DR. JOHNSON'S BALTIMORE LOCK HOSPITAL.

Has discovered the most certain, speedy and effectual remedy in the world for
DISEASES OF IMPURIFICATION
MILK IN THE BLOOD
No Mercury or Noxious Drugs.

A CURS WARRANTED, OR NO CHANGE, IS FROM ONE TO

Weakness of the Back or Limbs, Stricture, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia, Languor, Loss of Spirit, Constipation, Dropsical Swelling of the Head, Trembling, Dizziness, Dimness of Sight, Headache, Stomachic Disorders, Atony of the Digestive Organs, and all other ailments which produce constitutional debility, render marriage impossible, and destroy both body and mind.

MARRIAGE

Married persons, or contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

ORGANIC WEAKNESS

Immediately cured by Dr. J.'s Restorative.

He who places himself under the care of Dr. J., may rely upon his skill as a physician.

Dr. J. Johnson is a member of the Royal College of Surgeons in London, graduate from one of the most eminent Colleges of the U. S., and the greater part of whose life has been spent in the Hospital, Baltimore, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being attacked at sudden intervals, and in some cases, being attacked, attended sometimes with derangement of mind were cured immediately.

MENTALLY

Mentally, the fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Etc. For a full description of the symptoms, see the book, "Mentally," published by Dr. J. Johnson, 7 South Third Street, Baltimore, Md.

YOUNG MEN

who have injured themselves by a certain practice, in which they have indulged in the use of stimulants, and who are now suffering from the effects of such habits, should be immediately restored to health by Dr. J.'s Restorative.

MARRIAGE

affect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the prospect of matrimony is darkened to the very gloom; the prospect brightens to the very dawn of life, and the mind becomes shadowed with despair, and filled with the melancholy recollection that the happiness of another becomes brightened to the very dawn of life.

ORGANIC WEAKNESS

of the Organs are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated who had lost all hope, have been immediately relieved. All impediments to a happy marriage, by the contraction of Organic Weakness, are removed, and the system restored to its normal state.

Machinery.

A deputation of Indians to Washington, a few years since, were conducted through the city to see such objects as would interest them, and among the places visited was the Navy Yard, where, after an inspection of the paraphernalia of war, they were taken to a room in which a steam engine was at work. Though they had been examining many things that to them were wonderful, there was none of them impressed so deeply as the engine; and after a riveted observation of it for some moments, they remarked to their interpreter, they were next in power to the Great Spirit, who, to them, seemed embodied in the ingenious piece of mechanism before them. If the untutored sons of the forest are capable of discriminating works bearing the impress of mind, from mere haubts and display, those who have been brought up in the light of civilization, should certainly take an interest in the labors of the mechanic, and study the amazing powers with which the inventor, inanimate matter, and the stupendous forces which flow from his devices. Though it has been common to disparage and undervalue the degree of intellect necessary to the production of the useful, and in many instances, wonderful combinations, that are originated by the mind of the inventor, and fashioned into material forms by his hands, such works nevertheless, emanate from mental resources as vigorous and imaginative, as glowing as those that waited on the pencil of Raphael, and the hand of Shakespeare.

A FINE ASSORTMENT OF BLANKETS. A large assortment of Cashmere, especially adapted to the season, and of the latest styles, in all the colors, and of the most durable. An assortment of Carpets from 12 1/2 cts a yard to \$1.00 per yard.
