND NERVOUS DISORDERS.
For all of which it is a speedy and certain remedy, and never fails. This Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.
AS AN ALLEVIATOR OF PAIN, it is unrivalled by any preparation before the public, of which the most skeptical may be convinced by a single trial.
This Liniment will cure rapidly and radically Rheumatic Disorders of every kind, and in thousands of cases where it has been used it has never been known to fail.
FOR NEURALGIA, it will afford immediate relief in every case, however distressing. It will relieve the worst case of HEADACHE in three minutes and is warranted to do it. TOOTHACHE also will be cured instantly.
FOR NERVOUS DEBILITY AND GENERAL LASSITUDE arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and revivifies the system, and restores it to elasticity and vigor.
FOR PILES—As an external remedy, we claim that it is the best known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a radical cure.
QUINCY AND SORE THROAT are sometimes extremely malignant and dangerous, but a timely application of this Liniment will never fail to cure.
SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst case may be conquered by this Liniment in two or three days.
BRUISES, CUTS, WOUNDS, SORES, ULCERS, BURNS AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT when used according to directions. Also, CHILBLAINS, FROST-BITE, INSECT BITES AND STINGS.
EVERY HORSE OWNER should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases, to which all horses are liable, and which render so many otherwise valuable horses, nearly worthless.
Over four hundred voluntary testimonials to the wonderful curative properties of this Liniment have been received within the last two years, and many of them from persons in the highest ranks of life.
CAUTION.
To avoid imposition, observe the Signature and Likeness of Dr. Stephen Sweet on every label, and also "Stephen Sweet's Infallible Liniment" blown in the glass of each bottle, without which none are genuine.
