MENTALLY. The least of the faculties of the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirit, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the worst of evils.

Thousands of persons of all ages, can now judge what the cause of their declining health, losing their vigor, being coughing, weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN who have injured themselves by certain practices, indulged in when alone, and which are learned from evil companions, or at school, the effects of which are slightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from the bosom of his family, and die in the prime of his life, leaving behind him a wife and children, who are left to the tender mercies of a cruel fate.

DR. JOHNSON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS. By this great, lost, and forgotten Remedy, the Organs are speedily cured, and full vigor restored.
