Medical.

Is must be obvious not only to you, but to every attentive and intelligent person, that the first diseases of infents arise chiefly from a disordered condition of their lowels, and in this connection, we present to your notice for the alleviation and cure of three diseases, a remedy known as

DR. EATON'S INFANTILE CORDIAL

frepared from a formula used by Dr. Enton with re-markable success during several year's practice, we know it to be a most reliable and clicacious remedy for injantile complaints, and one trial alone wil convinc-you of its superiority over every other paparation of the kind. It is particularly recommended For Children Teething.

And at this period of infanile life, when your anxious hearts are paired by witnessing the suferings of your little ones, it will be found invaluable in Softening the cums, Reducing Inflammation, and Retiering all Pain. For Phenases attending Teething, such as Diarrham, Disentery, 67 rightly in the Bowels, Acidity of the Stomach, Wind, Cohe, and Cord in the Head, we condidently differ this as a certain relief and cure in every case when given in time. It will invariably regulate the stomach and bowel, and its importance in this respect can hardly be gettinated.

In Convulsions,

from which more infants are said to due than from any other disease, the little sufferer is relieved as instantaneously, as it by magic, and in this dread complaint alongits intrinsic value is such that it has been recommended from one family to another, until the name of Dr. Eathor's Infantile Coedlai. has become "immliar as a house old word." We now ask your attention to a subject of vital interest to yourself, as well as to you suffering child. Dr. Eaton's Infantile Cordial contains,

No Morphine or Opiate,

of any thind, or of whatever nature, as a fact which we are fully warranted in stating cannot be said of any other preparation for unfantile diseases, at this time before the public. By We find, that throughout the country, Motors are becoming convinced of this truth, and of the sid and blighting consequences which are certain to result from the use of narcotics disguised in the form of quieting remedies; their continued administration being invariably followed by; suppleating, and constipation of the bowels, ending oftentimes in convulsions. Hersin Dr. Earon's invariable Companion differs from every other remedy. It:

Does Not Constipate

the bowels, nriher does it act by deadening the sensibilities of your children, but naturally, through its rare medicinal qualities, by removing all pain and cause of disease. We earnestly occument you, therefore, tose no time in procuring a bottle, that you may have at hand a remedy which will never fail to relieve your child in time of need. It is perfectly harmless, at deannot injure the most delicate infant.

Take none but DR EATON'S INFANTILE CORDIAL.

This you can rely upon. Price 25 cents per bottle.

HATTLE CREEK, Mich., Dec. 21, 1860.

Prof. Wood: Thee will please accept a line to inform thee that the hair on my bead all fell off over twenty years ago, caused by a complicated chronic diseast, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I having not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to a yBriggs & Hodges almost the last cent Khad on earth for a two dollar bottle of thy Hafr Restorative about the first of August last. I have taithfully followed the directions and the baid spot is now covered with hair thick and black, though short; it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently. I feel anxious to persevere in its use, and being destitute of means to purchase nore, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and roceive to thyself the scripture declaration—"the reward is to those that are kind to the widow and fatherless."

Prov. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the Etate and National Law School of the State of New York, my har, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconcided to my fate, until, tortunately, in the latter part of the year 1857, your Kestorative was recommended to me by a sruggist, as being the most reliable Hair. Restorative in use. If tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can bay.
