THE LAST GRAND RALLY!

PEOPLE'S MASS MEETING

AT HARRISBURG.

ON MONDAY EVENING

CURTIN AND VICTORY!

The last grand rally for the State campaign, of the friends of Lincoln and Curtin, will take place in THIS CITY ON MONDAY EVENING, when it is hoped the opponents of the present corrupt National and State Administrations will turn out in the majesty of their strength, preparatory to the great preliminary battle to be fought on Tuesday. The WIDE AWAKES will be out in full force, with music and banners, torches and transparencies, and make a grand display.

Commi leads the column! Is there one
That will not now his armour dan,
And charge amid the battle's van?
CURTIN leads! Un! Freemed on!

The meeting will be addressed by SEVERAL DISTINGUISHED SPEAKERS, whose names will be announced hereafter.

HO! FOR MIDDLETOWN!

WIDE AWAKES! TURN OUT!

The City Wide-Awake Club will meet at Exchange Hall THIS EVENING at quarter past hix o'clock, fully equipped, to proceed to Middletown. A FULL TURN OUT is earnestly desired, arrangements having been made to send the entire club.

JACOB M. EYSTER, Captain.

CHESTNUTS were plenty in market this morning and sold for a shilling and fourteen cents a quart, according to quality. They are bought up in large quantities by hucksters for shipment to other markets.

Going to Carlista. -- The terrified Democracy of this city intend sending a large delegation to the Carlisle meeting this evening. The Sentinel intimates that the excursionists will "have a high old time." We do not doubt it. A special train leaves here at half-past five o'clock, and will return about midnight.

For Middlerown.-The excursion train for Middletown will leave here this evening at half-past six o'clock, and Harrisburg: should send a large delegation. Hon. Anson Burlingame, of Massachusetts, Hon. John W. Killinger, and Samuel C. Reeves, Esq., of Philadelphia, are announced positively to address the meetiog. The last named gentleman, who was one of the original Fillmore men in 1856, is said to be a capital stump speaker.

CAUGHT IN THE ACT .- Last evening a small boy was detected in the act of stealing some apples from one of the hucksters in market. The make a practice of frequenting the market place on Tuesday and Friday evenings; and those of them who are dishonestly inclined cannot resist the temptation to purloin fruit. The lads who congregate there not only annoy ladies and gentlemen who visit the market to make purchases, but they form bad associations, and contract immoral habits which may exert an evil influence upon their whole future lives. Home is the place for little boys after dark, and parents are consurable for not keeping them there.

QUALIFICATIONS OF VOTERS .- The law requires a person who claims the right to vote, to have been a citizen of this Commonwealth "at least one year, and in the Election District at least ten days immediately preceding such election, and within two years to have paid State or County Tax, which shall have been assessed at least ten days before the election. But a citizen of the United States, who has previously been a qualified voter of the State and removed therefrom and returned, and who shall have resided in the Election District, and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months. But citizens of the United States, between the ages of twentyone and twenty-two years, who have resided in the Election District ten days as aforesaid, shall be entitled to vote, although they shall not have paid taxes."

THE MECHANICSBURG MASS MEETING, last night, was one of the largest political gatherings held in this section of the State since the opening of the campaign, almost equaling in numbers the late great demonstration at the Capital of the State. Six companies of Wide Awakes were in attendance, numbering nearly four hundred equipped men, and the display was a magnificent one. As the procession moved through the town, the Republican ladies who thronged the sidewalks, doors and wip. dows, greeted the gallaut Wide Awakes with encouraging smiles, waving kerchiefs, and a continuous shower of fragrant boquets. The Harrisburg Wide Awakes made a fine display, as usual, and were generally admired for their handsome appearance, correct marching, and gentlemanly deportment. The immense crowd of people present were addressed by Hon. Joseph Casey of this city; Dr. Leib, editor of the Illicounties in that Congressional district do what minutes after he left the stand. The meeting over twelve hundred majority. Scores of De is right, Mr. Junkin's re-election to Congress was the largest and best ever held in lower morrats will support him because of his obliging may be regarded as certain.

10 CENTS, 10 cents, only 10 cents a copy for Life of Lincoln, 1 vol.:12 mo. 216 pages.

A REPUBLICAN MASS MEETING was held at Marietta last evening, and the Wide Awakes made a brilliant display. Maj. David Mumma, of this city, was one of the speakers, and delivered a lengthy and argumentative address.

RAILBOAD ACCIDENT .- On Thursday evening the train of cars which left Baltimore for this city was thrown from the track when leaving the former city, and the fireman, and a small boy, were seriously injured. The latter's leg was badly smashed.

In the Lock-Up .- Jenny Brown, Henry Heller and Wm. Mulrough, were confined in the lock-up last night for drunkenness and disorderly conduct. Upon a hearing before the Mayor this morning, the two former were committed to prison, and the latter discharged upon payment of his fine.

METHODIST SERVICES. -- In the Vine street church Rev. C. H. Young, of Louisville, Ky., will pleach in the morning, and Rev. Robert J. Carson in the evening. In the West Harrisburg Chapel Rev. Robert J. Carson will preach at quarter past three, and Rev. J. C. Young in continued next week.

VIOLATING AN ORDINANCE.—A freight-car conductor, named Hugh Auld, made information before the Mayor last night, against Jno. Brant. of Middletown, and John Haus and Christian Evy, of Harrisburg, for violating an ordinance in running their cars through Mulberry street, without having flag-men stationed at Front and Second streets. A hearing of the case will take place at seven o'clock next Friday evening.

MIKED TIOKETS.—Every Republican voter should examine his ticket carefully before depositing it in the ballot box. See that all the names are upon it, from Governor down to Auditor. Mixed tickets are in circulation having the names of some of the Democratic and inde pendent candidates upon them, in place of those of the Republican nominees. We repeat the caution, examine your tickets!

A VIOTIM OF TAXBLEFOOT. -In further reply to the slang of the local reporter of the Patriot and Union, lately hurled at our devoted head, we point to a perambulating specimen of its decency and decorum that is haunting the barrooms and beer-shops and adorning the gutters of this city, to-day. We ask no further vindication than this beastly exhibition of filth, falsehood and fumigated intoxication.

REPUBLICAN RAILY IN SUSQUEHANNA TOWNsure.—The sturdy yeomenry of old Susquehanna were out in full force at Whitley's school house last night, and made a glorious demonstration. The Paxton Lincoln Rangers paraded on the occasion, adding largely to the interest of the meeting. Addresses were delivered by B. Franklin Etter, Esq., and Col. A. C. Smith, and both gentlemen made a good impression. Al is right in Susquehanns, and the whole ticket will receive an undivided party vote.

MONDAY NIGHT .- The city will be in an uproar on Monday night. Both political parties intend to do their prettiest on the occasion, and there will be two imposing demonstrations. The Republicans will have a torch-light parade and a mass meeting either at Brant's Hall or in Market Square. The Democrats are making preparations for a mass meeting in front of the Buehler House, and will display a large number of brilliant transparencies. We may thereowner of the fruit, after regaining possession of fore look for a lively time on Monday night, it, severely reprimanded the lad, and permitted should the weather be favorable. It is the inhim to depart. Large numbers of juveniles tention of the Mayor to appoint a special police force to preserve order.

> BRUTAL MURDER OF A WIDE-AWARE BY DOUGa private letter from a reliable gentleman of men of the North. It must be remembered, Johnstown, dated October 4th, in which he too, that where slavery exists the white states that Col. George Fritz, of the great Iron | mechanic and laborer have at all times heretoing Col. A. G. Curtin made a spirited address to to elevate to power the very men whose every the people of that region, and was subsequently aim is to sustain this grievous inequality; and escorted by the Wide Awakes to the 11.40 train | yet, forsooth, we are gravely styled negroon the Pennsylvania Railroad. On the route worshippers! Shame on the cowardly doughone of the Wide Awakes left the line, and was attacked in a terribly brutal manner by a party of half a dozen or more Douglasites. After beating the unfortunate man fearfully, one of Congress, since Mr. Clay's time, who has in the them struck him with a stone. His injuries least aided in securing to Pennsylvania a fair proved fatal on Sunday evening. Six of the assailants have been arrested and are now in jail for the crime, at Ebensburg. The occurrence has cast a gloom over the whole town.

REPUBLICAN MEETING AT HIGHSPIRE.-A large and enthusiastic Republican meeting was held in Highspire last evening. A full delegation of the Middletown Wide Awakes, together with a large number of other Republican citizens from that borough, were present, accompanied by a band of martial music. There was also a delegation of the Paxton Lincoln Rangers present, under command of Capt. E. C. Jordon. The people of Highspire and the adjoiningtownships were out in their strength, and mani fested the same enthusiasm and determination to be successful, that characterized them in the Harrison and Clay campaigns. Issac Mumma, Esq., presided, assisted by a number of Vice Presidents and Secretaries. Addresses were delivered by H. C. Alieman, Egg., Col. John Wallower and Capt. D. J. Boynton. At the conclusion of Col. Wallower's speech, a magnifi cent wreath was presented to him by Mis8 Erismen, of Highspire, a lady whose whole heart is in the Republican cause. The gallant Colonel acknowledged the compliment in a brief and appropriate address, and retired smidst enthusiastic applause. Col. Boynton proclaimed himself a Bell man, but disgusted duble-faced hypocrisy! "Lo! on a narrow neck of land, Between two rival chiefs they stand, And cast a wistful eye."

FUNERAL SERMON IN BRANT'S HALL-By request of the husband and children of the deseased, the funeral sermon of Mary Freeze, (died August 16th, 1860,) wife of Jacob Freeze, of this city, will be preached by Rev. A. X. Shoemaker, in Brant's Hall, to morrow morethe evening. The protracted meeting will be ingustice o'clock. Divine service will be held in the evening at the same place.

> THE PARADE ON MONDAY NIGHT.—The Wide Awakes of this city, and the Paxton Lincoln Rangers, should turn out in full force on Monday night, and fill all the equipments. It is probable that the Wide Awakes of New Cumberland, Hummelstown and Middletown, will participate in the demonstration. We hope to see every member of the Astricburg club on duty. Turn out, one and all!

No Bonfires .- Mayor Kepner authorizes u to say that no bonfires will be allowed within the city limits on Monday night, or at any other time. The ordinance on this subject will be strictly enforced, and all offenders promptly DAILY TELEGRAPH arrested and punished. DISTINGUISHED ABRIVALS .- Among the distinguished strangers in this city to-day is Lady Franklin, of England, who arrived in the noon train and took quarters at the Jones House, where she will remain until Monday next. Hon. Anson Burlingame and Hon. John W. Killinger also arrived here this afternoon, on their way to Middletown, where they are announced to address a mass meeting to-night.

A WIDE AWAKS ATTACKED .-- Mr. Saml. Rouch residing in the sixth ward, a member of the Wide-Awake club, while on his way home last night about twelve o'clock, after the return of the club from Mechanicsburg, was attacked by scruple to assassinate a political opponent if carrains, and has advised his friends not to they could do so without fear of detection.

DETTER FROM MILLERSBURG.

MILLERSBURG, Oct. 5, 1860. EDITOR TELEGRAPH :- The cheering indicaions we have from the various districts in the upper end, of a signal and triumphant endorsement of every man upon the People's ticket, has induced me to communicate with you .-Large numbers of staid, reliable men, who have become disgusted with the present profligate, corrupt Buchanan administration, have boldly thrown off the shackles, and now manifest a yearning desire for the chastisement of the party that has sacrificed manhood, honor and common decency by pandering to the South in its unholy efforts to extend the blighting LABITES.—THE MURDERERS ARRESTED.—The edi- | curse of slavery in territory that long since tor of the Philadelphia Bulletin has been shown should have been given to the poor homeless while Works in Johnstown, is the Captain of a Club fore been treated with a vast deal less respect of Wide Awake Lincoln Rangers, comprising and civility than the negro. The Locofoco over three hundred members. On Friday even- party has always been earnest in its endeavors faces!

Then again, examine the record, and point to a single Southern locofoco representative in and judicious tariff. Not one of them is on record. And yet they have the audacity to demand unqualified protection for their interests in the negre. If the negro is to be fostered as property, why shall not our stupendous ore banks, coal fields and furnaces, (from which the poor white man derives a livelihood,) share the same protection? This is a subject that requires but little reflection when you come to seek the remedy. It resolves itself into a nut-shell. The people of the South, through their representatives, have fastened upon you the pauper labor of Europe. Will you then, in return, dog-like "lick the hand that smites you?"

I have confidence in the integrity of the masses. I cannot believe that the yoke sits so heavily upon their necks, as to cause them to yield serf-like, all manhood and State pride, together with the dearest interests of our common

country.

Reliable information from all portions of the county indicate the election of the whole county ticket. It is true, a very great effect has been made to seduce the suffrages of the p'eople from our candidate for Sheriff, but so far the effort has amounted to idle wind. The people here will remember Mr. Boas' appeal made to them previous to the nomination. It was, that by all means Hoffman should be nominated, in order to strengthen the ticket. Boss was then a candidate for nomination for another office, and used that argument here where he knew Hoffnor. Are they aware that he once betrayed the Democracy of Lehigh county into his support as an independent candidate for the Senate? This is a fact: and he has since often grinned and talked over the manner in which he bamboozled

the Lebigh Democracy.

Mark the prediction! Hoffman will have disposition and high-toned integrity.

New Goods!-Having returned from New York, I have received now a large lot of goods, all of which I bought at auction. 100 peices of beautiful set flowered delaines, at 20 cents; 50 pieces unbleached muslin, the best in town, at 10 cents; 150 pieces of cassinetts.
