HARRISBURG, PA.
Friday Evening, January 22, 1864.

TOWN AND COUNTRY.

HAVANA CIGARS.—C. A. Bannart & Co. have now in store the best and largest assortment of imported cigars ever brought to this market, to which they invite the attention of smokers. They will be happy to show to all who may favor them with a visit the various brands, and feel confident that their stock cannot be equalled. Remember the place—Drug Store under Jones House.

FOR SALE.—A boiler 13 feet 5 inches long, 24 inches in diameter, three-eighths of an inch thick, with cast iron heads, made of wrought iron—has never been used. Apply at 100 Market street, or at Jennings' foundry, corner of Short and South streets, in this city. HARRISBURG, Jan. 22, 1864.—d21

WANTED immediately, a boy who can write a good hand. None need apply unless they are willing to make themselves generally useful.

LITTLE girls believe in a man in the moon—ang ladies in a man in the honey moon.

WHAT parties occupy the most prominent positions in the army? General Lee, and Private Killed and Wounded.

LAVAYETTE COLLIER, at Easton, resumed business on Thursday last, under the charge of Rev. C. Cattell, President.

A SPECIAL MEETING of the city council will be held this evening. The question of an increase of the police force will be considered.

DEATH OF A CLERGYMAN.—Rev. Henry Steele Burke, D. D., for twelve years pastor of the Central Presbyterian Church, of Philadelphia, died on Saturday, in his forty-fifth year.

ROUSEY BURNED.—Mrs. Walker and her aged four years, were severely burned in Philadelphia, on Sunday night, Mrs. W. having left her dress while filling a chamber-pot.

RESIDENTS of the Fourth ward who are object to draft, are requested to meet at the Engine House, this evening, at 7 o'clock, of every one attend.

ON A STRIKE.—The engineers of the Pittsburg, Fort Wayne and Chicago railroad are on strike. No trains have been run for several days, and it is not known when the difficulty will be adjusted. Passengers going west are compelled to go by way of Cleveland.

ROBBER.—William Gaitther, conductor on the Rapid Top railroad, was robbed at Saxton station, a few days ago, of two express packages of money, amounting to over two hundred dollars. The theft was committed by some one who knew the ropes, and we wonder how he is with five years in the Western Penitentiary staring him in the face.

FIRE PROOF DRESS.—Scarcely a week passes but we read accounts of young ladies being burned to death, owing to their light muslin garments catching fire. It ought to be generally known that all light dresses may be made as proof as a more nominal cost by stepping them, or the linen or cotton used in making them, in a dilute solution of chloride of zinc.

THE COMBINATION DRAMATIC COMPANY which opened at Brant's Hall on Wednesday evening has been doing a brisk business. The hall was filled at each entertainment, and was crowded last night. This evening Uncle Tom's Cabin will be produced, and we may expect to see the hall filled to overflowing. The company is large, and their acting grand. Don't fail to go to-night. Uncle Tom and Little Eva will be there.

A CYNICAL fellow, who can't master the cash for a slight ride, publishes the following recipe for his sensations: "Sit in the hall in your night clothes, with both doors open so that you can get a good draft—your feet in a pair of water—drop the front door key down your back, hold an icicle in one hand and ring the sea bell with the other." He says "you can't tell the difference with your eyes shut, and it is a great deal cheaper."

MIDDLETOWN ITEMS.—The Journal says the ice houses have been filled with a superior quality of ice. Owing to the heavy rains there was a regular "smash-up" on the Swatara on Tuesday. A large quantity of timber was carried into the Swatara by the water, but the ice in the latter stream did not give way and the timber was saved.—The Bethel congregation donated money, goods, &c., to the amount of \$110, to their pastor, Rev. D. A. L. Lavery, a few days ago.

A BOON TO JOHN MORGAN ON HIS TRAVELS.—A few days ago an individual, whose name is unknown, called at the house of a respectable citizen of Madison township, Clayton county, and told the family that he was John Morgan, the rebel General, and had some five hundred men back in the hollow. That night the family was aroused by the reports of a pistol, and being terribly frightened, got up and went to a neighbor's house. In the morning search was made for John, but he was nowhere to be found nor were there any traces of his five hundred followers in the vicinity. It was subsequently discovered that a Mr. Pratt, living hard by, lost a fine horse on the night in question, and no doubt the bogus rebel was the thief.

A BIRD on the N. C. R. R., four miles below York, was shot away by a passenger on Tuesday.

THE SIXTH WARD AND THE DRAFT.—The citizens of the Sixth Ward who are subject to the draft are requested to meet at the "Sixth Ward House" tomorrow (Saturday) evening, at 7 o'clock, to devise ways and means by which the Ward may raise its quota of men, and escape the draft.

COUNTY TERMS.—A concert was given in Wilkesboro, at which \$75 were realized for the Sabbath school. It was repeated in Lykens for the Sabbath school at that place.—Charles Miller, of Lykens, has received a contract for sinking a slope in the mining regions.—The Bear Valley coal company has awarded Wm. M. Kistof and Isaac Miller, of Millersburg, the contract for continuing the tunnel in Big Lick Mountain.

U. S. REVENUE STAMPS.—There are many letter-writers who use the U. S. revenue stamps for mailing their letters. This is a mistake and should not be practiced. The revenue stamps are not postage stamps, and should not be used as such, and when thus used the letters will all be marked due. These stamps are also used as currency, in place of small change. This policy we do not think was authorized by the Government; and all who circulate them must know they are doing wrong.

THE NINE MONTHS' MEN TO BE DRAFTED.—The Senate has amended the Enrollment Act, that none but such as are in service, or who have been in the service two years, and have been honorably discharged, are exempted from the operations of the draft. This throws all those who served in the nine months' regiments into the classes liable to draft. They still have one advantage over other men, and but one, that is they get a bounty of \$402 if they enlist, while others get only \$302. No doubt many of them will "go in." Those who were drafted and served in 1862 will also be liable to draft.

COURT PROCEEDINGS.—Sheriff Jennings acknowledged a deed for all the estate, right, title and interest of Thomas Duncan, in a certain island situated in Reed township, Dauphin county, Pa. (called Duncan's Island), containing about three hundred acres, more or less, adjoining the Juniata river on the west, and the Susquehanna river on the east, thereon situated a large dwelling-house, large bank barn, with a number of other dwelling houses, barns, stables, &c. Sold as the property of Thomas Duncan, to F. K. Boss, for \$240.

GOING TO WILLIAMSPORT.—Hitchcock's excellent company, who have been playing at Sanford's Opera House, in this city, during the past two months, will proceed to Williamsport, Pa., on Monday next, and open their budget of fun there for a short season. We take pleasure in recommending this troupe to the public, wherever they may go, and assure those who love to while away an evening pleasantly, that they can at all times get the worth of their money by attending their entertainments. Mr. Hitchcock, the manager, is a perfect gentleman, and we hope he may always be greeted by crowded houses.

NEW CUMBERLAND, Pa., Jan. 20, 1864.
DEAR LADY.—Mrs. Ball, will you please pardon me for the liberty that I have taken in addressing you, a stranger. I feel myself under obligations to you for the benefit I have derived from your medicine and eye salve, having suffered for many years most excruciating pain in my head, breast and side, not being free from pain day or night. And I have been doctoring with well-qualified and practical physicians for some years, and all attempts proved a failure. I had given up all hopes of recovery and felt fully resigned to await my fate, which foretold an untimely grave. My father being a resident of Shippensburg, and living quite a distance from you, I did not get the benefit of your medicine until I had procured a wonderful cure indeed. Some few months ago I was advised by a lady friend of mine to try your medicine. She stated to me that she made use of your medicine and salve, which proved a cure. Feeling rather loth at first to try, as I had laid out money time after time, which made the expenses very heavy and all for naught. But having great confidence in my friend's integrity, I was prompted to hearken to her kind entreaty and try for myself. I then procured two dollars and a half worth of your medicine, and to my utter astonishment, in one week I felt a great change, and in two weeks was entirely free from all pain, and your eye-salve perfected a cure for which all other washes and salves proved useless. My eyes were so much inflamed that I was forced to wear glasses for some years, and now I have no occasion at all to wear the glasses, my eyes being well.—I therefore have resolved, dear lady, to let you know that I could not rest content until I would return my heartfelt congratulations to you, my friend and benefactress, for the good you have accomplished, feeling myself a new creature entirely.

You are a perfect liberty to publish this if you feel so inclined. I close by requesting you to accept of my most grateful thanks, and to be so good as to let me hear from you from time to time, as I should be glad to hear of your success in performing the wonderful cures.

Yours with respect,
MARY E. BROWN.

A CARD.
To Merchants, Bond Keepers, and Business Men Generally.
Mr. Sanford having been solicited by a few friends to introduce in Harrisburg a grand Advertising Circular, similar to those in New York Theatre—is now prepared to receive subscriptions.—A plan of the Circular, may be seen at the Daily Telegraph office, and all information can be obtained of Mr. W. D. C. S. S. Parties having their business displayed upon the Circular, bring their advertisements before the most prominent portion of the public, and at the same time receive the benefit of a free distribution of thousands of programmes, whereon their places of business will be conspicuously displayed. None but the names of subscribers will be introduced to the public, and they will attain a popularity that enterprises business men only desire.

Immediate application is necessary for the season of the Opera House will open on Monday evening, January 25th.

COURT PROCEEDINGS.—The case of the Reading Railroad Company vs. F. P. Hill, was continued to-day, consequently there are no proceedings to report. The Judge was to deliver his charge in the above case this afternoon.

There must be a set of very patriotic young men in Milton. Although not serving their Uncle Samuel, they perform guard duty every Sunday evening. The *Milsonian* says "they stand in rows on both sides of the pavements leading from the churches, sometimes the length of a half square. They take their position and watch as if performing guard duty, and are no doubt, as some religious papers term them, the Devil's pickets!"

If you wish to impart vigor and clearness to the voice, relieve hoarseness and bronchial affection, get at once a box of Bannart's Bronchial Troches, the only effectual remedy in the market. For sale by the box, dozen or gross at C. A. Bannart & Co.'s Drug Store, No. 2 Jones Row, Harrisburg, Pa.

This celebrated crystal spectacles properly adjusted to the eye; microscopes from 100 to 700 diameter; tower telescopes, field glasses, defining an object from one to ten miles, and all kinds of optical, mathematical and philosophical instruments at Rosendale's Optical Institute, 8 Market Square. Artificial eyes inserted. Send for a circular! Jan 8dtf

SAN NEWS.—The Shippensburg News of Saturday last, contains the following melancholy intelligence: "We regret to say that on the night of the 6th inst., a part of the rebel 'Black Horse Cavalry' made a dash upon a detachment of about fifty men of the 3d Pennsylvania Cavalry, who were on picket duty. After capturing the advance pickets, they dashed suddenly upon the reserve, wounding and capturing almost their entire number."

Among the wounded of Company H, are Amos Trone, Wm. D. Coughan and Josiah Gamble, all of Shippensburg. Mr. Trone is wounded in both legs and has since had the left one amputated about four inches above the knee. W. D. Coughan was also wounded in the left leg, below the knee, which has also been amputated. Josiah H. Gamble was also seriously wounded. A number of others whose names we have not heard have been wounded. All are doing "as well as could be expected."

Fifth Ward Meeting.
HARRISBURG, Jan. 21, 1864.
A meeting of the citizens of the Fifth ward, city of Harrisburg, was held at the Fifth Ward House, and organized by calling Mr. Levi Weaver to the chair, and appointing Mr. Albert J. Eger, Secretary.

The chairman stated that the object for which the meeting was held, was to take some action in regard to when, on Monday, a committee of four citizens was appointed to canvass the ward—the committee to consist of Mr. Joseph Bowman and Mr. Chambers Dubbe on the south side of Ridge Road, and Mr. Samuel W. Myers and Mr. George Moore on the north side.

The meeting, after some further business, adjourned to meet again at the same place on Saturday evening, at 7 o'clock.

All citizens of the Fifth ward will please attend.
A. J. FAGER, Secretary.

USEFUL AND VALUABLE DISCOVERY!
HILTON'S
INSOLUBLE CEMENT!
Is of more general practical utility than any invention now before the public. It has been thoroughly tested during the last two years by practical men, and pronounced good by all to be SUPERIOR TO ANY Adhesive Preparation known.

Hilton's Insoluble Cement is a new thing, and the result of years of study; its combination is on Scientific Principles, and under no circumstances or change of temperature, will it become corrupt or emit any offensive smell.

BOOT & SHOE Manufacturers, using Machine, will find it the best article known as Cementing for the Channels, it works without delay, is not affected by any change of temperature.

JEWELERS Will find it sufficiently adhesive for their use, as has been proved.

It is especially adapted to Leather, and we claim as an especial merit that it sticks to Patches and Linings to Boots and Shoes sufficiently strong without stitching.

It is the only LIQUID CEMENT Extant, that is a sure thing for mending Furniture, Crockery, Toys, Bone, Ivory, and articles of Household use.

REMEMBER
Hilton's Insoluble Cement is in a liquid form and is easily applied as paste. Hilton's Insoluble Cement is insoluble in water or oil. Hilton's Insoluble Cement Adheres only substances.
