That this bogus coin is manufactured in our city there can be no doubt; and the exercise of ordinary tact and vigilance by the constables might lead to the discovery of the "mint" and the detection and arrest of the manufacturers

Judson's Mountain Head Pills.—How strange JUDSON'S MOUNTAIN HERE PILLS.—How strange and wonderful it often seems to us that a medicine composed of simple mountain herbs and roots, should so certainly scarch out and cure disease. How surprising that the Indians should know and preserve so long and well a scoret that has escaped the search of the greatest physicians the world has ever seen. True, the ancient inhabitants of Mexico were a strange race, found by the Spaniards, living in large citiee, and, allowing for their strange customs and religion, as well civilized as their conquerors. In the words of a writer of some celebrity, "they have perished from the earth, their cities are gigantic piles of ruins, their Kings and Princes so mighty in their life, are forgotten; their ruins and their medicine alone are left." The united testimony of all intelligent persons is that JUDSON'S MOUNTAIN HERB PILLS are the most successful medicine in the world in curing disease.

Enormous Business for One New York Merchant.

We are happy to inform our fel ow-citizens that there is one place in our city where the physician, apotheoary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, at hough it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive Warchouse, Nos. 18. 10 and 22 Beaver street, and Nos. 17, 19 and 21, Mar'etheld street. His stook of Schnapps on hand ready for shipment could not have tensive Warenouse, Nos. 18. 10 and 22 Beaver street, and Nos. 17. 19 and 21, Mar-ettleld street. His stook of Schnapps on band ready for shi, ment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Eherry and Port Wine, Soutch and Irish Whisky, Jamacca and St. Croix Rum, some very old and equal to any in this country. He also bad three large cellars, filled with Brandt, Wine, &c., in casks, under Custom House key, ready for bottling. Mr. Wolfe's sales of &chnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally jeuccessful with his Brrndies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their abelves, and replace it with Wolfe's pure Wines and Liquoss.
