Prop. O. J. Woon: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

During the year 1864, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a protessional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every present the cher circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to belive produced a very happy result; two months after the first application, I had as beautiful a head of young heir as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; in moreover, I shall use my influence, which I hatter myself to say, is not a little. You can publish this if you think proper.

OFFIDE OF THE JEFFERSONIAN, Philippl, Va., Dec. 12, 1855.

Had Sine:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer.) has been bald ever since his early youn; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative" which he liked very much; and after using some two or three bottles his hair grew out quite luxurianity, and he now has a handsome head of hair. The gentleman's name is Bradford, and he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford, You can self sgreat deal of your Hair Restorative in this and the adjoining counties if you have the proper agents.

JUDSON'S Mountain Herb Pills.

Mountain Herb Pills.

THE inventor and manufacturer of "Judson's Mountain Herb I ills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years amon the Rocky Mountains and of Mexico, and it was thus that the "Mourtain Here Pills" were discovered. A very interesting account of his adventures there, you will find in our Almanuc and Pamphlet.

It is an established fact, that all diseases arise from IMPURE BLOOD:

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs be come clogged with the poisonous matter; hence a cough—and all from a slight impurity of the fountain-bead of line—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet in a few minutes the whole course of the stream be, comes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body, they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES, Liver Complaint, Sick Headache, &c. This Anti-Billou Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuccitating the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "MOUNTAIN HERB PRISS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and bealth. Is must be obvious not only to you, but to every attentive and intelligent person, that the first diseases of infants arise chiefly from a disordered condition of their bowels, and in this connection, we present to your notice for the alleviation and cure of these diseases, a remedy DR. KATON'S

INFANTILE CORDIAL, Prepared from a formula used by Dr. Eaton with re-nearkable success during several year's practice, we know it to be a most rollable and efficacious remedy for inituitic compliaints, and one trial alone will convince you of its superiority over every other proparation of the kind. It is particularly recommended

For Children Teething. And at this period of infantile life, when your an hearts are paided by witnessing the sufferings of little ones, it will be found invaluable in Softenia little ones, it wilde tound invaluable for Cams, Reducing Inflammation, and Relieving all Pain. For Discases attending Teething, such as Diarrhoza, Dysentery, Griping in the Bonsels, Acidity of the Slomach, Wind, Colic, and Cord in the Head, we considently offer this as a cortain relief and cure in every case when given in time. It will invariably regulate the stomach and bowels, and its importance in this respect can hardly be estimated.

In Convulsions. paration of iron must necessarily be salutary, for unlike the old oxides, it is vigorously tonic, without being exciting and overheating, and gently, regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

 No Morphine or Opiate, of any kind, or of whatever nature, ker a fact which we are fully warrunted in stating casno be said of any other preparation for infantile disease, at this time before the rubtic. Set We find that throughout the country, Mothers are becoming convinced of this truth, and of the sad and blighting consequences which are certain to result from the use of narcotics disguised in the form of quieting remedies; their continued administration being invariably followed by stupelaction, and constipation of the bowels, ending oftentimes in convulsions. Herein Dr. Karon's infantic Cordial differs from every other remedy. It

Does Not Constipate the bowels, neither does it, act by deadening the sensibilities of your children, but naturally, through its rare medicinal qualities, by removing all pain and cause of disease. We carusetly recommend you, therefore, to lose no time to procuring a bottle, that you may have at hand a remedy which will never fail to relieve your child in time of need. At it perfectly harmless, and cannot injure the most delicate infam.

Take none but DR. EATON'S INFANTILE CORDIAL.

Take you can rely upon. Price 25 cents per bottle.
