Medical.

DR. JOHNSON

BALTIMORE

LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for
DISEASES OF IMPUDENCE.

NO MERCURY OR NOXIOUS DRUGS.
A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Langour, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—these secret and solitary practices more fatal to their victims than the song of Sirens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN
Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have outstripped listening Senses with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.
Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.
He who places himself under the care of Dr. J. may religiously confide in his honor as a Physician, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS.

Immediately Cured, and full vigor restored.
This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper Indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

Office, No. 7 South Frederick Street,
Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diploma hangs in his office.

DR. JOHNSON

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, beset with frequent bad dreams, and sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.
These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MORALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, morbid brooding, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN
Who have injured themselves by a certain practice indulged in from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured render marriage impossible, and destroy both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE.
Reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes mingled with one's own.

DISEASE OF IMPUDENCE.
When the misguided and imprudent votary of pleasure finds he has thibbled the seeds of this painful disease, it too often happens that an untimely death of shame or the dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, sicken his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, &c.

For Diseases of the

BLADDER, KIDNEYS, GRAVEL,

AND DROPSICAL SWELLINGS.

ATTENDED WITH THE FOLLOWING SYMPTOMS:

Indisposition to Exert-Dryness of the Skin,

Loss of Memory, Dimness of Power,

Difficulty of Breathing,

Weak Nerves, Trembling,

Horror of Disease, Wakefulness,

Dimness of Vision, Pain in the Back,

Unnatural Lassitude offlushing of the Body,

the Muscular System, Eruptions on the Face, Hot Hands, Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow

IMPOWERY, PALENESS, EPILEPTIC FITS,

in one of which the patient may expire. Who can say that they are not frequently followed by those "dreadful diseases,"

INSANITY AND CONSUMPTION.

Many are aware of the cause of their sufferings, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the statement.

THE CONSTITUTION, ONCE AFFECTED

WITH ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which Helmhold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES,

OLD OR YOUNG, SINGLE, MARRIED, OR

COMPLAINING OF MARRIAGE.

In many affections peculiar to females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or suppression of the customary Evacuations, Ulcerated or Schirous state of the Uterus, Leucorrhoea or Whites, Sterility, and for all complaints incident to the sex, which are attended with Indigestion, Habits of Excess, or any other cause.

HELMHOLD'S EXTRACT BUCHU

It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Stricture of the Urethra, allowing pain and inflammation, no frequency in this class of diseases, and expelling Poisonous, Diseased, and Wormed Matter. Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has by the use of "powerful" stringencies, been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

Use HELMHOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Diseases of these Organs require the aid of a Diuretic. HELMHOLD'S EXTRACT BUCHU is the Great Diuretic, and it is certain to have the desired effect in all Discharges for which it is recommended.

Helmhold's Extract SARSAPARILLA, purifies the Blood, and removes all early symptoms of Syphilis, giving to the complexion a healthy and bright glow, and being prepared expressly for this class of complaints, its Blood-Purifying Properties are preserved to a greater extent than any other preparation of SARSAPARILLA.
