Little by Little.

Do my dear young friends ever think how almost all that is good comes to us? Did you ever see a farmer planting and sowing? Down in the moist earth goes the seed and yellow corn, grain by grain, little by little. God sees the farmer at his work, and knows full well that he has done what he could, so he kindly sends the gentle rain, drop by drop, and not one of these little drops ever forgets its errand upon the plea which the good God sent it to the earth.

"I have found you out," said the raindrop to the tiny grain of wheat, "though you are dead, and in your grave. God has sent me to raise you up."

Well, there is nothing impossible with with Him; so when the rain drop has done its errand, a spark of life shoots out from the very heart of the tiny grain, which is dead and buried, and little by little it makes its way out of the tomb, and stands a single blade, in the warm sunlight. That is nobly done; and if the great God pleased He could make that little blade strong and fruitful in a single moment. Does He do this? No. Little by little does the stalk wax strong; and its leaves grow slowly, leaf by leaf.

Is it not so with every thing that is good? Should we like another way better? Impatience would.

It was only a few days ago that I heard a little girl say:

"I am tired, tired, tired! Here is a whole stocking to knit, stich by stich! It will never be done."

"But was not this one knit stitch by stitch?" I asked, taking a long one from her basket, and holding it up.

"Yes."

"Well, that is done."

The little girl was counting, instead of knitting her stiches. No wonder that she was tired.

Did you ever see a mason building a house of bricks? Poor man," Impatience would say:

"What an undertaking—to start from the earth, and go on so far towards the sky, brick by brick!" Who ever saw a patient, persevering person try, and not succeed at last? So, then, step by step, which is God's way, must be the best way.

Let us see that we do every day what we can. Any little boy or girl who, in looking back upon a day gone by, can say, "I have done one thing well," may be happy with the thought that he has taken one step in the way of wisdom and virture. But remember one thing, dear little friends, the buried grain of wheat would never start into life if God did not send it help; and it is by the same help that it increases day by day.

As the little rain-drop—God's beautiful messenger—descends into its toumb, so in the darkness and death of sin, the Holy Spirit comes to us. If he breath upon our hearts, we live to do good; without him, we do nothing good. Let us obey this Spirit, and all good will be ours at last, though we gain it little by little.

THE SURVIVING HERO OF THE BATTLE OF BUNKER HILL.—Ralf Farnham, the last survivor of the battle of *Bunker Hill*, who has been on a visit to Boston, has returned to his home in Acton, Me. He has published a letter, giving an account of his homeward journey, from which it appears he was received by enthusiastic crowds at all the towns along the route, and liberal contributions of money were spontaneously made to support him in his old age. From his letter we quote the following:

"Though I am in my 105 h year I am not past all usefulness I split my own kindling wood, and build my own fires. I am the first one up in the morning, and the first one in bed at night. I never sleep or lay down in the daytime, but rise at five and retire at seven—and this I continue summer and winter. I have always been temperate, and for over thirty years past I have not tasted a drop of spirituous liquors, or even cider. I was never sick in my life so as to require the attendance of a physician. About twenty-five years ago I broke my thigh by falling on the ice, and had a doctor to set it, but this is the only time a doctor ever attended me. I live on plain farmer's diet—drink tea and coffee, and eat a very light supper, never eating meat at supper. I have no doubt that it is owing to these abstemious and regular habits, and the avoidance of medicine at all little ailments, that my life has been so prolonged. I voted for Gen. Washington for President, have voted at every presidential election since, and hope to vote at the next election. This is the duty of every Christian freeman."

FEEDING THE NEGRO WHITE.—The influence of diet upon race is a subject which has considerable speculative interest, and this interest has been increased by recent inquires into the cause of the variation of species. M. de Quatrefages recently delivered a course of lectures at the Museum of Natural History at Paris, on the Unity of the Human Species and the Human Races in General, in which the question of variation amongst vegetable and animal feeders were, it is said, especially considered. Meanwhile the "Comsos" recites a letter from M. Abbadie to M. Quatrefagos, in which he signalises an anthropological fact, of which we leave with him the responsibility of announcement. He remarks on the influence of an exclusively animal diet on the color of the Negro. In the south of Nubia, he observes, the inhabitans who feed upon animal food have by far clearer complexions than those who feed upon vegetable diet. In the Kabyle the Negroes, who are all butchers, live on the *debris* of the animals which they expose for sale in the market. Their life is passed amidst blood, fresh meat, and the exhalations of butcher's meat. They have a clear, fresh tint, although preserving the crisp, wooly hair. This is considered the more significant because they always intermarry one with the other.

DR. JOHNSON,
BALTIMORE
LOCK HOSPITAL.

Has discovered the most certain, speedy and effectual remedy in the world for DISEASES OF IMPRUDENCE

RELIEF IN SIX TO TWELVE HOURS

No Mercury or Noxious Drugs.

☞ A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS ☜

Weakness of the Back or Limbs, Strictures, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia Languor, Low Spirits, Confusion of Ideas palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Stomach, Affections of the Head, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of Youth—those dreadful anddestructive practices which produce constitutional debility, render marriage impossible, and destroy both body and mind.

YOUNG MEN.

Young men especially who have become the victims of solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

ORGANIC WEAKNESS.

Immediately Cured and full Vigor Restored.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

DR. JOHNSTON

DR. JOHNSTON member of the Royal College of Surgeons London, graduate from one of the most eminent Colleges in the U. States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately

TAKE PARTICULAR NOTICE

Dr. J. addresses all those who having injuredthemselves by private and improper indulgences, that secret and solitary habit which ruins both body and mind, unfitting them for enher business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions General Debility, Symptoms of Consumption, &c.

MENTALLY.

Mentally, the fearful effects on the mind are much to be dreaded;—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages, can now judge what is the cause of their declining health, losing their vigor, becoming, weak, pale, nervous and emaciated, *have a singular appearance about the eyes*, cough, and symptoms of consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are sadly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS

By this great and important remedy, Weakness of the Organs are speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated who had lost all hope, have been immediately relieved. All impediments to marriage, Physical or Mental Disqualification Nervous trembling, Weakness or Exhaustion of the most fearful kind, speedily cured.

TO STRANGERS

The many thousands cured at this Institution within the last twelve years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, *besides his standing as a gentleman of character and responsibility*, is a sufficient guarantee to the afflicted

DISEASE OF IMPRUDENCE.—When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, &c., assuming on with frightful rapidity, till death puts a progress to the dreadful sufferings by sending him to "that bourne from whence no traveller returns." It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskilfulness of ignorant pretenders, who, by the use of that deadly poison, *mercury* ruin the constitution and make the residue of life miserable

JUDSON'S
Mountain Herb Pills.

THE inventor and manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in travelling, having visited nearly every country in the world. He spent over six years among the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life! and when *any* foreign or unhealthy matter gets mixed with it, it is once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence a cough—and all from a slight impurity of the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet—in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body, they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "MOUNTAIN HERB PILLS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Bowel Complaints,	Debility,	Inward Weakness,
Coughs,	Fever and Ague,	Liver Complaints
Colds,	Female Complaints,	Lowness of Spirits,
Chest Diseases,	Headaches,	Piles,

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

☞ The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.

Observe.—The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.
