LI UOIIVUISIOIIS, from which more infants are said to do that from any other disease, the little sufferer is relieved as instantane-ously, as if by magic; and in this dread complaint alone, its intrinsic value is such that it has been recommended from one family to another, will the name of Dr. East-on's Infantile Could at has become "familiar as a bouget of word." We now ask your attention to a sub-ject of vital interest to yourself, as well as to your suffer-ing child. Dr. Eaton's Infantile Cordial contains

It must be obvious not only to you, but to every atten-live and intelligent person, that the first diseases of in-fants arise chiefly from a disordered condition of their lowels, and in this connection, we present to your notice for the alleviation and curo of these diseases, a remedy

DR. EATON'S

INFANTILE CORDIAL,

Prepared from a formula used by Dr. Raton with re-markable success during soveral year's practice, we know it to be a most reliable and efficacious remedy for iniantile complaints, and one trial alone will convince you of its superiority over every other preparation of the kind. It is particularly recommended

For Children Teething.

No Morphine or Opiate,

of any kind, or of whatever nature, BT a fact which we are fully warranted in stating cannon be said of any other preparation for unfantile disease, at the time before the public-CA. We find that throughout the country, Moth-ers are becoming convinced of this iruth, and of the ad and blighting consequences which are certain to result from the use of narcotics disguised in the form of quiet-ing remodies; their continued administration being in-variably followed by supelaction, and constigation of the bowels, eading oftentimes in convulsions. Herein DR. KATON'S INFANTLE CORDIAL differs from every other remedy. It Dace Not Constituets.
