HARRISBURG, PA.  
Saturday Evening, January 16, 1864.

## TOWN AND COUNTRY.

TO STRANGERS VISITING OUR CITY.—J. Kahm-weller, corner Second and Walnut streets, now offers his entire stock of winter goods, consisting of Furs, Shawls, Blankets, Dress and Fancy Goods of every description, at cost prices. He will also allow five per cent. to every person purchasing above the amount of one dollar.

ATTENTION! CITIZENS OF THE SECOND WARD.—A meeting of the citizens of the Second Ward will be held at the Second Ward House, Second and Chestnut streets, on Monday evening, at seven o'clock, for the purpose of ascertaining the quota of the ward in the coming draft, and for reporting the full number of recruits already furnished by the people thereof to the arms of the Republic. As all subject to the draft are interested in this matter, all are invited to attend!

NOTICE.—Citizens of the Sixth ward, desirous of subscribing for the DAILY TELEGRAPH, or changing their residence, will please leave their orders at my house, corner of Verbeke street and Ridge Road, or with the carriers. Orders may also be left at the publication office and Bergner's book store.

ATTENTION, COMPANY G!—The members of Company G, late 127th Regiment Pa. Vols., will meet in the lower room of the Exchange, on Monday evening at 8 o'clock, to complete arrangements for participating in the inauguration. By order of

JOHN G. BALL, Captain.

ATTENTION, FIRST CITY ZOUAVES!—You are requested to assemble at Brant's Hall, at 7 o'clock this evening, for drill. Every member is expected to be present. By order of

F. ASBURY AWL, Captain.

LET.—On Friday morning, on Third street, between Chestnut and Mulberry, a Buck skin purse, containing \$24—and some cents—one \$10 U. S. Treasury note, and two \$5—on country banks, and four \$1. The finder will be liberally rewarded by returning it to this office.

"BURY ME IN THE SUNSHINE," were the last words of Archbishop Hughes.

The State Librarian publishes a notice that is of importance to all persons having claims for assisting to remove the books from the Library in June, 1863.

Rev. Dr. EDWARDS, of the West Arch Street Church, Philadelphia, will preach in the Old School Presbyterian Church, to-morrow morning and evening.

The Mount Vernon Hook and Ladder Company have accepted the invitation of the Legislative Committee to participate in the Inaugural ceremonies on Tuesday next.

TEMPERANCE LECTURE.—J. Q. Detweiler, of Iowa, a very able and popular speaker, is announced to deliver a Temperance lecture in the Court House, on Monday evening, 18th inst.

As every citizen is interested in the raising of the quotas of the various townships, towns and counties in the State, we would invite the attention of the public to the "Important Notice" of Maj. Gen. Hancock, published in another column.

HITCHCOCK'S SUCCESSORS at Sanford's Opera House is unabated. The hall continues to be crowded every evening. This excellent troupe will remain but one week longer. We would advise all admirers of fun to go to Hitchcock's, where the motto is "We strive to please."

Mrs. MARY PIATT, died near White Deer Mills, Union county, last week, aged something over seventy years. She was a daughter of John Brady, noted in the Revolutionary annals of Northumberland county; a sister of Capt. Wm. P. Brady, now and for many years past an officer of the State Senate; niece of Gen. Hugh Brady; and a blood relation of Sam Brady, the celebrated Indian fighter.

RECRUITING OFFICERS FOR THE 14TH DISTRICT.—It will afford the military men of the 14th District much pleasure to learn that Major John A. Detweiler has been appointed recruiting officer within the limits of said district. We consider that Provost Marshal General Fry was most fortunate in this appointment, as well on account of the appointee's experience as an executive officer as for his ability as a soldier and a man. Major Detweiler, we feel certain, will leave no portion of his duty unperformed, and we congratulate him on this recognition of his merits as well as his claims.

THE CHANGE IN THE MARKET HOURS.—This morning the change in the market hours went into operation, and the scene in the market place, for the first time, was as novel as it was gratifying. Those in attendance seemed to be highly gratified with the change, and the market was one of the largest ever held at this season of the year. Indeed for as the opening morning of this change, we consider the inauguration of the market hours lately ordered by council a complete success. We conversed with many farmers, all of whom highly approved of the change; and we believe the great majority of the people, even with the limited experience of this morning, would not under any circumstances return to the old regulations.

BATTERY ARRIVED.—Battery E, Fifth U. S. Artillery, arrived here to-day, and will take part in the exercises of inauguration day.

SECOND LUTHERAN CHURCH.—There will be divine service in the lecture room of the Baptist church to-morrow morning at half past 10 o'clock.

At a special meeting of the Good Will Fire Company, held in their hall last evening, an invitation was accepted to participate in the Inaugural ceremonies of Andrew G. Curtin, on Tuesday, the 19th inst.

SALE OF LOTS.—We would call the attention of our readers to the advertisement of Sheriff Shell offering building lots for sale. The location is a pleasant one, and their proximity to the city will make them desirable homes.

ATTENTION! FIRE ZOUAVES!—A meeting of the Harrisburg Fire Zouaves (late Co. B, 127th Regt. P. V.) will be held at the Hall of the Hope Hose House, this (Saturday) evening, at 7 o'clock. Every member is expected to be present. By order, A. J. FAGER, 1st Lieut.

SPIRITUALISM.—The Spiritualists of this city having leased the room formerly occupied by the Cameron Guard, in the "Exchange Building," Walnut street, their meetings will be held there in the future. Lecture to-morrow (Sunday 17th) at 2½ and 7 P. M. Seats free.

EXCURSION TRAINS DURING THE INAUGURATION.—We understand that the Pennsylvania and the Philadelphia and Reading railroads will issue excursion tickets for the inauguration of Governor Curtin on Tuesday next. This will afford the citizens living in the localities through which these two great roads pass an opportunity to be present in the State Capital on the inauguration day.

ELECTION OF OFFICERS.—At a stated meeting of the Mount Vernon Hook and Ladder Company, held last evening, the following named gentlemen were elected officers of the Company for 1864: President, Samuel D. Ingram; Vice President, S. C. Wilson; Secretary, Wm. Lukens; Assistant Secretary, Sol. B. Kissel; Treasurer, John Killinger; Foreman, Samuel Buehler; Assistant Foreman, Wm. J. A. McKibben.

A CHILD SMOTHERED.—The Bedford Inquirer says on last Tuesday several persons of this place visited Shellsburg, among others Mrs. George Stiffler with a child about four months old. The weather was reasonably cold. The mother, like all mothers, was very anxious for her little one might suffer, and she wrapped it well. Upon arriving at Shellsburg, it was discovered to be smothered. All traces of life had disappeared. Mothers should be very careful on such occasions.

FEELING FOR THE POOR.—What a noble instinct is that which prompts the individual, when filled with the comforts of life, to feel for the sufferings of others less favored than himself! As illustrative of the virtue, a contemporary relates that the other night he came across a young man standing well braced against a lamp-post, soliloquizing thus: "What will the poor (hic) do this hard (hic) winter! Gin is (hic) ten cents a (hic) glass, and brandy (hic) fifteen cents a glass? Lord help the (hic) poor!"

THE SCARCITY OF COINS.—During the last year there were coined in the Philadelphia Mint fifty-four millions three hundred and sixty thousand cents, and still the scarcity of change is one of the greatest inconveniences as well as losses which the people now suffer. As an item of information in connection with the scarcity of change, we heard a farmer declare at market last Saturday, when told that the price of a certain article rendered it inconvenient to make change, (it being 52 cents), that he had the cents to make all the change he wanted for a long while to come, as he "gathered more than half a pack of pennies when they were plenty."—Who will wonder, after such a confession, that "pennies" are scarce?

THE ENROLLMENT BILL.—The U. S. Senate has had the enrollment bill under consideration, and amended it in various particulars. Amendments were agreed to altering the amount of commutation from \$300 to \$400; prohibiting enlisted men serving as substitutes in regiments from any other States than those in which they originally enlisted; providing that persons exempted by physical disability, whose annual incomes amount to one thousand dollars, shall pay three hundred dollars into the Internal Revenue fund, and making persons who have resided one year in the United States, and who have voted at any election, subject to the draft.

THE REWARD OF LABOR.—There never was such a demand for labor, and labor was never better paid than in this country at the present time. And this will continue if the working classes use their opportunity with moderation and judgment. If they are too exorbitant in their demands, the result will sooner or later be a paralysis in many branches of business. Every mechanic and laboring man whose services are now better paid than ever before ought to feel a new impulse to faithfulness. With some the higher the pay the more lazy and independent they become, and this is particularly the case among the more ignorant classes. But the great bulk of the intelligent working men, we believe, are disposed not only to improve their own condition, but to do justice to their employers. While they improve this millennium of labor, they will do what they can to prolong its existence.

HOW TO DISCOVER SMALL POX IN ITS EARLY STAGE.—The *Electric Journal*, in an article on small pox, admonishes physicians not to be hasty in passing an opinion that any eruptive disorder is that loathsome disease until they prove the following diagnostic symptom:—"Now we offer this secret to the profession—so soon as the eruptions appear, and by pressure with the point of the finger may distinctly be felt the small, hard substance, precisely as if a small, fine shot had been placed under the cuticle of the skin. This peculiar appearance belongs to no other eruptive disease. We have applied the term *scrota*, here; for whilst it is and has been known to a few physicians, it is not mentioned in any of the standard authorities; nor does the writer claim the credit of the discovery. After this, all works upon practice will add this unflattering diagnostic symptom."

CANTERBURY MUSIC HALL.—Walnut street below Third.—First appearance, this evening, of Miss SALLIE FLORENCE, Miss MARIOS PIEROS and HUGH O'DONNELL, in connection with Miss ANNE WOBEL, DAN HOWARD, FRANK GARDNER, JOE MILLER, J. H. DONNELL and Prof. HARRY CLAYTON.

Doors open at 6 o'clock. To commence at 8 o'clock. Admission 15 cts. Private boxes, 25 cts. JAKE BUDD, Sole Lessee.

The Rev. John E. Shansfelt, pastor of Rush Baptist Church, in Milford county, Pa., who has been driven from the Church because he loves his old flag, gives the following reasons in his farewell sermon of the emnity against him:—"I have publicly prayed for the Union—I have prayed for our rulers—I have prayed for success to our arms—I have prayed for victory to our brothers and sons—I have prayed for freedom to all the enslaved on earth—I have prayed for peace only on a basis that can be permanent: I am for the Government—the whole Government—the Government right or wrong: I love her flag—I love to see it float in the breeze—I love to talk in its behalf."

ONE HUNDRED AND TWENTY-SEVENTH REGIMENT PENNSYLVANIA VOLUNTEERS.—Having received an invitation from the committee of inauguration of Governor Andrew G. Curtin on Tuesday, January 19th, 1864, I request all the members of my late Regiment, together with other returned volunteers, to join in said inauguration.

The Captains will report the condition of their commands to me by letter or in person as soon as possible. The men will be required to have blue overcoats and caps. They will be furnished with equipments immediately before upon arrival. The field and staff are expected to report fully equipped. W. W. JENNINGS, Late Col.

MONDAY EVENING next is the time set apart for the grand Military and Citizens' Dress Ball, to be given in Brant's Hall. The managers are at work perfecting the arrangements so that everything will be complete that can add to the comfort and enjoyment of those who attend. We invite attention to the advertisement, in which will be found the list of floor managers, &c.

HAVANA CIGARS.—C. A. Bannart & Co. have now in store the best and largest assortment of imported cigars ever brought to this market, to which they invite the attention of smokers. They will be happy to show to all who may favor them with a visit the various brands, and feel confident that their stock cannot be equalled. Remember the place—drug store under Jones House. j18-1w

NEW BAKERY.—Mr. John Alcorn announces that he has opened a new bakery, on Broad street, between Second and Third streets, West Harrisburg, where he is prepared to supply bread and cakes at reasonable rates. Mr. Alcorn is an old and experienced baker, and was for a number of years superintendent of one of the largest bakeries in this city. He is now selling his bread by weight at the rate of five cents per pound. Persons in want of good bread and wish to get the worth of their money will do well to give him a call.

Bread will be supplied to customers in all parts of the city, and all persons desiring anything in his line of business can leave their orders at the bakery in Broad street, between Second and Third, or in Mr. Alcorn's box on the counter in the DAILY TELEGRAPH office. jan11-1w

TO HORSE OWNERS. DR. SWERT'S INFALLIBLE LINIMENT FOR HORSES is unrivaled by any, and in all cases of Lameness arising from Sprains, Bruises or Wrenching, its effect is magical and certain. It will also cure speedily, Spavin and Ringbone in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horses to travel with comparative ease.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable; and which render so many otherwise valuable horses nearly worthless.
