MEDICAL.

THE GREAT REMEDY

FOR THE CONSTITUTION AND THE ONLY KNOWN REMEDI

FOR DIABETES, and DISEASES of the hibition and BLADDER.

## CONSTITUTION WATER

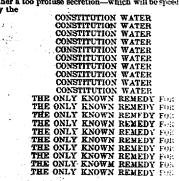

Has been pronounced by the Medical Facility public, to be the most wonderful remedy for a public, to be the most wonderful remedy for a public, to be the most wonderful remedy for a public, to be the most wonderful remedy for a public, to be the most wonderful remedy for a public, to be the most wonderful remedy for a public wonderful remedy for a public wonderful remedy and be a fine work. It is not a MINERAL WATER. It is for that CONSTITUTION WATER has emanated any this country has failed to relieve.

A remody possessing the virtues of Constitution wonderful remedies, while the better failed make used this country has failed to relieve.

A remody possessing the virtues of Constitution wonder by the most scientific practity partials. The solid second class physicians that cry down for monedless, while the better skilled make used means to accomplish a cure; and the success of the sician increases as his knowledge of different remedies, while the better skilled make used means to accomplish a cure; and the success of the sician increases as his knowledge of different remeans to accomplish a cure; and the success of the fail to the success as the sician increases as his knowledge of different remeans to accomplish a cure; and the success as the fail to local treatment, and all sorts of local application wonders one specialists's care from year to year in the fail to local treatment, and all sorts of local application diseases, with as much chance of success as there we be from local applications to the threat for diseases, with as much chance of success as there we be from local applications to the threat for diseases.

We have been always careful to use language in circular that could not shock the mest deficate organization, but we receive so many communications from sons for which Constitution Water is adapted, and whose diseases no mention has been made, that we come to the conclusion that if the remedy is capally producing a cure, no matter what the disease numer should be nade known. The medicine is pat to

late only to the discuss under which they are a discusse of the stomach and liver, and discusse of the stomach and liver, and didneys, and is, without doubt, the proceeding of the stomach and liver, and the stomach and the cases of the stomach and the day, and and the stomach and the large descharation and the stomach and the stomac
