And testimonials, new; and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

BATTL CREEK, Mich., Dec. 21, 1880.

PROF. WOOD: Thee with please accept a line, to inform these that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I having not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Haff Restorative about the first of August last. Fealing confident that another large bottle would restore it entirely and permanently, I feel auxious to persovere in its use, and being destitigts of means to purchase more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the widow and fatherless."

Thy friend; SUSANNAH KIRBY.

Ligonier, Noble, Co., Indiana Feb. 5th, 1859.
Proor. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the Etate and National Liw School of the State of New York, my hair, from a cause unknown to me, commenced falling off yery. rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my, more inlimate acquaintances were to recognize me at all.

Tat once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a gruggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time; I have used seven dollars worth of your Restorative, and as a result, baye a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in

DR. MOTT'S CHALYBEATE RESTORATIVE

PILLS OF IRON. An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, ooth in Europe and the United states, as d prescribed in their practice.

practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innovious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

Debility, Nervous Affections, Emancipation, Constipation, Diarrhoea. Dysentery, Incipient Consumption, S. rofulous Tuberculosis, Salt Rhenm, Mismenstruction, Whites, Chlorodis, Liver, Compitaints, Chronte Headlaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In case of General Debility, whether the result of acute disease or of the continued diminition of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appleared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name,

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of from must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating, and genly, regularly aperient, even in the most obstance cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable gensation:

sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant Cestiments. In nuchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

lignast, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent heetic, which generally indicate Inciplent Consumption, this remedy has alayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In Serofulous Tubercallosis, this medicated iron has had far more than the good of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy and resionairs, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—
in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joined muscles.
In Intermittent Feveres it must necessarily be a
great remedy and energetic restorative, and its progress
in the new seutlement of the west, will probably be one
of high renown and usefulness.

No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy and
fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately
toflow its use.

PAIN, and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, AND, RELIEF AND HEALTH TO YOUR HYANTS.

We have put up and sold this article for over ten years, and can say, in complemen and from the perfect that we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE TO REFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DE KNOW, after ten years" experience, and PLEOGE OUR ERPUTATION FOR THE FULFILLENT OF WHAT WE HERE DEGLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescripton of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with MEYER FAILING STOCKES in THOUSANDS OF CASES.

It not only relieves the child from pains but invige-SURE TO REGULATE THE BOWELS.

New England, and has been used with NEVER FAILING STOCKES in

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which if not speedily remedied, end in death. We believe it the HERT and SURET REMEDY IN THE WORD, in all cases of DYSENTERRY AND DIARRHIGA IN CHILDREN, whether, it arises from teeting or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints. Do Not LET YOUR FREIDINGES, NOR THE PREJUDICES OF OTHERRS, stand between you and your HE PREJUDICES OF OTHERRS, stand between you and your suffering child and the relief that will be SURE—yes, AB-SOLITELY SURE—to follow the use of this medicine, it timely used. Full directions for using will accompany each bottle. None' genuine unless the fac-simile of CURTIS's PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the werld.
