What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habls. Such persons must, before contemplating

JUDSON'S

Mountain Herb Pills.

THE inventor and manufacturer of "Jud-

Son's Mountain Herb Fils," has spent the greater part of his life in travelling, having visited nearly every country in the world. He spent over six years amon the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERE FILE" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlot.

It is an established fact, that all diseases arise from IMPURKE BLOOD!

The blood is the life! and when any foreign or unhalty matter gets mixed with it, it is once distributed to avery oregan of the body. Every nerve feels the poison,

healthy matter gets mixed with it, it is once distributed to every ergan of the body. Every nerve feels the poison, and all the vital of the first official promision. The stomach will not digest the food perfectly. The liver ceases to scorete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs be come clogged with the poisonous matter; hence a cough—and all from a slight impurity of the fountain-head of life—the Blood! As it you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivuletin a few minutes the whole course of the stream be, comes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body, they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. Anti-Billon Medicine, expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs. Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "Mourrain Hern Phila," that will passairectly to the afflicted parts, urrough the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in exist-

ence for the following Complaints:

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

23 The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Texucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "Great Municure" of the Astecs.

Observe.—The Meutain Herb Pills are put up in a Beautitul Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDON & CO., on each box.

CIRCULAR OF THE CALCUTTA CONFERENCE. "To all that in every place call upon the name of Jesus Chri t, our Lord, both theirs and ours; grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ."

Beloved Brethren.—A suggestion from a distant land has reached this Conference, which, for the last thirty years, has "endeavored to keep the unity of the Spirit in the bond of peace," among all evangelical laborers in this part of India, to the effect, that we should ven-ture (in imitation of our dear fellow workers at Lodiana last year) to invite the churches of our Lord and Savior to join in a special service of prayer and supplication with thankegiving at the commencement of 1861.

We should have welcomed such an invita-tion from others, but as it has been requested by some whom we love and honor in the Lord, that it should be issued by us, we desire, in humility, to make the proposal, leaving the result with Rim, "of whom, through whom, and to whom are all things."

The "signs of the times" in which our lot is

cast,—the wonderful openings for the Gospel in China, Japan, and Central Africa,—the restoration of peace to India,—the remarkable movements in Italy and Turkey, the seats respectively of the Western and the Eastern Anti-Christian tyrannies,—the stirrings in many places among the scattered remnants of Israel, "beloved for the father's sake,"—the blessed and glorious revivals of religion in the United States of America, in Great Britain and Ireland, in Sweden and other parts of the continent of in Sweden and other parts of the continent of Europe,—have all combined in creating, in many hearts, the joyful hope of the gracious Lord's speedily accomplishing mighty works for the glory of his own great name.

At "such times as this," it becomes His people devoutly to remember that "His ways people devoutly to remember that "His ways and His thought the such that the state of the such that the such th

are higher than their ways, and His thoughts than their thoughts;" to stir up themselves in faith to manifest before the world their lively concurrence in the development of His designs and purposes, and to look for their full and final consummation in the sure and speedy fulfil-

consummation in the sure and speedy fulfi-ment of all His promises.

But, "for these things He will be inquired of" by His believing people; and especially He will honor and answer fervent, united, Peniel-like prayer. Yet that prayer must be accom-panied with lowly prostration and deep humili-ty of soul, for we are "not worthy of the least of His mercies;" with heartfelt confessions of sin-all sin, private and public, special and general, secret as well as presumtuous, our personal or individual sins, our sio us families, our sins as nations, our sins as churches; and with ardent thanksgivings for the past lung-suffering patience, faithfulness and love, anid all our negligence and indifference, our forgetfulness and ingratitude, our provocations and affronts.

Besides special subjects of prayer, which inay be suggested by local events or peculiar passing emergencies, there are certain great outstanding topics which will readily present them standing topics which will reachly present than selves to all who are waiting for the full unswer to the petition, "Thy kingdom come, thy will be done on earth, as it is in heaven;" the outpouring of the Holy Spirit on all its trackers and ministers of the gospel in nominally Christian lands, on all evangelical missions and missionaries among the heathen, and on the circulation of the Bible, the indestructible word of the living God, with all books and tracts that are traught with its spirit and its truth, on all means and agencies that have been instituted for the saving instruction of for the revival of true religion in individuals, families, and communities, "professing god iness," and for the evangelization of the sunken masses that live without God and without Christ, amid a multiplied exhibition of the or-dinances of gospel grace and salvation; and, finally, on the varied instrumentalities that are employed for the destruction and downfall of the gigantic systems of pagan idolatry and su-persition, of Anti-Christian error and delusion, and for the contemporaneous conversion of Israel and the Gentile nations, all of which, in the vast aggregate of their transcendent issues and outgoings, shall cause "the glory of the Lord to be revealed, that all flesh may see it together, as the mouth of the Lord has spo-

In these and such like exercises of devotion, we humbly, yet fervently, desire to join with all that "fear the Lord, and speak often one to another," in every land; and, in order that the union may be general, we send forth this timenotice, earnestly beseeching that no unworthiness on our part may prevent any of his people from agreeing with us in this proposed sea-son of prayer and supplication on each day from the 1st of January, 1861, to the 7th inclusive. [The time has since been changed to the week extending from the 8th to the 14th,

inclusive.]
And "God be merciful unto us and bless us; and cause his face to shine upon us; that thy way may be known upon earth, and thy saving health among all nations. Let the people praise thee, O God; let all the people praise thee. O let the nations be glad and sing for thee. O let the nations be glad and stag for joy; for thou shalt judge the people righteousty, and govern the nations upon earth. Let the people praise thee, O God; let all the people praise the. Then shall the earth yield her increase; and God, even our own God, shall bless us. God shall bless us, and all the ends of the earth shall fear him." of the earth shall fear him. "Even so, come, Lord Jesus; come quickly

The Grulii, near Aldorf, and the birthplace of Tell, is the spot where in the fourteenth century, three brave usen entered into a secret combination to rid, the country of its oppressors, a movement which soon extended to the other cantons.
