Medical.

DR. JOHNSON
BALTIMORE
LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for
DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS.
A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible,

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

OFFICE, No. 7 SOUTH FREDERICK STREET,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage: the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or the dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc. progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveller returns.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the *Sun, Clipper*, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentlemen of character and responsibility, is a sufficient guarantee to the afflicted.

The Great "American Remedies,"

KNOWN AS "HELMBOLD'S"
GENUINE PREPARATIONS, VIZ:
HELMBOLD EXTRACT "BUCHU,"
" " SARSAPARILLA,
" IMPROVEED ROSE WASH.
HELMBOLD'S
GENUINE PREPARATIONS.
"HIGHLY CONCENTRATED"
COMPOUND
FLUID, EXTRACT BUCHU,
A POSITIVE AND SPECIFIC REMEDY
For Diseases of the
BLADDER, KIDNEYS, GRAVEL,
AND DROPSICAL SWELLINGS.

This Medicine increases the power of Digestion, and excites the ABSORBENTS into healthy action, by which the WATERY or CALCEROUS depositions, and all UNNATURAL ENLARGEMENTS are reduced, as well as pain and inflammation, and is good for MEN, WOMEN or CHILDREN.

HEMBOLD'S EXTRACT BUCHU
FOR WEAKNESSES
Arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse.

ATTENDED WITH THE FOLLOWING SYMPTOMS:

Indisposition to Exer-tion,	Loss of Power,
Loss of Memory,	Difficulty of Breathing,
Weak Nerves,	Trembling,
Horror of Disease,	Wakefulness,
Dimness of Vision,	Pain in the Back,
Universal Lassitude of the Muscular System,	Flushing of the Body, Eruptions on the Face,
Hot Hands,	Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow *IMPOTENCY, FATUITY, EPILEPTIC FITS,* In one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION.

Many are aware of the cause of their sufferings, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION, ONCE AFFECTED WITH ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES,
OLD, OR YOUNG, SINGLE, MARRIED, OR CONTEMPLATING MARRIAGE,

In many affections peculiar to females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or suppression of the customary Evacuations, Ulcerated or Schirrous state of the Uterus, Leucorrhea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation or in the

DECLINE OR CHANGE OF LIFE.

NO FAMILY SHOULD BE WITHOUT IT.

Take no Balsam, Mercury, or Unpleasant Medicine for Unpleasant and Dangerous Diseases.

HEMBOLD'S EXTRACT BUCHU,

Cures Secret Diseases in all their stages; at little expense; little or no change in diet; no inconvenience and no exposure. It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Poisonous, Diseased, and Wornout Matter. Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has by the use of "powerful Astringents," been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

Use HELMBOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Diseases of these Organs require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the Great Diuretic, and it is certain to have the desired effect in all Diseases for which it is recommended.

Blood—Blood—Blood. Helmbold's Highly Concentrated Compound FLUID EXTRACT SARSAPARILLA SYPHILIS. This is an affection of the Blood, and attacks the Sexual Organs, Linings of the Nose, Ears, Throat, Windpipe, and other Mucus Surfaces, making its appearance in the form of Ulcers. Helmbold's Extract Sarsaparilla, purifies the Blood, and removes all Scaly Eruptions of the Skin, giving to the Complexion a Clear and Healthy Color. It being prepared expressly for this class of complaints, its Blood-Purifying Properties are preserved to a greater extent than any other preparation of Sarsaparilla.

HELMBOLD'S ROSE WASH.

An excellent Lotion for diseases of a Syphilitic Nature, and as an injection in diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. CERTIFICATES OF CURES from eight to twenty years standing, with names known to Science and Fame. For Medical Properties of Buchu, see Dispensary of the United States. See Professor DEWEE'S valuable works on the Practice of Physic. See remarks made by the late celebrated Dr. PHYSICK, Philadelphia. See remarks made by Dr. EPHRAIM McDOWELL, a celebrated Physician and member of the Royal College of Surgeons, Ireland, and published in the Transactions of the Kings and Queen's Journal. See Medico-Cirurgical Review, published by BENJ. TRAVERS, Fellow of the Royal College of Surgeons, the most of the late standard works on Medicine. Extract of Buchu $1 00 per bottle, or six for $500. Extract of Sarsaparilla, $1 00 per bottle, or six for $5 00. Improved Rose Wash, 50 cents per bottle, or six for $2 50, or half a dozen each for $12 00, which will be sufficient to cure the most obstinate cases, if directions are adhered to. Delivered to any address, securely packed from observation. Describe symptoms in all communications. Cures guaranteed. Advice gratis.

LATER FROM EUROPE.

ARRIVAL OF THE STEAMER ÆTNA.

NEW YORK, Jan. 24.

The steamer Ætna arrived this morning with Liverpool dates to the 6th inst., via. Queenstown on the 7th.

The Canada arrived at Liverpool on the 5th, and the City of Cork arrived at Queenstown on the same day.

The Louisiana left Liverpool on the 5th for New York.

The English news, by this arrival, is unimportant.

The French corps legislatif have introduced several amendments to the address of the Emperor expressing greater sympathy with Poland and declaring it expedient to recognize the Poles as belligerents.

The report of the committee on supplementary credits, asked for by the Government, warns the Executive against dangerous entanglements, and unanimously advises that an end be put to the Mexican expedition as soon as the interest and honor of France will permit.

The committee close their report by proposing the adoption of the supplementary credit bill.

The King of Denmark has issued a spirited and warlike address to his army, calling on them to uphold the honor of their country by force it necessary.

A Copenhagen telegram says that about 1400 men of the reserve have been called out. The report that an English and French fleet was soon to visit Copenhagen is contradicted, but the fact that the English Channel fleet has been recalled home, lends color to the statement.

The German troops in the Palitinate show continued activity. The official general correspondence of Vienna cautices the minor German States against precipitate action against Denmark, and warns them against carrying out any attack. It is reported that the excitement is increasing throughout Germany. In Vienna there is a general belief that war will ensue in the spring.

The report that the new King of Greece had left Athens in despair of regulating the confusion there existing, is not not confirmed.
