STATE OF THE THERMOMETER.

Point Weiss, Harrisburg, September 21, '59.

Table with 4 columns: Time (4, 7, 10, 12, 2, 4 P.M.), Temperature (68, 70, 75, 74).

ALL THE LATE WEEKLY PAPERS, Magazines and popular publications are for sale at BERGER'S...

MOUNT VERNON.—A regular stated meeting of the Mount Vernon Hook and Ladder Company...

THE REVIVAL MEETING in the Vine street Methodist chapel continues in successful progress.

SEASONABLE ADVICE GRANTED.—The season for putting up stoves has arrived, and care should be taken to see that the stove pipes are properly secured...

ANOTHER PARDON.—A fellow named Hocker, convicted of manslaughter, in the Court of Blair county, some three years ago, and sentenced to the penitentiary for ten and a half years...

THE FAVORITE BRAND.—There is an abundance of miserable trash in the market sold under the denomination of "brandy."

REMEDY FOR COUGHS IN THE HEAD.—The following may be worth trying:—"Take a handkerchief over the head at night on going to bed, taking care to cover the ears, and an incipient cold will be gone in the morning."

THE SUNDAY.—We do not object to a business display by our merchants, but principal thoroughfares are cumbered...

ARE YOU ASSURED.—Our political friends in the various wards should see to it that their names are duly registered on the assessment list at least ten days before the election.

THE POPULAR CEREAL.—A few weeks ago we wrote and published an item under the above heading for local application. It has been published, without credit, by many country papers, and this morning appeared as a "fact" in the columns of our daily cotemporary.

MAKING PREPARATIONS.—The West Philadelphia Engine Company are making preparations to leave the city on the 30th of October next, for their visit to Lancaster, Harrisburg and Reading.

THE CITIZEN FIRE COMPANY will meet this evening to complete their arrangements for sending the "Button" engine to Philadelphia to compete for the prize offered by the State Agricultural Society.

Since writing the above we have received the Philadelphia Ledger, containing the proceedings of the hand engine oblation held in that city last night, at which an arrangement was made evidently with the design of ruling out the Citizen company of our town, and preventing them from competing for the prize.

After the conclusion of the regular evening service, the congregation was dismissed, and the Lebanon Conference of the Synod held a conference meeting until a late hour.

REV. DR. SEISS, of Philadelphia, will preach this evening in the English Lutheran church, before the Synod of East Pennsylvania.

ANOTHER LUTHERAN SYNOD.—The West Philadelphia Synod of the Lutheran Church will hold its next session in Hanover, to commence on Friday next and continue several days.

KEEP IT BEFORE THE PEOPLE, that the place to get handsome, well-made and neat fitting boots and shoes, is at the store of MR. LOUIS YANNEY, in Market street below Fourth.

MISS CAROLINE RICHINGS, the charming vocalist, whose sweet strains delighted our music loving citizens on a former occasion, announces her intention to warble again in Brant's Hall on Saturday evening, October 1st.

SANDERS, THE ICE CATERER OF THE WHITE HALL RESTAURANT, has always a good meal on hand, of all the delicacies of the season, such as Wild and Young Game Pigeon, Chickens and Crabs, Fried and Stuffed Oysters, Oyster Soup, &c., &c., and is always waiting to bring ten to eleven to eat.

THE FAIR.—Owing to the drenching rain to day, the Fair at the Agricultural Society's grounds, consequently no exhibition took place to day. It is learned that the officers have extended the Fair until Saturday, and it is to be hoped that they will be more favorable after to day.

BAND SECURED.—The members of the Hope Fire Company, we are informed, have secured the services of the York Silver Cornet Band to play for them on the occasion of the first of November parade.

THE HOPE FIRE COMPANY OF Philadelphia, whose "steam spirit" took the prize at the National Fair at Chicago, will pass through here on Friday en route for home.

As an appointment will be made every two years, and as it is exceedingly desirable that the interests of the Lutheran church in this institution should not be neglected, we would recommend the appointment of a standing committee, to be termed the "Committee on Emmanus Orphan House."

PERSONAL CONNECTION.—Last evening two individuals in contact at Market street, were arrested by the police, and taken to the jail.

THE "TANGLE-FOOT" sustained no serious personal damage, but the affair caused considerable amusement for a crowd of fond-looking individuals who were playing in the vicinity.

SEVERAL CASES OF petty thieving have occurred in town lately, and in most instances the rascals have escaped detection. One chap who evidently has a weakness for good things in the eating line, operated successfully in market this morning, securing a basket filled with meat and vegetables.

THE EXAMINATION.—Owing to the storm on last Saturday the examination of teachers in Lehigh township was postponed. The County Superintendent, Mr. Ingram, informs us that he will hold a special examination for that purpose, in Hopt's school house, in said township, on Saturday the 15th of October.

A pure and good wine, and of culinary value, and often very beneficial to obtain. It was tested some "pure cider vinegar," manufactured by Messrs. Kimball and Myers, North street, near Third, which we found to be superior to any we have tried this season.

SERVICES LAST EVENING.—The Lutheran church was well filled last evening, notwithstanding the inclemency of the weather. The Rev. Dr. Greenwald, from Easton, delivered a most powerful sermon, and the following students were duly licensed as Ministers of the Gospel of the Lutheran Church, who, we understand, passed a most creditable examination, viz: Messrs. S. A. Holman, A. R. Horne, J. E. Dimm, Jacob Friday, F. C. H. Lampe, C. L. Keedy, Michael Wolf and Charles Stinehour.

EVANGELICAL LUTHERAN SYNOD.

AFTERNOON SESSION.

TUESDAY, Sept. 20.

A meeting of the clerical members of the Synod was held at 2 P. M., when the business connected with the licensure and ordination of applicants for admission to the Gospel ministry was attended to, and it was resolved,

1. To ordain this evening the licentiate Revs. E. Huber, D. S. Truckenmiller, L. Aughey, H. R. Fleck, E. Studebaker and W. L. Hebler.

2. To grant a license to preach the gospel and administer the sacrament, to Messrs. S. A. Holman, A. R. Horne, J. E. Dimm, Jacob Friday, F. C. H. Lampe, C. L. Keedy, Michael Wolf and Charles Stinehour.

At 3 P. M. the usual Synodical business was resumed.

Several reports were presented concerning the transactions of the various district conferences into which the Synod is divided, exhibiting the commendable zeal and diligence of these brethren; in the great work in which they are engaged.

Rev. C. A. EHRHART, from the Committee on the Emmanus Orphan House, reported as follows:

The committee on the Emmanus Orphan House have endeavored to discharge the duty assigned them, and that success has thus far attended their efforts to secure the interests of the Lutheran church in this institution.

Your committee, in cooperation with S. S. Schumaker, have reason to believe, has had a happy effect. Efforts were soon made and plans adopted by which, the institution was to commence operations on the first of April, 1859, on a more enlarged scale.

Rev. Mr. Valentine having resigned the trusteeship of the institution on the first of March, the Chairman of your committee was elected to that position, to enter upon its duties on the first of April, 1859.

Since the first of April there have been received into the Orphan House eight poor orphan children. The number will still be increased as the increase of the estate will justify.

At the last session of the Court of Dauphin county, John Croll, Esq., was appointed a Trustee for eight years, to fill the vacancy occasioned by the expiration of Mr. A. Fisher's term. We now have one Lutheran in the Board of Trustees.

As an appointment will be made every two years, and as it is exceedingly desirable that the interests of the Lutheran church in this institution should not be neglected, we would recommend the appointment of a standing committee, to be termed the "Committee on Emmanus Orphan House."

Further, we would recommend that the committee be authorized to adopt such measures as may seem to them consistent with the interests of the church in that institution.

Respectfully submitted, C. J. EHRHART, CHARLES A. HAY.

This report was unanimously adopted.

On the motion of Rev. M. VALENTINE the following resolutions were also unanimously adopted:

1. That we have heard with pleasure the statements made by your committee in regard to the "Emmanus Orphan House," and rejoice in the encouraging prospects before that institution.

2. That a standing committee, of four be appointed to be styled "the Committee on the Emmanus Orphan House" whose duty it shall be to look after the interests and rights of the Lutheran church in that institution.

3. That as a Synod, most urgently request the "members of the institution" styled the "Emmanus Orphan House" to expend none of the funds of the estate except for such ends as are directly contemplated by the will of Geo. Freyboesser.

4. That in the sense of this body the active operation of the institution in supporting and educating orphans, according to the design of the testator, forms the only necessary and noble monument to his memory.

Committee appointed in accordance with the second resolution was—Rev. C. J. Ehrhart, Dr. C. A. Hay, and Messrs. Geo. Badgley and M. R. Alleman, Jr.

After the presentation of the remaining reports, the Rev. M. H. Miller, of this place, and Messrs. Eppley and Croll were appointed a committee to prepare a report expressing the sense of the Synod with reference to the recent effort to set at defiance the laws of God and our commonwealth in reference to the proper observance of the Lord's Day.

The consideration of the Resolutions which were made the order of the day for tomorrow morning at 9 o'clock.

The following resolutions, adopted unanimously, were read, and exhibit the high regard in which the late Rev. J. C. Cummey was held by the body.

The committee to prepare resolutions on the death of Brother J. S. Cummey would offer the following:

Whereas Our Heavenly Father, in His inscrutable Providence, has removed our beloved Bro. John S. Cummey by death; therefore

1. Resolved, That whilst we as a Synod mourn the early departure of one who had evidenced himself to the hearts of all, by his amiable disposition and Christian deportment, we nevertheless cheerfully submit to the will of God, who "doeth all things well."

2. Resolved, That not only the Synod with which he was connected, but the whole church, has sustained great loss in the death of one whose superior qualifications, natural and acquired, as pastor, preacher and teacher, as citizen and friend, gave us abundant reason to believe that his already extensive usefulness to the church and to the world, would have been increased by the further continuance of his life.

3. Resolved, That we deeply sympathize with the bereaved family, and commend them to the care of the God of the fatherless and widows.

4. Resolved, That the Secretary be requested to forward copies of the foregoing resolutions to the friends of our deceased brother.

Respectfully submitted, C. J. EHRHART, CHARLES A. HAY.

WEDNESDAY MORNING.

After a half hour spent in devotional exercises, the transactions of the usual business of the Synod was resumed.

The orders of the day being the consideration of the President's report, the same was taken up, item by item.

In reference to that part of it relating to the want of ministers in the church, it was resolved that a committee be appointed to prepare a tract upon this subject, aiming to arouse our churches to earnest efforts to induce more young men to devote themselves to the gospel ministry; and that the Lutheran Board of Publication be requested to publish and circulate it.

The committee consists of Rev. Dr. Hay, Rev. L. R. Albert, and Rev. Dr. Seiss.

The committee appointed to prepare a minute, expressing the sense of our Synod in regard to the recent efforts to have Sunday laws of our State repealed, reported the following:

The Committee, to whom were referred the resolutions in reference to the sanctification of the Christian Sabbath, have had the same under consideration and beg leave to report the following:

Whereas, In certain quarters systematic and strenuous efforts are being made to promulgate scriptural and erroneous views concerning the Christian Sabbath or Lord's Day, and to secure from the Legislature the repeal of those laws, by which the proper sanctification and observance are protected;

And whereas, It is eminently becoming and proper, that Synods and Conferences give an expression of opinion on this subject;

And whereas, The Synod of East Pennsylvania, according to the teaching of the Lutheran Church ever recognized the Christian Sabbath or Lord's Day, as a Divine institution, of perpetual and universal moral obligation, whose proper observance and sanctification is as binding upon the hearts and consciences of mankind as any of the other commandments contained in the Decalogue.

Resolved, That we regard it as a high testimony to the wisdom, the virtue, and the piety of our revered forefathers, that they enacted laws rendering the desecration of the Sabbath a penal offence, and securing to Christians of all denominations its peaceable and undisturbed enjoyment, and that to the repeal of these laws, as a whole or in part, this Synod is strenuously and unalterably opposed.

Resolved, That the officers of this Synod be requested, in case circumstances shall seem to require it, to prepare a memorial to the next Senate and House of Representatives, protesting against the repeal of the Sabbath laws, either as they apply to city or country, which memorial shall be circulated among all our congregations for signature, and then transmitted to our State Legislature.

Resolved, That whilst we view with deep regret the attempt made in some quarters to introduce the Sabbath question as an issue in the political arena, we yet seriously deprecate the consequences of the repeal of the existing Sabbath law of the State—and call upon the members of our congregations to take a decided stand in favor of the proper observance of the Lord's day, and by avoiding all questionable employments and practices on that day, to unite example with deed and precept in upholding the sanctity of this holy day, and resisting the efforts made to break it down.

Resolved, That the pastors connected with this Synod be requested at an early date, to preach one or more discourses to their congregations, on the subject of the Sabbath.

Resolved, That these resolutions be published at length, not only in our own church papers, but also in the Harrisburg papers and in as many of the journals of our sister denominations as shall consent to their publication.

T. T. TITUS, E. W. HUTTER, CHARLES A. HAY, DANIEL EPPLEY, Committee.

Rev. Dr. Hay gave notice that at the next meeting of Synod, he would advocate the adoption of the following resolution:

Resolved, That our Synodical constitution be amended so as to authorize all the members of Synod, lay and clerical, to participate in all ecclesiastical business.

The Rev. Mr. ALBERT offered the following resolution which was adopted unanimously, viz:

Resolved, That the worthy President be requested to return thanks to this congregation and the citizens of Harrisburg in general for the truly kind and hospitable manner in which they have entertained us, as a Synod, during our sojourn with them.

Adjourned.

THE NEW JEWISH SYNAGOGUE on Front street, recently notified in the TELEGRAPH, will be dedicated on Wednesday of next week, at which time the Jewish New Year commences.

The occasion is usually one of great interest to the Jewish portion of our community, who religiously observe this and other festivals. The new Synagogue has been fitted up in a style which speaks well for the taste and liberality of those interested.

ANOTHER NEW CONTRIBUTION.—An elegantly illustrated counterfeited on the Bank of Commerce, Philadelphia, is in circulation. A better counterfeit is rarely seen. The plate is excellently engraved, printed on good paper, and except that it is paler than the genuine, is a perfect fac simile.

Now is the time to lay in supplies of coal for winter use, and the place to purchase to the best advantage is at the yard of Mr. Geo. E. Westling, whose card will be found in an adjacent column.

REV. E. HUBER will preach in the Second Presbyterian church (colored) in Walnut street, this evening at half past seven o'clock.

CEMENT FOR CHINA.—The white of an egg well beaten with quick lime and a small quantity of old cement, forms an excellent substitute for cement, when wanted in a hurry.

THE GYMNASIUM.—This is one of the best institutions in Harrisburg, and the wonder is that more of our young men, engaged in sedentary occupations, do not patronize it. It is thoroughly equipped as many of the city Gymnasiums, and an hour's exercise there daily would not fail to develop the muscle and give strength and activity to the entire physical system.

The young men who originated the institution deserve credit, and we hope soon to hear of a large increase in the membership.—Clerks, professional men, and mechanics, who are confined during the day, cannot spend their evenings more beneficially than by visiting the Gymnasium and indulging freely in health-inspiring exercise.

Many young ladies do this daily, and the physical benefit they derive from the various exercises indulged in, is incalculable. The mass of our citizens have no idea of the extent of this institution, nor of the expensive style in which it is fitted up. All such should visit the hall, where it is admitted, free of charge, to "see."

SPECIAL NOTICE.—A man who is well as the world, for curing our class of cases that afflict mankind—a reputation that he deserves as the best antidote we possess for rheumatic complaints. But to be brought into use, its virtues must be concentrated and combined with other medicines that increase its power. Some reliable compound of this character is much needed in the community. Read the advertisement of Dr. Ayer's Sarsaparilla in our columns, and we know it does not occasion from us to give our citizens confidence in what he offers. Organ, Syracuse, N. Y. August-1859.

MRS. WINSLOW, An experienced nurse and female physician, has a Soothing Syrup for children's teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain, and is sure to relieve the bowels. Depend upon it, it will give rest to the mother, and relief and health to your infants. Perfectly safe in all cases. See advertisement in another column. Sold daily.
