STONEWARE MANUFACTORY

HARRISBURG, PENNA.

THIS well-known Stoneware Manufactory, lately conducted by John Young & Co., has passed into the hands of the undersigned, who will continue to manufacture and keep on hand a full assortment of

STONEWARE.

This Ware has lately been very much improved in the body and glazing, and is warranted *superior in material quality and finish to any Stoneware manufactured in the State*, and not surpassed by any made in the United States. *Purchasers themselves being the judges.* Much of our success is not known to other manufacturers, which gives us a decided advantage. Our clays are all obtained in New Jersey and vicinity are selected by a careful agent and chemically prepared, by one of the oldest Potters in this country, so as to form a *fine* body. The glaze is free from all poisonous matter, being composed common Salt and Clay. There is nothing in the glazing that can injure any one, apple butter or anything else may be kept in it with *perfect safety*, as there is no poison about it as there is in the common red earthenware.—Milk and butter keep much better in this material than it does in earthen. It does not absorb any part of what may be put into it. All merchants wishing to keep on hand a superior article of Stoneware will send their orders to Harrisburg, and we will warrant it as above. All orders will be promptly filled and forwarded; for additional information, or price-lists of the Ware address

DR. JOHNSON,

Baltimore Lock Hospital,

HAS discovered the most certain, speedy and effectual remedy in the world for

DISEASES OF IMPRUDENCE

RELIEF IN SIX TO TWELVE HOURS.

No Mercury or Noxious Drugs.

☞ A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS. ☜

Weakness of the Back or Limbs, Strictures, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia Languor, Low Spirits, Confusion of Ideas palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Stomach, Affections of the Head, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of Youth—those dreadful and destructive practices which produce constitutional debility, render marriage impossible, and destroy both body and mind.

YOUNG MEN.

Young men especially who have become the victims of solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

ORGANIC WEAKNESS.

Immediately Cured and full Vigor Restored.

He who places himself under the care of Dr. J., may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

☞ Office No. 7 South Frederick street, Baltimore, Md., on the left hand side going from Baltimore street, 7 doors from the corner. Be particular in observing the name and number, or you will mistake the place. Be particular, for *Ignorant, Trifling Quacks*, with false names, or *Paltry Humbug Certificates*, attracted by the reputation of Dr. Johnston, lurk near.

All letters must contain a Postage Stamp, to use on the reply.

DR. JOHNSTON.

DR. JOHNSTON member of the Royal College of Surgeons London, graduate from one of the most eminent Colleges of the U. States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE

Dr. J. addresses all those who having injured them selves by private and improper indulgences, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.

Mentally, the fearful effects on the mind are much to be dreaded;—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages, can now judge what is the cause of their declining health, losing their vigor, becoming, weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body should apply immediately.

What a pity that a young man, the hope of his country the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE.

effect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS

By this great and important Remedy, Weakness of the Organs are speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated who had lost all hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification Nervous Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured.

TO STRANGERS

The many thousands cured at this Institution within the last twelve years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, *besides his standing as a gentleman of character and responsibility*, is a sufficient guarantee to the afflicted.

DISEASE OF IMPRUDENCE.—When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, &c., progressing on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveller returns." It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskilfulness of ignorant pretenders, who, by the use of that *deadly poison, mercury* ruin the constitution and make the residue of life miserable.

To Strangers—The Doctor's Diplomas hang in his office.

WEED'S PATENT SEWING MACHINES

Have gained the confidence of all who use them, and proved one of the most valuable inventions of the age. They use a Shuttle, making the Lock Stitch on both sides of the cloth alike, which cannot be unravelled or pulled out.

They are all made with the highest mechanical skill, and all warranted to work well on all kinds of goods, from the lightest Fabric to Heavy Leather. In particular, we would call the attention of all to our Family Sewing Machine. It has been manufactured expressly for Family Use, and has met favor from all. It is so simplified as to render it almost impossible to get out of order, or derange its operations, indeed it is so simple as to astonish one, that so small a piece of mechanism will sew.

Below, we give a description of the different styles of the Weed Patent.

No. 1, is a very convenient style, which can be worked by hand or foot, on or off its own table. For convenience of shipping, and also for large manufactories, where it is necessary to place a number of Machines into a long bench, making one table answer for them all. Price $90

No. 2 With Walnut or Mahogany Table, either with or without Box Top, which locks down. Price $100 and $110.

No. 3, Same size as No. 2, but runs with a belt, and at a much higher rate of Speed. This kind is well adapted to manufacturing Clothing or Leather work.

This is really the cheapest Machine in the market, as there is no work done on a Sewing Machine that it will not do. It is confidently asserted that this Machine runs easier than any machine now in use. Price $100.

No. 4. This Machine has a long arm, to accommodate arge work. It runs at a higher rate of speed, runs easily, and is, without a doubt, the best Machine for Tailors' use, ever offered to the public. It is also peculiarly fitted for plantation work, as it is very simple ye substantial and durable, with but little liability to go out of order. Price $120.

No. 5. This is a new and cheaper style, and a general favorite for Family Light Leather, and a great variety of work. It has been gotten up with reference to furnishing a strong and durable, yet light and tasty Machine, at a less price than either of the above. It runs very easy, rapidly, and is pronounced the best machine now in market, for $80.

No. 6. This is a Machine got up on an entirely new principle, different from anything ever before offered to the public, and we confidently assert that, for family use it has not an equal. It is very light and tasty, runs very rapidly, is almost noiseless in its operation, and uses A STRAIGHT NEEDLE. It is so arranged as to be utterly impossible for it to miss stitches. It has a tension on both sides, and carries a large supply of thread on the under spool. The motions are gained by two small cranks that run without perceptible noise. The two threads are worked in such a manner as never to both pull at the same time, and consequently, little liable to break. The seam is very elastic, and the thread does not break in washing. It will do coarse work better than any cheap machine now in market, as it uses silk, cotton, or linen with equal facility. Price $60.
