#### DISEASES OF IMPRUDENCE.

NAME IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS.

A Cure Warranted, or No Charge, is from One to

Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder. Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Laziness, Low Spirits, Confusion of Ideas, Palpitations, Dizziness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Sirens to the mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

### YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps off an innumerable thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entered into listening Senates with the thunder of eloquence or waked with ecstasy the living lyre, may call with full confidence.

### MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organ debility, deformities, &c., rapidly cured.

He who places himself under the care of Dr. J. M. CREAMER will be relieved of the

distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence.

Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation does not reside in those falling into improper habits? he who is prone to deprive himself of the pleasure of health, by exposing the most serious and destructive symptoms to both body and mind arises.

### THE CONSTITUTION, ONCE AFFECTIONED WITH ORGANIC WEAKNESS.

Requires the aid of medicine to strengthen and invigorate the system, which Helmholz's Extract BUCHU invariably does. A trial will convince the most skeptical.

In many affections peculiar to females the Extract BUCHU is unequalled by any other remedy, as in Chlorosis or Retention, Irritability, Painfulness, or suppression of the curative Excretions. ### HEMBOLD'S EXTRACT BUCHU.

Cures Secret Diseases in all their stages; at little expense; little or no change in diet; no inconvenience and no exposure. It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Putridous, Diseased, and Wormy Matter. Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" by its use of "powerful Astringents" been dried up in the system, to break out in an aggravated form, and perhaps after marriage.
