DR. COGGSWELL'S NEW MEDICAL SALT.

FOR INFLAMMATORY DISEASES ONLY.

Dr. Coggswell's New Medical Salt, instead of being a remedy for all ills, has but one aim, and accomplishes but one thing to wit: Subdues inflammatory disease, whatever be its form or locality. This it does by equalizing the circulation, thereby removing the sole cause of inflammation.

Rheumatism, Neuralgia, Headache, Fits, Colds, Fevers, Inflammed Throat, Lungs, and Liver, Female Diseases, Erysipelas, Bronchitis, Pleurisy, Asthma, Dyspepsia, Venereal Diseases, Gout, Scrofula, Canker and all other forms of Inflammation are easily subdued by the New Medical Salt

The New Medical Salt is no cure-all but does just what it claims to do—no more, no less—equalizes the circulation by removing from the system all arterial and venous obstructions.

Multitudes have tried the virtues of the New Medical Salt, though but lately discovered. Witness the testimonials and certificates of cure.

All who have used it acknowledge a benefit from it. An acquaintance of ours was cured of a severe case of Neuralgia in less than a week.—*Norway (Me.) Advertiser*

Your invaluable Medicine is nobly fulfilling, in my case, all the promises which you made for it. A few doses also relieved my mother of a rush of blood to the head.
J. P. GILLINGHAM, Phila.

Inflammatory Rheumatism was my complaint. The first package did the work effectually, as not a vestige of Rheumatism is left.
G. B. DUNCAN, New York

I Know it is good for Rheumatism, removing it in a few hours. I am now trying it for Scrofula and have already received benefit.
S. LESHE, Reading.

I Tried it for Aneurism of the Abdominal Aorta. In ten days the pain was gone.
T. W. FITZIMONS, M D, Phila.

We speak by the book. We have tried it. It has complete control over inflammation.—*Jacksonville (Va.) New Era.*

Bronchitis, Canker, Rheumatism and Neuralgia have been cured by it.—*Jefferson. (Ind.) Democrat.*

Many more would testify, if necessary. Descriptive Circulars, with testimonials may be obtained from any Druggist who has this valuable medicine for sale.

DR. COGGSWELL'S
ANTIPHLOGISTIC SALT.
Price $1. Chronic package $2.50.
D. C. TAYLOR & CO.,
General Agents, 202 Dock Street, Philadelphia.

The New Medical Salt is for sale in Harrisburg by J. M. Lutz, D. W. Gross & Co., Herman & Co., C. K. Keller, F. A. Hutton, and by all enterprizing Druggists wherever the "Telegraph" is read.

As it is not a patent medicine, but the prescription of an eminent physician, no one should fail to try the NEW MEDICAL SALT."

AYER'S SARSAPARILLA

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this class of our afflicted fellow citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed th whole complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter o health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year By the timely expulsion of them many rankling disorder are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often no curative properties whatever Therefrom, bitter and painful disappointment has follow Hence of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, an has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy that rests upon it And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY
DR. J. C. AYER & CO.,
LOWELL, MASSACHUSETTS,
Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF

Costiveness, Jaundice, Dyspepsia, Indigestion Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cts per Box; Five Boxes for $1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the usefulness of these remedies, but our space here will not permit the insertion of them The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand AYER'S, and take no others. The sick want the best aid there is for them, and they should have it.

All our Remedies are for sale by C. A. BANNVART, Harrisburg; H. O. WHITMAN, Halifax; Dr. MILLER, Millersburg, and by all Druggists, and by the principal Merchants n the country. ap16-dawly

Sewing Machines.

TO THE LADIES OF HARRISBURG
THE GROVER & BAKER
SEWING MACHINE CO.,

HAVING ESTABLISHED AN OFFICE AT THE
Corner of Market Square and Market Street,
IN THE ROOMS OCCUPIED BY
SMITH'S PHOTOGRAPH GALLERY,

WOULD particularly call the attention of the Ladies and citizens generally to their *UNRIVALLED SEWING MACHINES*, varying in price from $50 $125.

REASONS WHY THE
GROVER & BAKER MACHINE
IS UNIVERSALLY PREFERRED TO ALL OTHERS:

1st. It is more simple and easier kept in order than any other machine, having never to be taken apart to oil or clean:

2nd. It makes a seam which will not rip or ravel even when every third stitch is cut.

3rd. It sews from two ordinary spools, thus avoiding all trouble of winding the thread, while by a mere change of spools the machine may be adapted to all kinds of work.

4th. The same machine runs silk, linen thread, and common spool cotton with equal facility.

5th. The seam is as elastic as the most elastic fabric, and is, therefore, free from all liability to break in washing, ironing or otherwise.

6th. The stitch is more beautiful than any made by any other machine, or by hand.

THE GROVER & BAKER STITCH is patented and owned by the Company, and is far superior to the "LOCK STITCH" or the worthless "CHAIN STITCH," for all thin fabrics, and resembles the back stitch made with the common needle. The GROVER & BAKER MACHINE will do the Sewing cheaper and better for a family than a seamstress, even though she were to work for *ONE CENT AN HOUR* It is superior to any and every other machine for FAMILY SEWING. *Over 25,000 have already been sold*, and are recommended by the most competent judges, by the Press, by the Clergy and others, as *the very best Machine for all kinds of Work.*

We do not hesitate to warrant our Machines in every respect. A lady always in attendance. Call and see them before purchasing any other, Smith's Photograph Gallery, corner of Market Square and Market Street, entrance on Market Square.

MACHINE SEWING, in all its various branches, executed with neatness and dispatch, by thoroughly competent persons, at half the usual prices. Merchants, Families and others, should bear this fact in mind.

Orders from the country promptly attended to. Those who prefer thick, heavy fabrics sewed with the Shuttle or Lock Stitch, which has the same appearance on both sides, can have their work done on THE SHUTTLE MACHINE of the GROVER & BAKER COMPANY, which is in every respect superior to many other Machines for that kind of work, but for all light, thin fabrics that require frequent washing and ironing, "THE GROVER & BAKER STITCH" *has no superior.*

Persons should remember this fact, and not be deceived by the appearance of the stitch on both sides, for it is in appearance only.

Ladies are respectfully invited to call and receive a circular and specimen of sewing, also a copy of The Grover & Baker Company's book entitled "Pictures and Rhymes for the Little Folks." Entrance on Market Square, second door from Market, Smith's Photograph Gallery.

A. C. SMITH,
my10-dly Agent for Central Pennsylvania.

CENTRAL
PENNSYLVANIA AGENCY FOR
WHEELER & WILSON'S
FAMILY SEWING MACHINE
GREAT REDUCTION IN PRICE.

On and after October 1st inst., the RETAIL PRICES of our SEWING MACHINES will be as follows:

NEW STYLE MACHINE	$50
MEDIUM, on Plain Table	$75 00
" Half Case Panel	80 00
" Half Case, Mahogany or Black Walnut	85 00
" Full Case, " "	100 00
" Full Case, Rosewood	115 00
SMALL MACHINE	75 00
LARGE MACHINE	100 00
HEMMERS, (extra)	5 00

The unanimous favor which has attended the introduction of WHEELER & WILSON'S FAMILY SEWING MACHINES, is sufficient evidence of its excellence. It is needless now to say, that this useful instrument is becoming a domestic institution the fact is recognized by its successful use in thousands of Families in every rank in life. To those who have hitherto refrained from availing themselves of its advantages, it may not be amiss to say, that its utility is not a problem to be solved, but a success already realised. The highest testimony is constantly offered, confirming the verdict which has given this instrument so wide and enviable a reputation.

This Machine is conceived on a principle ENTIRELY ORIGINAL, being specially and admirably adapted to the most perfect work on every kind of material; and, having been subjected to a three years' test of the most searching character by Families, and in various branches of Manufacture, with distinguished success, it is believed, that in all the great points requisite to a complete and practical Sewing Machine, it cannot be approached in excellence.

THE LOCK STITCH.

Among the undoubted advantages it possesses overal others, may be named the following:

1. Its simplicity of construction, and consequent freedom from derangement and need of repairs.
2. Its unexampled rapidity and ease of operation.
3. Its noiseless movement.
4. The great variety of purposes to which it can be applied, which can be achieved by no other mechanical means. And,
5. The pre-eminent BEAUTY and DURABILITY of the work.

Full instruction for operating the Machine is given to purchasers gratuitously at the sales rooms. When the Machine is sent some distance, so that personal instruction is inconvenient, a card of directions is sent, which are a sufficient guide. The mechanism, however, is so simple, and the arrangement so easy, that no difficulty need occur. Many ladies have the Machine sent to their residences after having received a half hour's instruction Any future difficulties are readily surmounted, and then practice alone makes perfect in the use of this as any thing else. Domestics and children of twelve years of age readily become proficient in its use.

Our Office is removed to Mr. KEIT'S Daguerrean Rooms, corner of Third and Market streets, where the machines can be seen in operation.

Miss Burke is prepared to do machine sewing for all who wish it, and at the same time show the machines.

A VOICE OF THE DEPARTED.

I shine in the light of God;
His likeness stamps my brow;
Through the valley of death my feet have trod,
And I reign in glory now.

No breaking heart is here,
No keen and thrilling pain,
No wasted cheek, where the frequent tear
Hath rolled, and left its stain.

I have reached the joys of heaven;
I am one of the sainted band;
To my head a crown of gold is given,
And a harp is in my hand.

I have learned the song they sing
Whom Jesus hath set free,
And the glorious walls of heaven still ring
With my new born melody.

No sin, no grief, no pain;
Safe in my happy home,
My fears all fled, my doubts all slain,
My hour of triumph's come.

Oh, friends of mortal years,
The trusted and the true,
You are waiting still in the valley of tears,
But I wait to welcome you.

Do I forget? Oh no;
For memory's golden chain
Shall bind my heart to the hearts below,
Till they meet to touch again.

Each link is strong and bright;
And love's eclectric flame
Flows freely down, like a river of light,
To the world from whence it came.

Do you mourn when another star
Shines out in the glittering sky?
Do you weep when the raging voice of war
And the storms of conflict die?

Then why do your tears run down?
Why your hearts so sorely riven?
For another gem in the Saviour's crown
And another soul in heaven?

"THY WILL BE DONE."

The voice of warning pierces through life's fold, hourly almost, with a peal. Do we heed it? It comes upon us, speaks to us amid pleasure and selfish pursuit and heated contest, and eager striving to guide to save. Do we obey it? Alas! too often is that voice heard only as the passing wind that sweeps by us! And yet there breathes not the being who does not long to follow it, who does not feel as if he must obey it, who does not resolve to be guided by it. Let it be so. For none of us can there be hope or happiness unless we do it—unless like the true penitent we can say, "Thy will be done." The following picture is no fiction, and thoughtless youth, and sober age, may gaze upon it and learn something of the sterner realities of life, and know, too, the only means by which its hard trials may be met, or its seducing lures overcome.

"THY WILL BE DONE."

A mother was kneeling in the soft light of the dying day, by the side of her suffering babe; the sweet, low-breathed accents of the father went up in supplication as if to the very ear of the Eternal:—"O! Thou who didst weep at the grace on Lazarus, and dost note every pulsation of the heart, look down in thy compassion of our helpless child. O! save him for thy mercy's sake! Whatever else thou withholdest, give us the life of our sweet babe."

"Amen" responded the trembling voice of the heart-stricken mother, as she wiped away the cold sweat from his pale forehead.

"O! William, I cannot give him up," she added, "he is so lovely, and then he is our only one; surely your petition will be granted."

The unconscious infant lay motionless in its cradle; its little bosom heaved with the faint breath of life! its tiny fingers were half hid beneath its golden hair, while the sweet smile that played around its fevered lips, seemed to respond to the whispering of angels as if they were already welcoming the free spirit to the land of light. The father and mother gazed upon it with an intensity that none but a parent's heart can feel. Gradually the smile relaxed—the hand fell upon its bosom—the throbbing of the heart became more tranquil—a moisture diffused itself over the skin, and a sweet sleep fell upon it, clothing it as with a mantle.

Long and quietly it slumbered; and when the eye opened and the lip moved, cherub faces seemed irradiated with unearthly intelligence and purity. Day after day, and night after night the father and mother watched their boy, as he was slowly restored to health and activity. God spared him, and he grew up in loveliness, the pride of his parents. Pestilence stalked abroad. Death laid low the young and the beautiful. Still their child, as if by some talismanic spell was preserved, and the fond mother thanked God
