Medical.

DR. JOHNSON

BALTIMORE

LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for
DISEASES OF IMPUDENCE.
RELIEF IN SIX TO TWELVE HOURS.
NO MERCURY OR NOXIOUS DRUGS.
A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Leucorrhoea, Low Spirits, Loss of Ideas, Raptation of the Heart, Trembling, Dizziness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach, Bowels, these terrible disorders arising from the Solitary Habits of Youth—those who practice more fatal to their vitality than the song of Syrens to the Mariners of yore, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

YOUNG MEN—Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have enhanced history, benefited the world, or adorned the living page, may call with full confidence.

MARRIAGE—Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may rely with confidence in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excess, and not before aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind ensue. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

Origin, No. 7 South Frederick Street, Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and number.
Letters must be paid and contain a stamp. The Doctor's Diploma hang in his office.

DR. JOHNSON

Member of the Royal College of Surgeons, London, graduated first, one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, that afflicted some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears, when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushes, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE

These are some of the and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c., &c., &c. The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, loss of self reliance, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and not cured neither by medicine, nor by any other means, both mind and body, are rapidly decaying. Now, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons, after, before contemplating marriage.

MARRIAGE—Bodily and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPUDENCE

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illudged sense of shame or the dread of discovery deter him from applying to those who can from education and respectability, can alone benefit him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, flock his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despite leave him with ruined health to sigh over his gallied disappointment, or by the use of the deadly poison Mercury, hasten the constitutional systems of this terrible disease, such as affections of the Head, Throat, Nose, Skin, &c., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveller returns.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the Sun, Clipper, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman, of character and responsibility, is a sufficient guarantee to the afflicted.

AND DROPSICAL SWELLINGS.

This Medicine increases the power of Digestion, and excites the ABSORBENTS into healthy action, by which the WATERY or CALCAREOUS depositions, and all UNNATURAL ENLARGEMENTS are reduced, as well as pain and inflammation, and is good for MEN, WOMEN or CHILDREN.

HELMHOLD'S EXTRACT BUCHU

FOR WEAKNESSES

Arising from Excesses, Habits of Dissipation, Early Indulgence or Abuse.

ATTENDED WITH THE FOLLOWING SYMPTOMS:
Indigestion to Excess-Dryness of the Skin,
Loss of Memory,
Loss of Power,

Wakelulness,
Dizziness of Vision,
Pain in the Back,
Universal Lassitude or Flushing of the Body,

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow: IMPOTENCY, FAULTY, BILIOUS, &c., &c., in one of which the patient may expire. Who can say that they are not frequently followed by those "dreadful diseases,"
INSANITY AND CONSUMPTION.
Many are aware of the cause of their sufferings, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.
