ALL THE LATE WEEKLY PAPERS, Regusines and popular publications are for sale at BERGNER's cheap Bookstore, 51 Market street.

THE NEW POLICE OFFICER.—The question has been repeatedly asked, "who is Wm. H. Weaver, the new police officer appointed by Coun cil?" We answer that he is a worthy and es timalbe young man, of moral and temperate habits, honest and reliable, well fitted for the position, and will be "a terror to evil d ers" within the limits of his official jurisdiction.

OILY TONGULD MEN .- Oil is a good thing in its place. It serves well to grease the gudgeons of life and to facilitate the revolution of the wheels of human activity. But your oily tongued man-beware of him. Keep a skinned optic on his operations. He will always agree with you to your face, but he will say mean things of you when you are bodily absent. He will roll soft and shiny words into your tympanums, but he will stab you when the darkness is on! . Let no such man be trusted "

AN ITEM FOR GRAY HEADS. -- We see it stated that a liquid that will color hair black and not stain the skin, may be made by taking one part of bay rum, three parts of olive oil, and morning and in a short time the use of it will make the hair a beautiful black, without injuring it The articles must be of the best quality, mixed in a bottle, and always shaken well before using.

WASHINGTON HOSE COMPANY.—The Council having granted this company the loan asked for, and the latter agreeing to the conditions. a meeting was held last evening and a committee appointed to make arrangements for the building of a new brick house on the lot in Chestaut street recently purchased for that purpose. The members of the "Washy" company are gentlemen of taste and liberality, and we have no doubt they will build a house that will be a credit to them and an ornament to our town.

THE COUNTY FAIR.—The officers of the Coun. ty Agricultural Society are busily engaged in perfecting the arrangements for the coming Fair, which, we have reason to believe, will be the largest and best that has ever been hald in Dauphin county. Every farmer and mechanic should feel an interest in its success, and take, pride in contributing to make the display as extensive and attractive as possible. The ladies, too, should take an interest in the matter and show the public what they can do in the the Capital of the State.

DISTURBING A RELIGIOUS MEETING .- Jacob Culaty, John Berry and Henry Gerret, (colored) were arrested yesterday by officer Radabaugh, charged before Justice Beader, by Joseph Stevens, with disturbing the services of the Mrs. colored Bethel church on Sunday night last. — | Miss Susan Buehler On being arraigned before the Justice, they denied the charge, and claimed a hearing, which was appointed to take place this afternoon afternoon at three o'clock. Should the parties then be convicted they will be sent to prison, to remain until they release themselves by benefit of the insolvent laws. Several other darkies were concerned in a row at the same church the night previous, but they have left for parts unknown.

How to Stop Blood.—Housekespers, mechanics and others, in handling knives, tools of any sharp instrument, very frequently receive severe cuts, from which blood flows profusely and often times endangers life itself. Blood may be made to cease to flow as follows: Take the fine dust of tea, and bind it close to the wound; at all times accessible, and easily to be obtained. After the blood has ceased to flow, laudanum may be advantageously applied to the wound. Due regard to these instructions will save agitation of the mind, and running for the surgeon, who would, probably, make no better prescription if he was present.

Ex-GOVERNOR DAVID R. PORTER, of our town, has been elected Vice President of the Sabine and Rio Grande Railroad Company, and designs leaving for Texas in the course of a month or two, to enter upon the duties of his office.-The Company have been exceedingly for tunate in their selection of Gov. Porter, whose ability, sound judgment and experience eminently fit him for the position. He will make a useful and popular officer. Oliver Barns, Esq., is the Chief Engineer. He was an assistant Engineer on the Penusylvania Central Railroad, and is well and favorably known to the contractors of this State, many of whom are seeking employment, and will doubtless be glad to go with him to Texas.

CATHOLIC CHURCH DEDICATION .- On Sunday the 18th inst, the new and handsome Catholic Mrs. P. A. Eyster. 100 many dream of; and however profitable to Divine service by Right Rev. Bishop Neuman, Mr. Wm. D. Boss. ... Mr. Chas. Boss. ... assisted by a large number of the clergy. On Mr. Geo. H. Bell 100 Constables transcend their official powers in arthe same occasion the Bishop will also administer the sacrament of the confirmation. The Very Rev. Dr. O'Hara, President of St. Charles
Theological Saminary of Distribution of the Confirmation of the Confir Theological Seminary, of Philadelphia, will Mr. Geo. Eyster, preach the dedication sermon. Services will Mr. John Chambers, dation of citizens of our town desiring to attend the first state of t tend, a train of cars will run on the day of Those of our citizens whi have not yet condedication, leaving here at nine o'clock in the tributed, and desire to do so, can send their acraing, and returning leave Middletown at names and money to the lady Manager, Mrs. half-past six in the evening. We have no Eyster, who will make a pullic scknowledgment doubt the occasion will attract a large crowd of the same. The sum of the dollar will con ur Catholic friends.

THE WHITEHALL RESTAURANT has fresh cysters, fried and broiled oyster, clam and chicken soup, broiled spring chicken, pigeon, tripe, hard public sale, to Mr Geo. Hain, Jr , for the sum the peaches grown in her garden. They are broiled eggs, &c , &c

A New France in the Programme. - We learn that Mr. Charles Jarvis, the distinguished Planisticho accompanied Miss Caroline Rich ings, and made such a favorable impression here, has consented to preside at the Piano-Forte on the occasion of the Eintracht Concert next Monday evening. This will be a new and attractive feature of the programme.

"THE MISSING GIRL."-Nothing has been beard of the servant girl whose sudden and mysterious disappearance from town we noticed vesterday. It is suspected that she did not go alone, a young man, who had been intimate with her for some months, having disappeared about the same time. The fact of her stealing quantity of wearing apparel is presumptive evidence that she does not intend returning.

LINDSERBANZ SOCIAL ABSEMBLY.—The Liederkranz signing society are making arrangements for a social assembly, to be given at their hall in Frisch's new building, next Thursday evenexercises consisting of vocal and instrumental music, dancing and waitzing, and other social annusements. Tickets, of which only a limited of their handiwork to the department of donumber, will be issued, may be had of the mestic manufactures. menagers and members of the association.

ENTRIES FOR THE FAIR.—A number of en tries for the County Fair have already been made. Our enterprising townsman, Mr. Wm. O. Hickors is first on the list, with a variety of articles of mechanism. We hope to see all our manufacturers and mechanics well represented. They can have no better advertisement than the exhibition of their articles at the Fair, where they will be seen and examined by thousands of people.

"DISGRACEFUL SCREEN IN DOMESTIC LIFE. Our item in yesterday's issue, under the above one part of good brandy, by measure. The caption, contained a slight error. A gentleman hair must be washed with this mixture every who was present, and witnessed the affair, informs us that the pistol in the hands of one of the parties was not loaded—consequently the one; and it is a queer kind of justice that punt the fine \$100, costs and thirty days imprisonreport, in general circulation, that it had been ishes the one, and gives the other the "freedom snapped twice and missed fire, was not true. We make this correction in justice to the parties interested

THE EINTRACHT FESTIVAL. -The arrangements for the singing festival, to take place on the Fair Grounds next Monday, are nearly completed. The "Germania Mannerchor" and the "Liederkranz" societies of Baltimore city, will certainly be in attendance, and distinguished musicians are expected from Philadelphia and other places. Charles Lenschow, Esq., President of the Baltimore "Liederkranz" society, and leader of the grand musical festival recently held in that city, will officiate here. He is a splendid looking man, and one of the best musicians in the country. An accurate like ness of him may be seen at Col. Dan Wagner's hotel. The Concert will be a grand affair, and the exercises on the Fair Grounds of a novel and interesting character. Our German friends anticipate a good time generally, and we hope their expectations may be fully realized.

HARRISHES CONTRIBUTORS TO THE MOUNT VER NON FUND .- The Vice Regent of the Ladies' Mount Vernon Association for Penn's, Miss Life way of domestic manufactures. If our citizens In Macallitar, acknowledges the receipt of \$75,... do their duty, the coming Fair will be a deci- of from Mrs. P. A. Eyster, the Lady Manager ded success, creditable to the county and to of the Association for Dauphin county. We subjoin a list of the names of the Harrisburg contributors, and regret that the names are so few and the amount so small. It does not speak well for the patriotism and liberality of our citizens :-

WORTHY OF IMITATION .—In passing upon the various Register's notices, this morning, by the had been opened by Mr. George W. Davis, the Conft. it was discovered that Mr. Cornelius Waldron, administrator of the estate of his futher: Wm.: W. Waldron, late of Halifax township in this county, had autually paid, out of his dwn hard earned money, over eight! hundred dollars of his father's debts; and that the mother had also waived her right to the three hundred dollar law. The son never received any property from his father, nor did he make any charge for his services in settling the estate, but has labored hard to satisfy his father's creditors, considering his obligations as debis of honor. Cases of this kind are of such rare occurrence that we deem the present one worthy of notice, and also of imitation by others, under similar circumstances

Money Gerring.—It is not so difficult for man to become rich and leave a vist quantity of the world's goods behind him when he di as people generally imagine. There are out few men of ordinary abilities and average duration or no. that cannot amiss a fortune, if they select Schools for Boys and Girls. desire to pay the price of becoming rich. Relinquish recreations, abjure pleasures, foremear enjoyment, suppress the generous impulses and Sc enjoyment, suppress the generous impulses and the School states will open on the has Monday to emotions of your better nature, and the craning and in every respect well adapted for school and in every respect well adapted for school. vings of luxurious appetites, to which must be added ceaseless industry and caution, and continued self-denial, and the coveted fortune, in most cases, will be yours, by the time you have 1 00 entered the "sero and yellow leaf," when you 1 00 find the following your accurate likeness:

"How many a man, from love of pelf,
To stuff his coffers staryes himself;
Labors, accumulates and spares;
To lay up ruin for his heirs;
Grudges the poor their scanty dole;
Baves averything except his soul;
And alw ys anxious, always vexed,
Loses both this world and the next."

Thus is Life. —If we die to-day, the sun wil shine as brightly, and the birds sing as sweetly 1 00 to morrow. Business will not be suspended a moment, and the great mass will not bestow s 00 thought upon our memories. Is he dead? will 00 be the solemn inquiry of a few, as they pass to their work. But no one will miss us except our immediate connections, and in a short time 00 they will forget us and laugh as merrily as 1 00 when we sat beside them. Thus shall we all, however active in life, pass away. Our children crowd close behind us, and they will soon be 1 00 gone. In a few years not a living being can 1 00 say, "I remember him." We live in another age and did business with those who, slumber 00 in the tomb. Thus is life. How rapidly it 00 passes. And as we shall do good to every one 00 when we can, and especially to those afflicted with illness, we would recommend Wm. Losff-00 ler's drug store, Fourth and Market streets, 00: where pure medicines are always dispensed. +

ANOTHER ITEM FOR TAX-PAYERS .- We see in formed that last evening a sober and welldressed stranger accosted some young men in front of the Exchange, stating that he was ont 00 of money, and inquired if they could tell him 00 where to obtain lodging. Officer Becker, who 00 happened to be present, committed the man to prison as a vagrant, realizing about five shillings by the operation. Instances of this kind occur almost every day of the week, and in every case it costs the tax-payers of the county not less than two dollars! The arrest and commitment of street drunkards and vagrants, 1 00 during the year, costs the people more than constables and magistrates, it imposes a heavy burden upon the sober and tolling masses.resting harmless and inoffensive drunken men who are not guilty of any violation of the public peace; and allowing them pay for such unauthorized services, the County Commissioners do great injustice to the people, who have to foot the bills. The prison was never designed to be converted into a common lodging house, for the entertainment of the drunkards and yagrants who infest Harrisburg, at the expense of the people of the whole county; and, in our opinion on lables who arrest, and magistrates
