A SUBSTITUTE BROKER COMPELLED TO RE-FUND. - An interesting case was tried a few days since, in our court, connected with the first draft in this county, and the participator was compelled to refund the ill gotten funds. It appears that Daniel E. Wilt represented to Daniel Shoop, a drafted man, that he would obtain a substitute for him, and on this representation Shoop paid him \$325; but after operating for a week or ten days, Wilf told Shoop that he could not obtain a substitute, but that he would have him exempted by the surgeons at Camp Curtin-and it seems that by some means or other two Surgeons, named Hays and Pollock, gave Shoop something like an exemption paper, and Shoop was permitted to escape service. Pollock was afterwards arrested on the charge of dishonest practices in that capacity, but was permitted to escape punishment. Shoop brought suit against Wilt for the recovery of the amount (\$325) paid to him, alleging that he had not furnished the substitute as agreed upon, and admitting that he was illegally exempted by the surgeons. The court held that Wilt had not fulfilled his part of the contract, and the jury returned a verdict in favor of the plaintiff for the sum of \$325 claimed. A suit of a similar nature against Wilt is still on the docket, but his attorney alleging that the one tried would decide the other, it was postponed, and we presume it will be settled.

We hope that all persons who were thus imposed upon will institute similar suits, and compel every substitute broker to disgorge. Men who will operate upon the ignorant and timid in this manner should certainly be compelled to refund every cent received, to its original owner, and receive a proper punishment. The Government has in this manner been defrauded of enough soldiers to have ended the war, and we hope the strong arm clear, it don't look like, even-handed justice. of the law will reach the guilty.

SANFORD'S HALL .--- The Ticket of Leave was performed by Sanford's Minstrels, to the satisfaction of a crowded house. Sanford's Troupe exhibit great talent in the dramatic line-more especially Sanford. His personation of Bob Brier was true to life, and very affecting. The entire strength of the Company appears in the Ticket-of-Leave Man, all having very good parts; but the principal features are Bob Brier, Hawkshaw, Dalton, Mose and Mary Edwards. The usual minstrel performance is given, and the greatest amount of acts are done up in the shortest time, as no intermission is given throughout the entire performance. We see Mr. F. W. Haas, the Pianist, has been added to the orchestra of Sanford's Troupe, thus giving the best music ever heard here.

A SENSATION-RUMOBED MURDER, &C.-Quite a sensation was produced in our city yesterday, by a rumor that a soldier who had received his bounty money, had been murdered, and his body thrown into the reservoir, from which our citizens receive their supply of water. The facts of the case are about as follows: On Wednesday night about twelve o'clock, as two of the workmen employed in the rolling mill were going to work, and when in the vicinity of the reservoir, they saw two or more men proceed to the basin and throw over the fence, into the water, what they supposed to be the body of a man or woman. Last night the workmen, who are named Demoss and Smith, appeared before Alderman Kline, when Demoss made a statement on oath to the above effect, and naming the precise point at which the object was thrown over the fence. This afternoon the water is being drawn from the reservoir, with a view of instituting a search to discover the body, if any is there. We will give further particulars hereafter, if any light is thrown on the subject.

SENTENCED.-F. P. Hill, late a Conductor on the route between New York and Pittsburg, who was tried and convicted at Harrisburg, a short time ago, of having embezzled the funds of the Reading Railroad Company, has been sentenced to pay a fine of one hundred dollars to the Commonwealth, the costs of prosecution, and to undergo an imprisonment of one year in the Eastern Penitentiary. of our eminent clergymen:

HARRISBURG, Feb. 8th. 1864. C. A. BANNYART-Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in

time of need, most effectually. Yours truly, T. H. ROBINSON, Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

HARRISBURG, Jan., 1864. To C. A. BANNVART-Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c., JNO. WALKER JACKSON. Pastor of the Locust St. Methodist Church.

To C. A. BANNVART-Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. LUXURY AND ECONOMY. ELEGANCE AND DURABILITY THE PATENT DOUBLE TUBE PIPE. THE PATENT DOUBLE TUBE PIPE. THE Story popular Pipe has now been in-troduced into this community. Its peculiar merit consists in the use of two tubes, one for the smoke alone, and the other for the passage of the sitiva and nicotine to the cup at the bodiom whence it is discharged. The smoke being thus kept clear of contact with saliva is always delicious and pure in its odor, and the collected matter which ren-ders all other Pipes offensive being entirely removed, the Pipe will always continue sweet and agreeable. In the cities of Baltimore and Washington where thousands have tested its merits, amongst the Editorial notices are the following:

following: *The Baltimore American says*.—This Pipe has many of the qualities of the costly Turkish "chibouk," giving to the smoker the pure exhalation of the tobacco, free from

its noxious nicotine. The Daily Gazete says:—Its economy and the greater usury it imparts while smoking, recommend it favorably o all lovers of the weed. The Daily Chipper says:—It possesses merits never be-fore obtained in Pipes. There is no doubt but that in a short time it will be the only Pipe used. For sale by the dealers generally in this city, and whole-sale at liberal rates, by "The Tobacco Pipe Company," at their manufactory, No. 1 Grauby street, opposite Pratt Street Bridge, Baltimore, Md. #99. P. S.-The attention of Sutiers and others is called to this Pipe, now so popular throughout the army. feb20-diw
