DR. KATON'S INFANTIL E CORDIAL

Prepared from a formula used by Dr. Eaton with re-markable success during several year's practice, we know it to be a most reliable and efficacious remedy for inlantile complicities; and offs trial-alone will convince you of its superiority over every other preparation of the kind. It is particularly recommended

For Ohildren Teething.

In Convulsions, III UOIIVUISIONS, from which more infants are said to die than from any other disease, the little sufferer is relieved as instantane-ously, as if by magic; and in this dread complaint alona, its intrinsic value is such that it has been recommended from one family to another, until the name of Dr. East-on's Infantile Cordial has become "familiar as a household word." We now ask your attention to a sub-ject of vital interest to yourself, as well as to your suffer-ing child.
