MEDICAL. DR. WISHART'S PINE TREE TAR CORDIAL.

Is the Vital Principle of the Pine Tree, OBTAINED by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

A GREAT REMEDY FOR CONSUMPTION. I am constantly receiving such certificates as the following: Dear Sir:—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovery.

Mr. WISHART'S:—I had the Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health.

Mr. WISHART:—I return you my grateful thanks for the discovery you have made in making a medicine that will cure inflammation of the Lungs and Liver Complaint. With me I commenced to use your Pine Tree Tar Cordial I was, to all appearances, near my grave. I had been for a length of time spitting blood, and would at times vomit it.
