BINGER'S OLD LONDON DOCK GIN. A. M. Binger & Co. (Established 1778.) SOLE IMPORTERS, No. 338 BROADWAY, N. Y. THIS DELICIOUS TONIC, especially designed for the use of the MEDICAL PROFESSION and the FAMILY, possesses those intrinsic medicinal properties (Tonic and Diuretic) which belong to an Old and PURE GIN. The business of manufacturing spurious gins, and offering them as beverages, under the titles, "Aromatic," "Cordial," "Medicated," etc., has become so common, that the public are justly suspicious of nearly everything that is offered under similar forms, and the trade has thus been brought into disrepute. It has remained for our house (established in 1778) to supply the pressing popular need, and to inaugurate a new era in the history of the Trade. We trust that our established reputation—founded upon eighty years of experience—abundantly vindicates our claim to public confidence.
