MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

Is the Vital Principle of the Pine Tree, OBTAINED BY A PECULIAR PROCESS IN THE DISTILLATION OF THE TAR, BY WHICH ITS HIGHEST MEDICAL PROPERTIES ARE RETAINED.

It is the medicine that cures what all others have failed.

Have you a Cough? Have you Sore Throat? Have you any of the preliminary symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this time and fatality of disease which sweeps the grave at least one-third of Deaths victims.

It is usually begun with a short dry cough, which soon becomes habitual, but for some time nothing is taken except a Frigid mixture. The breathing is somewhat difficult, and upon slight exertion much hurried. A sense of tightness and oppression at the chest is often felt. As the disease advances the patient becomes thin in flesh, is affected with loss of appetite, great languor, indigestion and dejection of spirits; and may continue in this state for a considerable length of time, that it is very readily affected by slight exposure or fatigue. If these occur, the cough becomes more troublesome, and is attended with expectation, which is most copious and free very early in the morning. It is sometimes streaked with blood. At this stage night-sweats usually set in, and in some cases a profuse bleeding of the lungs may also occur. Pain in some part of the chest is felt, and often a difficulty in lying upon one or the other side, without severe fits of coughing or a sense of fullness or subjection, is experienced. The pulse becomes full, hard and frequent, the heat of the hands is the best of the check, and the mucus is fast becoming to it.

You now ask "Is there a cure?" Consumption has been cured by the use of my Tar Cordial, even in apparently hopeless cases. This assertion I make with the ability to present the most complete evidence of the truth. Space will not admit of my setting before you the contents of the many thousands of testimonials to its value, which I have won and am receiving from men and women of unquestionable worth and reputation. I have had a number of medical certificates printed in circulation which will send you free on application. Whether you now determine to try the medicine or not, send for the circular. After years of study and experiment, I offer this medicine, believing it to be the best remedy for all pulmonary and bronchial diseases. If you cannot be benefited by the use of the Tar Cordial, I better curative agents, I earnestly advise their use. The best remedies, the best care, are needed by those afflicted with this disease. Because I believe this to be the best, I ask you to try it.

Many, not only of the people, but physicians of every school and practice, are daily asking, "What is the principle or cause of your success in the treatment of the Pulmonary Consumption?" My answer is this: The integration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which accretes before. While this is effected by the powerful alterative contained in this Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving, softening, and inducing the formation of a healthy lining. Let this twofold power, the healing and strengthening, continue to act in conjunction with Nature's constant, generous tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

The Pine Tree Tar Cordial will cure Coughs, Sore Throat and Hoarse, Bronchitis, Catarrh, Hooping Cough, Whooping Cough, Diphtheria, and is also an excellent remedy for diseases of the kidneys and female complaint.

MEDICAL.

FRANCIS PERIODICAL DROPS,

DR. JOHN L. LYON'S FRENCH PERIODICAL DROPS,
 THE GREAT FEMALE REGULATOR,

Are the only known remedy that will successfully and invariably restore and regulate the female system, removing all irregularities, and producing health, vigor and strength.

LYON'S PERIODICAL DROPS
 Are a fluid preparation, the only true one of the kind ever discovered in this country, and acts directly on the parts affected, while all other remedies only reach them as they work through sympathy, but not at all direct and positive.

Are a return from a robust health for the regular use of nature's prescribed laws?

Give yourself no uneasiness; for Lyon's Periodical Drops, if taken a day or two before the expected period, will point out and invariably regulate its coming, as sure as effect follows cause, as certain as daylight follows darkness.

Are you sick, enfeebled by disease, or unable to bear the labor and fatigue of increase?

LYON'S PERIODICAL DROPS
 Come to you as a blessing, for a mild prevention better than cure?

Regularly taken, it is a certain preventive, and will save you much peril and many hours of suffering.

Have you been afflicted for many years with complaints incident to the sex, that have baffled the skill of physicians, and are hurrying you on to an early grave?

FARMERS AND GRAZIEERS.
 Those of you who have not given our HORSE AND CATTLE POWDERS a trial know not their superiority, and the advantage they are in keeping Horses and Cattle healthy and in a good condition.

Thousands can testify to the profit they have derived from the use of our Cattle Powders, by the increased quantity and quality of milk, besides improving the general health and appearance of their cattle.

Our long experience in the business gives us the advantage of a thorough knowledge of the trade, and our arrangements in the cities are such that we can, in a very short time, furnish anything appertaining to our business, on the best of terms.

Thankful for the liberal patronage bestowed on our houses, we hope by strict attention to business, a careful selection of

PURE DRUGS
 at fair prices, and the desire to please all, to merit a continuance of the favor of a discriminating public.
