The whole affair passed off with eat eclat, and in such a way as to do credit to e managers, and to the "Hivers" as a com-

MEETING AT BEERYSBURG. - The late Repub can meeting at Berrysburg, was the largest d most enthusiastic political demonstration ver witnessed in that village. Delegations udging from the enthusiasm manifested, the ight kind of feeling prevails, and a tremenus majority may be expected in Mifflin townhip for the gallant Curtin, and the whole unty ticket. A delegation of Wide-Awakes om Gratztown were present. They caused ite an excitement, and made a creditable pade. The meeting was organized by calling ot Bergstresser, Eeq , to the chair, and appointing of a number of Vice Presidents and cretaries. The mosting was addressed by esers Casey, Boughter, Wallower and Allean, whose speeches were well received, and ill have a good effect. The upper end is all ight, and will give a largely increased maority for the Republican ticket this fall.

Since writing the above, we learn that the ere until quarter past eleven o'clock to-night, wing to obstructions on the track.

The Mayon's Office.—There was quite a brisk business at the Mayor's office this morning. The list case was that of John Newlan, a dapperoking Irishman-who was arrested by the Chief for drunkenness and disorderly conduct Moyer's shoe store in East State street. After a hearing this morning the Mayor disharged him upon payment of fine and costs. long, lank-looking individual, from the lixth ward, was caged yesterday by Chief Morsan for being drunk and disorderly in Market treet. The Mayor, this morning, imposed pon him the inevitable "one dollar and costs," ind lank-looking individual relired. Previous to hearing the above case an intoxicated Irishman, whose name we have forgotten, entered the Mayor's office with the view of effecting the liberation of one of his friends in the lock-up. His honor, the mayor, directed Chief Morgan to show the Irishman his friend, which he did, taking care to turn the lock and key on him. This morning he had a hearing before the May or, and under the peculiar circumstances of the case was discharged. An Irishman named Cochran, was arrested yesterday by the Chief for drunkenness and disorderly conduct. Upon a hearing before the Mayor this morning, he was arrested last evening by officer Essig, for being drunk and disorderly. He was discharged by the Mayor upon payment of fine and costs. A voluntary lodger named Henry Williams, spent the night in the lock-up, and was disharged this morning.

THE GRADZIOWN MEETING .- NOVEL AND EN- A STATED MEETING of the Mount Vernon 1 noticed the Republican Mass Meeting at Gratz- at 7½ o'clock. A full attendance is desired. town on Saturday. Since then we have been furnished with fuller details of the demonstration, which was of the most enthusiastic and encouraging character. The meeting excelled, in numbers, any ever held there in former years by either political party. Large delegations from Mifflin, Lykens and Washington townships were present in the afternoon. A novel feature of the programme was ten large wagons, filled with honest yeomanry from the rural districts, drawn by six, seven, ten, fourteen and sixteen gaily capatisoned horses. The procession, headed by the Wide Awakes, was a by the ladies with encouraging smiles and waving of handkerchiefs, and enthusiastically cheered by the crowds of zealous Republicans destrian Clubs, and if the weather should prove who thronged the street. The procession finally halted in front of Keiser's hotel, where a platform made of "rails" had been erected for the officers and speakers. The meeting was called to order by Dr. Hower, and organized by the appointment of the following officers:

President-H. B. SCHREINER, of Lykens. Vice Presidents-Solomon Loudenschlager, Dr. Isaiah Sminkey, Daniel Lehr, Daniel Good, o the borough of Gratz; Amos Hoffman, Solomon Hess, Peter M. Campbell, Beneville Daniel, Joseph Gense, Joseph Umholtz, of Lykens town ship; James Hoffman, Benj. R. Buffington of Washington township; Benj. Bordner, Josiah Weaver, of Mifflin township; Daniel Keiser, Daniel K. McClure, of Wiconisco; and Dr. W. W. Robbins of Halifax.

Secretaries.—A. P. Lark, Jonas Loudenschla ger and J. Frank Miller, of Berrysburg. Dr. Houser was then called for, who respon

led in a very able address in advocacy of the principles of the Republican party. Col. John Wallower followed, defining his position on the leading questions of the day, and particularly on the tonnage tax, showing conclusively that he was sounder on that question than his Locofoco opponent, who is daily recieving favors from the Pennsylvania Railroad Company, and whose private interests would lead him to sustain the Company if elected. Hon. Joseph Casey was next introduced and made an earnest and logical speech, eloquently advocating the great Republican doctrines of free soil for free white men, free homes for the homeless, and protection to American industry. He dwelt upon the necessity of carrying the State in October, and closed with a strong appeal to the Republicans to turn out on Tuesday next and vote the whole Ticket. The closing speech was made by Amos R. Boughter, Esq., in the German language, and such was ere present from all the adjoining townships. the effect produced that at the close of his remarks he was seized upon by the excited and enthusiastic crowd, and borne upon their shoulders from the platform to the hotel, amidst deafening cheers. Wherever Mr. Boughter has mingled with and addressed the people of our county he has made a highly favorable impression. The meeting then adjourned with several cheers, and two or three "tigers" of the real Bengal stripe, for Lincoln, Curtin, and the whole

county ticket. In the evening the Wide Awakes made a torch-light parade, with banners and music, and presented a fine appearance. The display attracted a large crowd of people who were entertained with an excellent speech by H. C. Alleman, Esq. The demonstration was a glorious one, and augurs well for the Republican carin that section of the county.

THE ATTEMPT TO BUY PENNSYLVANIA.—The New York "World," noticing the foray to be gerous evil. But the game won't win. However purchasable a few mercenary politio give our citizens generally an opportunity of cians may be, the people cannot be bought. Our gallant Andy Curtin will triumph over all the combinations of men and money that can rain containing the royal party will not reach be brought to bear against him. A Republican triumph in the old Keystone on Tuesday next, is as clearly indicated by the signs of the times as if written upon the heavens with a pencil of sunbeams.

THINGS ARE WORKING .- Never, perhaps, in any political campaign, were the people as 'wide-awake'' as in the present one. From all directions we receive glowing and cheering accounts of "the masses moving," "thousands of freemen in council," "tremendous Republican rally," and reports of speeches made by The front trimmings are composed of maribout prominent men who have gone into the canvass heart and soul. Wide Awake and other clubs de visite, and is made of a purple and black velare organized and forming in all the northern, western and eastern states. The indications solid ones too—are that Lincoln and Hamlin will sweep the free States as with a political whirlwind. Let the enthusiasm continue; let every man young and old, who loves his country, join in the work, and aid to the extent of his power the cause that will be triumphant.

Freemen we ; hurrah ! hurrah ! Gallant Lincoln well we know,

THUSIASTIC DEMOMSTRATION. - THE UPPER END Hook and Ladder Company No 1, will be held from the west over the Pennsylvania railroad, WIDE AWAKE.-In our last issue we briefly in their hall next Wednesday evening, Oct. 3d,

> THE YORK COUNTY FAIR commenced to-day. Excursion tickets at reduced rates, good until Saturday, will be issued by the Northern Central Railway Company, for the accommodation of people in this city and vicinity wishing to visit the exhibition. Trains leave daily at 1.40 and 7.30 in the morning, and at 1.00 in the afternoon.

A SIGHT WORLH SERING.—The Republican Equestrian Ciubs of Chester and Delaware counties have resolved upon a grand parade very large one, and as the gallant Republicans and torch-light procession, at West Chester, on passed through the town with flags and banners Thursday afternoon and evening next. It will flying, and music playing, they were greeted be one of the largest bodies of men ever seen on horse-back in the State. They will probably be joined in their exercises by many of the pefavorable, the display will be one of the grandest ever witnessed in the district.

> Going to MECHANICSBURG.—The Harrisburg Wide-Awakes will make an excursion to Mechanicsburg next Friday evening, and unite with their brethren of that place in a grand torch-light procession on the occasion of the Republican mass meeting. The Carlisle, New Cumberland and Shiremanstown clubs are also expected to be in attendance, so that the Mechanicsburg people may look for a brilliant

> A DELICATE COMPLIMENT .- The courtesy of the People's Party in this campaign is most marked. Col. Curtin has won many friends for the consideration with which he speaks of his opponent for Gubernatorial honors. A delicate compliment has grown out of this. At Greensburg, recently, where Col. Curtin spoke, Mrs. Foster, sent a boquet to the Colonel, requesting his acceptance of it, as a token of respect for the gentlemanly manner in which he has treated her husband in the campaign. A lesson to stump speakers of the Democratic

> A FAMILY OF CONVIORS .- Among the prisoners sent to the Penitentiary at Pittsburg on Saturday, were five persons belonging to one family-father, mother, two daughters and son-in-law. Their offence was larceny, and it is said that the son-in-law enticed the girls to steal, while the old man and his wife were convicted as receivers of stolen goods. One of the daughters is single, while the other is the wife of the individual who is blamed for all the trouble. Another of the daughters had been arrested, but being placed in an insecure cell in the jail at Kittaning, she made her escape. The separation of the parties, upon being assigned separate cells in the penitentiary, is described as a most affecting and distressing scene The old couple are said to have enjoyed an excellent character up to the time of their arrest and they will no doubt be pardoned.

> Money in Elections.—The rumor that large sums of money have been sent, and still larger sums are to be sent, by the Democrats of other States into Pennsylvania, to carry the October election against the Republicans, seems to be well founded. Some of this money is now circulating in Harrisburg. It is not often that we quote Mr. Buchanan, but the followingtract from a published letter, written by him in 1848, expresse contiments so just and impor-tory that we quote it as applicable to the Democratic party at this time:

> I shall assume the privilege of advancing rupted, and the people become venal, there is a must cause it to wither and die.

THE NEW FALL BONNETS.—In the midst of py Rome. political excitement, we must not overlook our lady readers, who are auxious to know all about the "fashions." Some of the "coming bonnets" are thus described by one of our New York exchanges :- "Among the bonnets are to be some of the finest descriptions of velvet that can be made. The ground work of one that we have seen is composed of white uncut velvet, ornamented by fruit of gold and black color with rich purple velvet leaves. The front trimmings are composed of moss, roses and blonde, with strings of white and gold. Another style is composed of purple uncut velvet, ornamented with point lace, purple velvet grapes, with gold stems-stars with connecting chains of gold, &c. Another is an evening bonnet of cherry colored velvet and point lace, with maribout plumes, fastened with gold pins. plumes, and blonde. Still another is a chapean vet, with curling ostrich plumes, the front trimmings composed of velvet flowers and blonde lace. Another is a very rich article, and is formed of pink uncut velvet and ostrich feathers: the latter looking as if they were carelessly thrown upon the bonnet and had there rested. This style has ornaments. The front trimmings are moss roses and blonde. We need scarcely tell our lady readers that the 'scoop' or 'coal scuttle' hat has entirely vanished, and the style of the new fashions is a arms. neat, small bonnet, suitable to almost any feature, adding beauty to the beautiful, dignity to the queen-like, and improving the appearance of all."

FEVER AND AGUE having made its appearance we advise all afflicted to get BANNVART'S ANTI-PERIODIC, which is a positive cure. Sold only by C. A. BANNVART, who will also send it post paid to any address on receipt of 17 letter stamps.

RAILBOAD DETENTION.—No trains arrived here FA resolution was passed by the Senate emsince one o'clock this morning, up to two o'clock this afternoon. We learn that the detention was caused by the breaking down of an engine at Mapleton station, which completely obstructed the track. It was expected that the track would be clear in time for the passage of trains this afternoon.

Took THE PREMIUM. - Our young artist-friend, Mr. Harry Davis, was awarded a silver medal at the Lancaster Fair for several paintings, among the number his "Red Cap," "Chevalier's Pets," and "Council of Dogs." At the State Fair he was awarded a silver medal, a diploma and ten dollars, for the pictures noticed in our columns a week or two ago, consisting of fruit pieces and cattle. As an artist Mr. Davis is an honor to our city, and we congratulate him upon his success. We always like to see true merit properly appreciated.

ROBBERY.-The steam planing mill and nachine shop of Mr. George Trullinger, situated in Race street a short distance below Paxton, was entered some time last night by a thief cr thieves and robbed of about fifty dollars worth of carpenter's tools. A chisel belonging to a per son who formerly worked in the shop, since dead, was found on the premises, which was evidently the instrument used by the thief in effecting an entrance. Under these circumstances information was made before the Mayor by Peter Bernheisel, jr., against a relative of the deceas ed carpenter, in whose posession, it is alleged, the tools belonging to the deceased, were placed as being the author of the robbery. Accordingly, a warrant was issued and placed in the hands of Chief Morgan, who shortly afterwards arrested the supposed thief. Upon a hearing before the Mayor, a further hearing of the case was postponed until next Saturday at three o'clock, the prisoner, in the meantime, entering bail in \$400 for his appearance.

## Latest from Oregon.---Action of the Breck-inridge Democrats.

News has been recieved overland from Oregon by telegraph from Ageka, the northern terminus of the State line.

The Oregon Legislature met at Salem on the 10th. The House organized by choosing Ben-jamin Harding a Douglas democrat, who at the last two elections voted for Mr. Logan, the Republican candidace for Congress,) Speaker; McP. Patten (Republican,) Chief Clerk; Allen (Douglas democrat.) Assistant Clerk and Mr. Leverage (Republican,) Sergeant-at-

The Senatorial organization of the Assembly was regarded by the Breckinridge members a an indication that a Douglas Republican coalition was already formed to elect Colonel Baker and S. W. Nesmith, United State Senators.

The Constitution of Oregon requires two thirds of all the members elected to each House to form a quorum to do business. Upon reeiving the news of the organization of the House, six of the Breckinridge Senators bolted and left Salem early on the morning of the 11th. The Senate was thus left without a quorum, and in that condition it has continued up to the latest accounts. The names of the ators who withdrew are Messrs. Florence Monroe, Berry, McHenry, Fitzhugh and Shelby, the latter being a son-in-law of Gen. Lane.

The Sergeant-at-Arms, to whom has been intrusted the delicate task of bringing back the absconding Senators, is of the same political faith. The assistant secretary and the enrolling clerk are Republicans. An attempt will be made in An attempt will be made by the Breckinridge men to defeat a quorum in the House, in order o prevent the election of Baker and Nesmith. This cannot be accomplished, and the want of quorum in the Senate will not necessar prevent the election of the Senators. It is probable that the two United States Senators will be elected by a coalition between the Douglas men and the Republicans. Col. E. D. Baker has received the Republican nomination in caucus, and will be one of the Senators, i there is any election at all. This is generally conceded on all sides.

THE HOUSEKERPER'S FRIEND.—SPALDING'S PREPARED GUE.—This admirable addition to our standard household economes will be held by all good housewives as a boon long wished for, but hitherto unattained. Spalding's Propared Glue is perfectly adapted for those timely repairs to household wares, furniture, crockery and for fancy work, that is almost daily demanded by the experience of every housekeeper. It is chemically held in solution, will withstand the action of climate and time, retains its full strongth, and is put up in a snug convenient bottle, with a brush, all for twenty-five cents. On being applied, the chemicals readily evaporate and the glue becomes firm quickly, and adheres with the tenacity of the best cabinet-maker's glue. For wood, leather, or other articles where glue is aver used, it is just the thing. We have tried it, and speak by the card. In the country it will be invaluable, and nobody in the city will think of doing without it. If Mr. Spalding desires to become a candidate for the Presidency, and his friends stick like his glue, he will be sure of an election. THE HOUSEKEEPER'S FRIEND .- SPALDING'S

How to PRESERVE BEAUTY.—Nothing is more HOW TO PRESERVE BEAUTY.—Nothing is more becoming to a man or woman than a luxuriant head of hair, and a woman's beauty is certainly incomplete with out a fair compication, and sho or be who neglects these great and important adornments of nature must expect to suffer the mortification of premature baldness, and a wrinkled face and a sallow skin. wrinkled face and a sallow skin. Nothing is necessary to preserve these essential attractions but the use of Prof. Wood's Restorative.—Louistille Times.

Prof. Wood's Restorative.—We have had occasion to use this fameus preparation of Prof. Wood's and after thoroughly testing its qualities, we find that where the hair is thin it will thicken it, if gray it will restore it to its original color; likewise, it gives a glossy appearance, as well as keeps the hair from falling off.—This invaluable ingredient is for sale at "Chinaman's Tea Store," south-east corner Frederick and Bultimore Sts., by Mr. J.
