THE SPRING ELECTIONS .- The Spring elections will take place on Friday the 18th of March. To many this may appear like an unimportant event, while in fact it is that which mosts directly interests them. The actions of borough and township officers come more directly to the voter and oppress or benefit him more immediately than do the acts of members of Congress or the Legislature; consequently, the selection of good, competent officers is as much desired at the Spring as at the Fall election. Those who pay no attention to the selection of borough or township officers, or do not attend the elections, have no right to complain if the officers do not 'agt to their pleasure. The good of the community depends, to a certain extent, upon the actions of its immediate home rulers; therefore, they should be selected with due care

Particular care should be taken in each district to commence the great Presidential campaign of 1864 aright by carrying the Spring elections.

U. S. SANITARY COMMISSION, PHILADELPHIA AGENCY. No. 1307 CHESTNUT STREET,

February 24th, 1864. Mrs. P. A. Eyster-Dear Madam:-You will no doubt have learned by the papers, that it has been decided to hold the "Great Central Fair" here, for Pennsylvania, New Jersey and Delaware, and I write to inform you that the time has been fixed for the early part of June, that being decided to be the best on the whole, after much careful consideration and comparing of opinions on the various matters involved in it.

We are anxious to do all that we can in Philadelphia to forward the successful and creditable accomplishment of the undertaking. Our citizens, gentlemen as well as ladies, are already organizing into committees for the different branches of work. Will not your ladies of Harrisburg, and of all Dauphin county, do all you can by endeavoring to arouse the interest of the people generally to the importance of the subject, and also aid us

by your personal efforts? It is very desirable that the auxiliary societies should not suspend their regular work, so as to diminish the weekly or monthly supplies, but that as much external help as possible should be pressed into the service, so as to contribute largely to the general funds. Respectully yours, P. M. CLAPP,

As't Sec. U. S. Sanitary Commission. There is no one who doubts that the coming spring and summer will be the bloodiest—the most terrible of the war. While we shudder visited Brant's Hall, "more to while away a in thinking of it, let us prepare the "oil and wine" to bind up the wounds of our stricken country. Since the inauguration of the first great Sanitary Fair, they seem to have become an institution of each loyal State. The last fair has always seemed to be more successful than its predecessor. There must needs be a climax in this ascending scale. Why shall not Pennsylvania cap'it? Besides every conceivable thing on sale, restaurant, post office, all the usual addenda of fairs, there will be rooms devot ad to amusements, concerts, reading, table aux, drama, besides galleries of fine arts an 1 curiosities, and indeed everything that out intelligent people can paragraph from the pen of our old friend and carry out and devise . C. A. BANNVART-Dear Sir: I have used Brown's Bronchial Troches; Wistar's Lozenges and other preparations for hoarseness and fhroat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases, of, hoarseness, coughs and colds. I have found them serving in

time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.
