The members of the KEYSTONE WIDE-AWAKE CLUB will meet at Exchange Hallat six o'clock on SATURDAY EVENING. fully equipped, to attend a meeting at Bridgeport. A full tunn out is desired.

JACOB M. EYSTER, Captain.

A STATED MEETING of the Washington Hose Company will be held at the hose house this (Friday) evening at 7½ o'clock. Punctual attendance is required.

THE UNION PRAYER MEETING will be held in the Presbyterian church, corner of Market Square, to-morrow afternoon, commencing at four o'clock, as usual.

NEW Corn.—The farmers in this vicinity have husked and housed most of their corn. The crop proves to be rather a better one, both in quantity and quality, than was anticipated.

A REPUBLICAN MASS MEETING will be held at Bridgeport to-morrow evening, and addresses delivered by several able speakers. The Harrisburg and New Cumberland Wide-Awakes will make a torch light parade on the occasion.

THANKSGIVING BALL .- The members of the Good Will Fire Company are making arrangements for a ball, to come off in Brant's hall on the evening of Thanksgiving day. No doubt it will be a pleasant and creditable affair.

CATAMOUNT SHOT .- Mr. George Walch, of York county, recently shot a large sized wild cat. The "varmint" was chased up and treed by a dog, and killed by a discharge from a shot gun, five shot finding their way to its heart -Rather unusual kind of game for this region.

Another Discovery.-It is rumored that whalebone trees have been discovered in the vicinity of the celebrated oil springs in Pennsylvania. A chap has gone out there to start an umbrella factory, and expects to make a spread while the excitement reigns.

Ponkers -- Immense numbers of hogs arrive here every few days from the west, and pass over the Lebanon Valley Railroad to New York city. Long trains of cars are filled with grunters, who perfume the atmosphere as they pass.-The hog cars are two-storied, and literally jammed with the live stock.

A Double Shor .-- A young man named Reisinger, of York county, recently shot a black snake and a hen hawk, at a single discharge of his gun. The hawk had swooped down and fastened its talons into his snakeship, but was quickly made a prisoner in the coils of the latter, when a novel battle commenced for the mastery, which was speedily terminated by Mr. Reisinger killing the twain.

ANTIQUITY OF TORCH-LIGHT PROCESSIONS .-Torch-light processions were designed more intention of returning, but seeing a freight rested for alleged illegal voting, the article than two thousand years ago. All the mountains slaves from the Territories, while the Democrats of California are not so rich as are the soft rains of heaven.

STATE CAPITAL GUARD, ATTENTION !- A special meeting of this club will be held in the Exchange this (Friday) evening, at seven o'clock, for the transaction of important business. The new equipments ordered will be ready for delivery, and every member is requested to come prepared to bear his share of the expenses. The books will be opened for the enrollment of members in good standing and sobriety. A drill has also been ordered by the Captain. Let every member be present punctually at the hour designated. GEO. PRESIDENTIAL ELECTION, TUESDAY, SIXTH OF NOVEMBER.

FREEMEN OF DAUPHIN COUNTY, REMEM-BER THE DAY, AND LET IT BE A POLITICAL HOLIDAY!

Another Railroad Accident .- Mr. Peter Martin, foreman of the Pennsylvania Railroad Company at Derry Station, recently met with an accident which resulted in the breaking of two ribs and otherwise injuring him.

More Mysterious Rappings.—It is said that very mysterious rappings have been, heard at night, in a store room in Easton. Many per sons have heard the noise, but no one can account for it.

ANOTHER ROBBERY - Last night the saddler shop of Mr. Wm. Grieb, in Walnut street. was burglarlously entered, and robbed of a set of silver plated harness, a number of whips, and other articles, the whole valued at fifty dollars.

CATTLE TRADE: Large quantities of cattle are daily shipped over the Pennsylvania Central and Lebanon Valley Railroads, to the Philadelphia and New York markets. One hundred and fourteen car loads passed through this city one night recently. Cattle are in demand in the eastern cities, and command high prices.

TROUBLE AMONG THE SABLE SISTERHOOD .-This morning officer Wickert arrested a colored female, named Louisa Butler, charged with abusing and threatening injury to the person of Mrs. Elizabeth Allen. Louisa had a hearing before Alderman Kline, and was held for trial. The parties reside in Tanner's alley.

WENT TO Jail.—The redoubtable Dick Allen of Tanner's alley notoriety, recently prosecuted for keeping a gambling house in that classic locality, and bound over for trial, was last night surrendered by his bail, and sent to prison by Alderman Kline. There are three other charges against Dick for assault and battery, so that he is likely to serve a long term in his present gloomy quarters.

Assaulting a Woman -A colored desperado, named Wm. Carney, was before Alderman Kline this morning, charged with assaulting Louisa Johnson, also colored, and knocking her down three times. For this gallant exploit. Carney was captured by officer Wickert, and is Court. The man, white or black, who thus brutally treats a woman, is a disgrace to his. sex, and should be severely punished.

THE GRADING OF RIDGE ROAD, under the superintendency of Mr. Powell, was commenced yesterday. We learn that a petition to Council is being circulated to require the cut to be made two feet deeper at Broad street, as any case, is not very desirable. However Counwork of grading will be energetically pushed public, but of the residents there, require it.

FATAL RAILROAD ACCIDENT .- Some days ago an accident, resulting in the death of a man named McIntosh, occurred near Portage station on the Pennsylvania Railroad. McIntosh, it appears, had gone to a spring along the Railroad, and in the vicinity of the station, for the purpose of procuring a drink, and after quenching his thirst, stepped upon the track with the there made. A WORD ABOUT NEGRO EQUALITY .- "In favor of negro equality" is a pet slang phrase of the publicans are in favor of prohibiting negro slaves from the Territories, while the Democrats to his business and reputation which the article are in favor of introducing them. But as this in the Patriot so clearly intends to produce. matter is one of history, we purpose briefly referring to it in order that we may show the Democratic leaders that the shoe fits a different foot. In the State of Maine the negro is a citizen. The State of Maine, at the time when the laws were enacted, conferring citizenship on negroes, was overwhelmingly DEMOCRATIC! The Democratic party enacted the laws which gave them the right of suffrage! In the State of Massachusetts, negroes are citizens, and the elective franchise was conferred upon them by the DEMOCRATIC PARTY of that State at the only time they held the full reins of the government there!! In the State of New York all colored persons, who own \$250 worth of property, are was largely DEMOCRATIC, was presided over by blood are allowed to vote. At the time this privilege was conferred upon them the DEMO-CRATIC PARTY were in power, and they framed the Constitution, which extended the right of suffrage to persons of color! This is the record Yes, very. The Democracy hereabouts think of the DEMOCRATIC PARTY, not the Republican upon this subject of "negro equality." It can be easily seen to whom the blame, if there is out any further contest. We shall not be sur- any, must be attached. Think of elevating to the Vice Presidency a man who married a throughout the State, seeing that Mr. Douglas colored woman, who in the event of the President's death, would have been mistress of the White House! GRAND RALLY IN THE FIFTH WARD,-The Republican meeting at the Fifth Ward House last evening was a large and enthusiastic one. The Wide-Awakes were out in full force, and on their arrival at the place of niceting an organization was at once effected by appointing Mr. LEVI WEAVER President. The opening address was made by Col. A. C. SMITH, who was received with great enthusiasm. He spoke at some length in a very enrnest and eloquent strain, and discussed with great ability the important issues involved in the coming election. His speech on this occasion was the first we have had the pleasure of hearing the Colonel make during the campaign, (although he has been on the stump very frequently), and we must do him the justice to say that it was a good one-eloquent in manner and sound in argument. He did credit to himself and benefitted the cause he so successfully advocated. While speaking, the Colonel was presented with a cess. The church was crowded to its utmost magnificent wreath by Miss Raymond. He acknowledged the compliment in fitting terms and paid an eloquent tribute to the virtue and patriotism of the Republican ladies, which elicited several hearty cheers and a "tiger" from the audience. The next speaker was Con-Wide-Awakes in his characteristic style, and excited considerable enthusiasm. Col. A. J. Hern followed, in one of his usual eloquent the present campaign Suspicion attaches to and argumentative speeches, and was rewarded three or four fellows, and the probability is and argumentative speeches, and was rewarded with a gorgeous wreath by the ladies, and greeted with applause by the large assemblage, for his splendid effort. Hon. THOMAS E. COCK-RAN was next called out, and although too much debilitated for out-door speech-making, briefly addressed the Wide-Awakes and paid them a well-merited compliment for their seal and activity in the Republican cause, awarding to the young men of the party the principal glory of the victory achieved at the late election. Mr. Cochran was enthusiastically cheered from the opening to the close of his speech. Spirited addresses were also delivered by Win. H. Seibert, Esq., Leander N. Ott, Esq., and Col. John Wallower. During the progress of the meeting the daughters of Mr. Raymond; who occupied the upper windows, greeted the Wide-Awakes and speakers with constant showers of beautiful boquets. The meeting adjourned (after a song by the glee club) at ten o'clock, with three cheers for Lincoln and HAMLIN, and several more for the ladies of the now under bail for his appearance at the next. We submit them to the public, and

pause for a reply :--Mr. EDITOR:—An article under the caption of "A Black, Republican Fraud" having appeared in this morning's Patriot and Union, which is calculated to cast a stigma upon the character of one of our most worthy citizens, I deem it but just to contradict the false charges ticket," &c., and then intimating that perhaps I received from Mr. Koser a bribe, in "meat, drink, money or otherwise." This charge against Mr. Koser is false in every particular, and the writer of the libelous article should be careful how he thus maligns a respectable citizen. Mr. Koser never even asked me to vote window. I owe it in justice to Mr. Koser to present these facts and thus prevent the injury CONRAD MILLER.

MR. EDITOR :- In corroboration of the above I desire to say that I did accompany Conrad Miller to the polls, and that Mr. Koser did not; nor did I suspect that Miller was an illegal voter; and I am satisfied Mr. Koser was as ignorant of the matter as I was. It may be prop er to say further that, although I have lived often fail in sustaining the character of many with Mr. Koser more than two years, he has never in any way endeavored to influence me in my political preferences.

John Traup.

MR. EDITOR :- We, citizens of the first ward, have reason to regret the appearance of an article in the Patriot and Union of this morning. unkindly reflecting upon the conduct of Mi Alex. Koser in the matter of the alleged fraud ulent voting of Conrad Miller, and believe the allegations to be FALSE, so far as he is concerned. HENRY LYNE, GEORGE A. C. SEILER ALBERT R. SHARP. Some of the gentlemen whose names are at tached to the above card, were officers of the

election in the first ward. THAT PLEDGE.—At the first meeting held in this city after the Chicago Convention, to ratify the nominations of Lincoln and Hamlin, a banner was exhibited with the inscription :-"DAUPHIN COUNTY, THE HOME OF GER. SIMON CAMERON, GOOD FOR FIFTHEN HUNDRED MAJORI-TX!" We stand pledged, therefore, to give that majority for the Republican Presidential nominees next Tuesday; and we call upon every man in the ranks to do what he can to redeem the pledge. We can give fifteen hundred majority, and more, if all who honestly desire the success of Lincoln, and the triumph of Republican principles, labor as they are in honor bound to do for such a consummation. Let us, then, be "wide-awake" and active during the three working days that remain, and not ground our weapons or cease our efforts until the desired result shall have been accomplished, and our pledge fully redeemed :--

THE NEW CHIEF OF POLICE will enter upon his official duties next Monday. THE SOUTH WARD COLORED SCHOOL opened ysterday, the services of the old teacher, Mr. John Wolf, having been secured. The number of scholars in this district is small.

THE CLEVELAND PLAINDEALER, the Douglas organ of the northern part of Ohio, heads a series of extracts from Southern papers, of the flery order, thus: "LET'EM SWEAT!"

"THE LAST GRAND RALLY" of the Bell-Everett club of this city is announced to come off on Saturday evening at the office of the President, Col. John Roberts. Proposals will be received until eight o'clock to-morrow night. Who bids?

THE CONCERT OF THE METHODIST CHOIR, at Middletown, last evening, was a splendid succapacity with an intelligent and fashionable audience, and the musical entertainment is said to have been the best ever given in that place.

ANOTHER LOCOPOCO OUTRAGE.—The Lincoln pole in the first ward was pulled down last NELIUS M. SHELL, Esq., who addressed the night by some Locofoco rowdies. This is the second outrage of the kind that has been perpetrated in that ward, by the Locofocos, during they will be prosecuted.

> NEW TRACHER ELECTED. - At the recent meet ing of the South Ward Board of School Directors, Miss Mina Robinson was chosen assistant teacher in the Boys' Primary School of that district, and entered upon her duties yesterday morning. We hear Miss R. very favorably spoken of, and doubt not that the appointment will redound to the credit of the Board.

> WASHINGTON MONUMENT: Voters of Dauphin volume of the last October election 7,857 votes. I presume the same number at least will be cast on Tucsday next. If each voter contributes you clark, it will amount to \$392.85 a generous sum for Dauphin county, but a trifle in comparison to the value of the priceless blessing conferred upon the citizen in the exercise of the light of suffrage, through the instrumentality of him who was "first in War, and first in Peace."
>
> A CITIZEN.

We commend the patriotic suggestion of "A Citizen" to the favorable consideration of the voters of Dauphin county, and trust that measures will at once be adopted to have proper boxes put up at every election district. This will be done in the various wards of this city, and we hope to have the pleasure, on Wednes-Tuesday, and achieve the crowning triumph of day next, of announcing a contribution that will do credit to the liberality and patriotism of the people of the Capital City of the old Keystone State. Let every man, no matter to what party he belongs, when he deposits a ballot for the candidate of his choice, drop his mite in the Monument box.

> For the Pennsylvania Telegraph. The United States Senator.

There is no State in the Union whose intereats are more vitally connected with legislation than those of Pennsylvania. This connection is made the stronger, by the fact that the great resources of this Commonwealth come directly in competition, when fairly protected, with the resources and industry of our most powerful neighbors. For this protection we are dependent on the action of the legislative branch of this government. If in that body we are not fairly and ably represented, we cannot expect that degree of legislation which is essential for our protection and without which we cannot hope to succeed in any of our enterprises. In order to secure this just representation the very ablest men must be selected, the train approaching in an opposite direction, and Koser, and he voted the entire Republican firm and tried men in the Republican party, as well as the men most jealous of and devoted to the interests of the Keystone State. During the approaching session of the Legislature a Senator must be elected to supply the vacancy that will occur in the Pennsylvania delegation on the 4th of March 1861. For this vacancy there are already a large number of gentlemen as candidates before the State whose names will also be brought before the Legislature when the Constitutional hour of election arrives .-Almost any one of those named would make an abler and more efficient Senator than he whose term will soon expire. Prominent among those whose names have

been mentioned is Hon. EDGAR COWAN of -Westmoreland County. Perhaps Mr. Cowan is not as well known to the masses as many of the other gentlemen named; but notoriety, is no evidence of ability; else would such evidence a man in this State. But where Edgar Cowan is known it is for his ability, integrity, efficiency and devotion to the principles of the Republican party. He has always been regarded as one of the ablest lawyers in the State; and at the bars before which he has been practicing for the last twenty years he has no superior and few equals. His knowledge of the resources of Pennsylvania is derived from a study of her integration we have no hosistation in asying the property appreciated, we have no hosistation in asying woods Hair Restorative is, doubtless, the mean article of its time and the property appreciated, we have no hosistation in asying woods Hair Restorative is, doubtless, the mean article of its time and the property appreciated, we have no hosistation in asying the woods Hair Restorative is, doubtless, the mean article of its time are represented by the produced. interests, while his estimation of her wealth consists in a high regard for her productive industry and enterprise. With his known ability and integrity added to these qualifications, Mr. Cowan has also superior claims on the support of the Republican party; because he has always sustained just such a creed and just such a faith as are now rallying to the Republican ranks the intellect and the energy of the country. He has been an unwavering advocate of pretestion all his life, and has never failed, when opportunity offered to proclaim the right of the free white labor of this country to the free acres of the public domain; both as Homesteads and as Commonwealths erected on the foundations of free institutions. In these days of agitation and passion, when the Union is threatened with dangers from within and without, no firmer or more ardent supporter of the Constitution and laws could be found in any section of the country. Radical when sustained by reason and truth; firm when a crisis needs fortitude; and unwavering when convinced by the facts that he is right; we know of no man who would represent Pennsylvania with more ability than EDGAR Cowan in the United States Senate. There is no questionthat if elected he would give satisfaction to

JUDSON'S MOUNTAIN HERB PILLS .- How strange JUDSON'S MOUNTAIN HERB PILLS.—How strange and wonderful it often seems to us that a medicine composed of simple mountain herbs and roots, should so certainly search out and cure disease. How surprising that the indians should know and preserve so long and well a secret that has escaped the search of the greatest physicians the world has ever seen. True, the ancient inhabitants of Mexico were a strange race, found by the Spaniards, diving in large office, and, allowing for their strange customs and religion, as well civilized as their conquerors. In the words of a writer of some celebrity, "they have perished from the earth, their clies are given they have perished from the carth, their clies are given their life, are forgotten; their roins and their medicine alone are left." The united testimony of all intelligent persons is, that JUDSON'S MOUNTAIN HERB PILLS are the most successful medicine in the world in curing disease.

Wine.
Wolfe's Pure Jamaica and St. Croix Rum
Wolfe's Pure Scotch and Irish Whisky.
ALL IN BOTTLES.
I beglave to call the attention of the citizens of the
United States to the above Wines and Liquors, import of
by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his
celebrated Schrana Schraps. Mr. Wolfe, in his letter
to me, speaking of the purity of his Wines and Liquors,
says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the Chy
of New York, that all the Brandy and Wines which I
bottle are pure as imported, and of the best quality, and
can be relied upon by every purchaser." Every bottle
has the proprietor's name on the wax, and a lac simile
of his signature on the certificate. The public are respectfully invited to call and examine for themselves.—

Read the following from the New York Gon ier: Exoradous Businss' voe Oux New York of Serchant.—
We are happy to inform our lel ow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive Warchouse, Nos. 18. 10 and 22 Beaver street, and Nos. 17, 19 and 21, Mar etfield street. His stock of Schnapps on hand ready for shisment could not have ichiasve warehouse; Nos. 10. 10 and 20 neaver Sitect, and Nos. 17, 19 and 21, Mar-etheld street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and Fort Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundr d and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brindles and Wines.

His business merits the patronage of every lover of his species—Private families who wish pure Wines and Liquors for medical use should send their orders direct of Mr. Wolfe, until every Apothecary in the land make up their minds to discard, the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Lagores.

Liquors.
We understand Mr. Wolfe, for the accommodation of wall desire in the country, puts up asorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to health and human happiness, and dawfini lons, ruincus alike to health and human happiness, sep6 daw6mi C.
