MEDICAL. DR. JOHNSON, BALTIMORE

LOCK HOSPITAL, HAS discovered the most certain, speedy and effectual remedies in the world for DISEASES OF IMPRUDENCE. RELIEF IN SIX TO TWELVE HOURS. NO MERCURY OR NOXIOUS DRUGS.

A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, Gonorrhoea, Gleet, Stricture, Hemorrhoids, Prolapsus of the Rectum, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Spleen or Bowels - those terrible disorders arising from the Solitary Habits of Youth - those secret and solitary practices more fatal to their victims than the sting of Scorpions or the Barrenness of Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have enriched the Kingdom with the thunders of eloquence or walked to glory the living lyre, may call with full confidence.

Married persons, or Young Men contemplating marriage, being victims of physical weakness, organic debility, deformities, &c., specially cured.

Who place himself under the care of Dr. J., may rely on his skill as a Physician.

ORGANIC WEAKNESS. Immediately cured, and full vigor restored.

These diseases, which restore life miserable and make impossible the generally paid by the victims of improper indulgence.

Young persons are too apt to commit excesses from not being aware of the consequences that may ensue.

Who understand the subject will perceive that the power of progression is lost sooner by these faults, into improper excesses, than is generally supposed.

Besides being deprived of the pleasures of healthily discharging the most serious and destructive symptoms to both body and mind arise.

The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constipation, a swelling of the throat, cough, consumption, decay and death.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Who place himself under the care of Dr. J., may rely on his skill as a Physician.

OFFICE No. 7, SOUTH FREDERICK STREET.

DR. JOHNSON. Member of the Royal College of Surgeons, London, graduate of the most eminent medical schools in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia, and elsewhere, he effected the most astonishing cures that were ever known.

These are some of the said and melancholy victims produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

Mentally - The fearful effects on the mind are such to be dreaded - loss of memory, confusion of ideas, depression of spirits, evil forebodings, nervous irritability, loss of self control, low spirits, timidity, &c., are signs of the evils produced.

Who have injured themselves by a certain practice in early life, and have a habit frequently inherited from one's companions, or at school, the effects of which are slightly felt, even when asleep, and if not cured render the system irremediably diseased, both body and mind, should be cured immediately.
