TOWN AND COUNTRY.

GENUINE Saratoga Water just received this morning, at Keller's Drug and Fancy Store,. No. 91, Market street.

RESIGNATION.-Rev. Dr. Schmucker, for over thirty years a professor of the Theological Seminary at Gettysburg, Fa., has announced his intention to resign his position in August next.

CIDARS! CIGARS!-Just received from New York, a fine lot of a new brand of cigars. which will be sold at low prices to suit purchasers. Give as a call. Kunkel & Brother. No. 118 Market street, Harrisburg. mar2-3t*

A New County.-An application for the nesta, out of parts of Venango, Clarion and ance. Warren, will be presented to the Legislature at its present session.

KILLED. -The Perry County Freeman of today says: "We learn that Joseph Mitchell, a brakesman on the freight train, was instantly killed by the train this side of Harrisburg, on Monday. He was a young man much respecied. We have no particulars."

As old bachelor, a country fellow, not liking the way his landlady's daughter had of appropriating his hair oil, filled his bottle with glue the day before the ball to which the girl was invited, and she staid at home in consequence. It was a fiendish revenge.

ALL GOOD TEMPLARS in this city, including these temporarily sojourning here, are infor the "good of the order," on the fourth story of Wyeth's building, next to the court house, Market street, entrance on the alley. A degree meeting will also be held.

THE NEW LEGAL TENDER NOTES .- The Secretary of the Treasury, in reply to a letter of inquiry from James O'Conner, Esq., under date of the 26th ult., states that "the five per cent. Treasury Notes are a legal tender for their face value, only excluding interest. As these notes are coming into general circulation, the above information will be of interest to our readers.

WHEN THE THROAT AND LIUNGS are overloaded with phlegm, or mucous, how can you expect to be free from cough or difficulty in breathing? Therefore immediately apply to that most potent remedy for all pulmonary disease, Kunkel & Bro.'s PECTORAL CORDIAL, and you will find the most beneficial results from its use. Prepared only by Dr. Kunkel & Bro., No. 118 Market street, Harrisburg. mar2-3t*

Mr. Isa c Neff, a short distance above Peters- name of the Photographic Union, against burg, Hun tingdon county, was destroyed by fire on Tuesday afternoon last. Four horses, a large quantity of grain, hay, etc., in the barn at the time, were consumed. The barn was situated near the railroad and it is supposed that it was fired by sparks from a locomotive.

THE ELIZABETHTOWN PHENOMENON.—The alleged appearance of a rose and bud in the mouth of a young girl who recently died at Elizabethtown, having caused considerable excitement and discussion, we are informed that the body is to be exhumed and an examination made of the facts under the direction of a medical gentleman. Those who believe in the story have taken the right plan now to settle the question. The only wonder is that such an investigation was not made before the body was interred.

SUPERINTENDENT OF PUBLIC GROUNDS. -The Tory Organ of this morning seems to be considerably exorcised about the appointment of keeper of public grounds, and among the candidates mentions ex-Sheriff Hoffman. We are authorized by Sheriff Hoffman to state that he is not a candidate for any position; that he has purchased the Franklin House, in Walnut street, where he will keep a first-class hotel, after the first of April next, and that he will be rlad to accommodate his numerous friends in that establishment. The Sheriff knows how tokeep a hotel, and we predict a crowded house and more prosperity than any paltry office could afford him.

AN IMPORTANT RAILROAD ENTERPRISE.-A bill is before the Pennsylvania Legislature to incorporate the New York, Washington and Pittsburg railroad. The proposed road leaves the New Jersey Central Road at Somerville, thence to Newhope on the river Delaware, and next to Doylestown, where it connects with the Doylestown branch of the North Pennsylvania railroad (11 miles in length,) which it is proposed to use to Lansdale; thence from Lansdale to Norristown, and from thence over the Chester Valley railroad (using the track of that road 21 miles) to Downingtown, from thence over the Pennsylvania railroad to Pittsburg, with power to construct a branch from Downingtown to Glenrock on the Northern Central railroad, and thus reach Baltimore and Washington. The names of the corporators show that they are principally New Yorkers and Baltimore-Bridges are to be constructed at Newhope, over the Delaware; also over the Schuylat Norristown, to reach the Chester Valley

CONSTITUTION WATER! CONSTITUTION WA-TER!-A safe, sure and reliable remedy for diseases of the kidneys, bladder, female irregularities, urinary organs, diabetes and diseases of the stomach and liver. Sole agents of the city, Kunkel & Bro., No. 118 Market street, mar2-3t*Harrisburg.

ATTENTION, MILITARY MEN!-Capt. G. B. Hammer, late of the Twelfth Pennsylvania Cavalry, has opened an office in the room formerly occupied by C. M. Shell, Esq., on Market street, near Third, where he is prepared to make out Enlistment Papers, &c., on short notice and at reasonable rates, For further ma2-d4tparticulars apply at the office.

BEAR'S OIL! BEAR'S OIL!-Persons wishing to purchase a good quality of Bear's Oil will do well by giving Kunkel & Bro. a call, as they keep a large assortment of the finest Bear Oils ever offered to the public, and they will guarantee it to prove satisfactory. Kunkel & Bro., No. 118 Market street, Harrisburg. mar2-3t*

----HOMICIDE IN LAWRENCE COUNTY .- A man named Thomas Dunn died a few days ago in Newcastle, from injuries received a short time before at the hands of his wife. The deceased, it appears, went home intoxicated, and his wife. Mary Dunn, being in the same condition, fell on him with a club, and beat him severely on the right side and arm. Erysipelas of a malignant character took place in the bruised side and arm, causing his death in a few days. An inquest was held, and the jury rendered a verdict that he came to his leath by erysipelas, induced by blows inflicted by his wife, Mary Dunn, and a poisoned state erection of a new county, to be called Tio- of the system from his habits of intemper-

> ACCIDENTAL DEATH .- On Friday evening of last week, a man by the name of Snyder, reported to be of Crawford county, in a state of intoxication, applied at the saloon of Jacob Lush, in Lock Haven, Pa., for a drink. He was refused and ordered to leave the house. in doing which he fell through a large pane of glass in a show window, and a point of the glass passed through his clothes and entered his body just under the arm, severing an artery, from which he bled to death in a very few minutes. A coroner's jury was immediately summoned, and a verdict rendered in accordance with the facts above stated. . .

THE HIDDEN HAND drew a large audience to Brant's upper hall, last night. This celevited to be present at a meeting to be held brated play was rendered in the best possible manner and was received with great enthusiasm. Every part was so well sustained, and gave such entire satisfaction as to render it unnecessary for us to add anything new in praise of it.

> To-night will be repeated for the last time this season, that intensely interesting and thrilling drama, by Dion Bourcicault, entitled The Colleen Bawn. This splendid piece has become immensely popular here, and always causes the hall to be thronged to overflowing. The scenery is magnificent. "The Cruisikeen Lawn," will be sung by Messrs. Rouse and Kent, and Miss Josephine Tyson. Miss Fanny Denham will sing several fine songs. There is a splendid cast of characters. Mr. Rouse's Miles Na Coppeleen and Mr. Jenning's Danny Mann are unrivalled, while Miss Tyson as Eily O'Conner, and Miss Denham as Annie Chester are admirable. Don't fail to witness this last represention of The Colleen Bawn.

A VILLATNOUS SCHEME. - An organization BA UN BURNED-Heavy Loss.—The barn of has just been started in New York, under the which we take the earliest opportunity of cautioning our readers. The "Union" distributes circulars to unprincipled young men in different parts of the country, requesting them to collect and send to the "Photographic Union," photographs of young women, with particulars concerning their residence, pecuniary circumstances, disposition, habits and other matters of interest, and by way of inducing responses, prizes from \$20 in cash to a "set of jewelry" are offered to those who shall send in the largest number of "photographs and biographical notices." The proprietor of the "Union" proposes, after having got together a large number of portraits, to exhibit them in a "private gallery," and to allow young men to examine them for a "consideration," and also to study the "biographical sketches" with a view to select a partner or a victim. The latter idea, of course, is not published in the circular, but the slightest thought will show that not one in a thousand men would visit such a gallery with any commendable motive. We warn our readers against paying any attention to those circulars. They are designed for an evil purpose, and no person having the slightest regard for himself should have anything to do with them or their originators.

> SANFORD'S OPERA HOUSE.—We still continue to record full houses at this very popular institution, devoted to minstrelsy. The entertainments, as given at present, are so much superior to any yet produced, that the great success Sanford is meeting with cannot be wondered at. The dramatic efforts of Sarford's Troupe are comparable to many of the legitimate actors. Although Sanford's vocalists do not aspire to the range of drama, they have shown, in fact proved, themselves capable of sustaining that role if necessary. Tonight an opportunity is given to witness a very laughable burlesque on the American Cousin, which had such a run in New York. Sanford has made a very neat burlesque, in keeping with the original play-he sustaining the hero, and illustrating to his English relatives that America is a great institution, (see play-scene London,) and he is determined to make himself at home, if he is away from Yankee land, as they term it. In connection with this, the troupe appear, as usual, in their minstrel scene, producing all the exciting songs of the day, followed with an olla podrida of varieties, of dances and local acenes; concluding with the famous American Cousin, which will be the after-piece every evening during this week.

THE PLACE to find prime cigars at moderate rates, is at Keller's drug and fancy goods store, No. 91 Market street? Try them!

CATAWBA GRAPES. - Mr. John Wise has just received another supply of the celebrated Catawba grapes. They are as sweet as when taken off the vine. Call and examine them at his store on Third street, near Walnut.

Something New!-A new brand of prime cigars have been introduced here. They have THE LAST TIME THIS SEASON! been manufactured expressly and exclusively for C. A. Bannvart & Co., and bear the name of the fighting hero, Gen. U S. Grant. These cigars are of the very best quality, possess a fine flavor, and are in great demand.-Messrs. Bannvart & Co. have the sole right to sell these cigars to dealers and others, and those desiring to purchase will have to call on them. Each box contains a fine portrait of Gen. Grant, the copyright of which has been secured to the above firm. The General Grant cigars are bound to an immense sale, as they are unexcelled.

To THE LADIES AND GENTLEMEN. - We invite the special attention of ladies and gen-tlemen to the following new dry goods, which have just arrived from New York city: Rich lustre, plain black dress silks, plain and rep mourning black dress silks, plain, colored and figured dress silks, chameleon poplins, satinstriped and figured poplins, embroidered poplins, leather and mole colored wool de-laines and French lustres, with an endless variety of shawls, cloaks, gloves, handkerchiefs, spring balmorals and Quaker hoop skirts. To gentlemen we say that our stock of cloths, cassimeres and vestings cannot be excelled. C. L. Bowman, dealer in Dry Goods, No. 1. corner of Front and Market streets. Harris

BANNVART'S BRONCHIAL TROCHES, For the cure of Hoarseness, Throat Dis-

eases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa-, to whom all orders should be addressed. cold by druggist every where.

Read the following testimonials from some of our eminent elergymen:

HARRISBURG, Feb. 8th, 1864.
C. A. BANNVART—Dear Sir. I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hourseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in

time of need, most effectually. Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

Lagree with Mr. Robinson as to the value of Bannvart's Bronchial Troches.

W. C. CATTELL, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864. To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON.

Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing.
Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE,

Harrisburg, Feb. 29, 1864. \
To C. A. Barnvart—Dear Sir: — I have found your Troches to be invaluable in relieving hoarseness and in strengthening the nuscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers.
