CITY PROPERTY AT PUBLIC SALE, -A valuable property consisting of a two-story brick house and lot of ground, located in Third street between Locust and Pine, will be offered at public sale at the European Hotel this evening.— Capitalists who wish to make a profitable investment should attend the sale.

THE STATE CAPITAL BAND discoursed excellent music last night, on the occasion of the Wide-Awake parade. The members are improving rapidly under the leadership of our young friend Mr. Ball, who is an accomplished musician, and the Band now ranks among the best in the interior of the State. Having procured new and beautiful equipments, they will hereafter make a fine appearance on parade.

LOOK OUT FOR THIEVES .- With the approach of winter comes the annual advent of thieves and burglars. This city, and every town and township in the country, is pestered with these fellows, and housekeepers should be on the look-out for and give them a warm reception. Within the last week several country houses have been entered and robbed; and in one instance a farmer was assaulted and severely beaten by a nocturnal visitor.

WM. H. ARMSTRONG, Esq., recently elected to county, was in this city last evening on his way home from Philadelphia. Mr. Armstrong is one of the rising young men of Northern Pennsylvania, and we confidently predict for him a brilliant legislative career. As a public speaker and debator he has few equals among men of his age. He is pressed for the Speakership of the House by the Republican papers in his district, and no member of that body is better qualified for the position.

LOOK OUT FOR THE SCAMP. - A week or two ago we called attention to the fact that a colored man was traveling through this and neighboring counties, raising money under the pre tence that it was to be used to purchase the freedom of a slave, showing papers purporting to have been drawn by John M. Sharpless, of Delaware county, and denounced the whole thing as a swindle. We understand that the fellow is still at the same business, in other sections of the State, and warn our readers to be on their guard. Mr. Sharpless never gave the fellow papers, and his tale is a fabrication.

THE HEENAN RECEPTION FESTIVAL comes off this evening in Brant's Hall, and a large turnout of the " fancy" men and women may be anticipated. The "boy" will be assisted by Ned Price and Aaron Jones in the sparring feature of the exhibition; and Monsieur Gregoire, the strong man, will "go in on his muscle" at a rate truly startling to dyspeptics and men with soft biceps, playing with fifty-six pound weights and lifting one hundred and eighty-six pounds of iron with his teeth. The "champion" arrived this afternoon from Williamsport and created a decided sensation in pugilistic circles. He stops at the Jones House.

THE WIDE-AWARE PARADE last night, although not as extensive as we anticipated, was a very creditable affair. The Keystone and State Capital clubs were out in full force, with music and banners, and made a fine appearance. They marched unusually well, and bearing and gentlemanly deportment. At various points along the route Republican ladies greeted the torch bearers with showers of beautiful boquets, thus testifying their appreciation of the enthusiastic body of young Republicans .-Owing to some misunderstanding there was no general illumination. We noticed a few houses brilliantly lighted up, the owners of which were heartily cheered by the procession. Upon the whole the demonstration was an attractive one. and greatly admired by the crowds of people who thronged the streets to witness it. In this connection we adopt and heartily commend the sentiment of a cotemporary, that the campaign of 1860-one of the most memorable in the political history of our country-ought not to pass out of the public mind without the recognition of the services rendered by the Wide-Awakes to the Republican party. Their organization and who furnish the most efficient laborers.— They presented an attractive nucleus which drew thousands ultimately to our ranks. They offered themselves as a trained body of intelligent workers, from whom individual members could be selected for all varieties of service, well. They gave a picturesque beauty and interest to all the public displays of the campaign, which relieved it from much of the harshness and irksomeness heretofore experienced. And they imparted a cheerful enthusiasm, which told in a thousand ways on the steady promotion of the good cause—for who ever saw the processions of variegated lights and banners, dancing above the seried columns of youth and manly vigor, and to the strains of without being stirred to new hopes, new resolves and new endeavors? All honor, then, to the Republican Wide-Awakes! Their distinctive duties, probably, are over—their lights | co-operation of the women of our country: no longer shine—their torches are suspended as household momentoes, or find their way to the rubbish of the garret-their uniforms retire from public life, and perhaps disappear alto-

CAMERON GUARD, ATTENTION !- The members of the Cameron Guard are requested to meet at their armory on Friday evening, at half-past seven o'clock for drill. Every member is requested to be in attendance at the time stated.

FORESTALLING THE MARKET .- Complaint has been made before the Mayor against Terrence M'Manus for purchasing articles in market to take place this evening.

"Another Richmond in the Field."-We Post Mastership-our fellow-citizen, Dr. E. W. Roberts. This makes the fourteenth gentleman who is willing to serve the country in that lucrative position. We wish them all success.

DAILY, WEEKLY AND MONTHLY papers, magazines, late publications, all the new books, as fast as published, together with the largest assortment of books in ALL departments of literature, will be found for sale at the lowest prices at Bergner's Cheap Bookstore, 51 Market street.

FRANCIS SHUNK, JR., formerly of this city, a West Point graduate, and at present Lieutenant in the United States Army, is now here on visit to his friends. He recently returned from active service in Oregon, where he acquitted himself creditably. Lieut. Shunk is he worthy son of a noble sire.

BIBLE SOCIETY.-The Dauphin County Bible Society holds its anniversary on next Tuesday, at Millersburg. Addresses will be delivered by Hon. Messrs. Hiester and Rutherford, and Revs. Messrs. Martz and Bishop. The business to be brought before the Convention will be of the Legislature by the Republicans of Lycoming | a very interesting character, and it is hoped there will be a full attendance.

ANOTHER ROBBERY .- On Tuesday night an old man named Patrick Horan, who makes his home at Dougherty's boarding house in east State street, was robbed of one hundred and five dollars in gold, all the money he owned. Suspicion attaches to a certain individual for having committed the robbery, but he has not vet been captured.

FIRE ALARM.—An effort was made last night by some persons to get up an alarm of fire, evidently for the purpose of breaking up the Wide Awake parade. Dut the game did not win. Acts of this kind are by no means creditable to the few firemen who participate in them, and should be frowned down by the respective companies.

BACK AGAIN .-- Our former townsman, Mr. John Zollinger, who left about a year ago for Minnesota, with the design of becoming a permanent resident of that young and flourishing State, returned yesterday with his family, and intends re-engaging in business here. Mr. Zollinger is a worthy man and good citizen, and ve gladly welcome him back to his native city

FOUND DEAD .- ANOTHER VICTIM OF WHISKY.-On Saturday last, a man by the name of Joseph Forney, was found lying dead, at Lutz's lime of new Colicos splendid colors 10 cents; 50 kiln, in Derry township, this county. The kiln was in blast at the time, and the deceased being in a state of intoxication, threw himself down near the arch of the kiln. It is supposed that the effects of gas and whisky, caused his dozen Wool Socks 20 cents; Black Alapacka death. We did not learn the report of the Coroner's jury.

ADJUTANT GENERAL .- We learn that the friends of Gen. James S. Negley, of Pittsburg, intend pressing his claims for the Adjutant Generalship of this State. The name of Gen. E. C. Williams, of this city, is mentioned in the same connection. Both gentlemen are ac fresh on hand, at WM. For the same reason, the water in a pump stock should all be pumped out in the mornwith confidence that they would do their work ing before any is used. Impure water is more injurious to the health than impure air.

FEMALE WIDE-AWAKES. - The Wide-Awakes of Warrington, York county, had a triumphal parade the other night on which occasion the Republican ladies of the village, to the number of thirty or forty, were provided with torches, and marched in procession, going through the "fancy drills" with a degree of accuracy which elicited unbounded applause. We admire the martial melody, filing through our streets, spirit of the Warrington ladies-they are worthy daughters of noble mothers. This sale takes place in pursuance of the two executions served upon the Railretail in this city. A hearing of the case will road Company a few days ago, for the sum of about two hundred and seventy thousand dollars, for tonnage tax due the State, which the Company refused to pay, and for which hear of another applicant for the Harrisburg judgment was rendered against them by the Court of this county.

LOCAL CORRESPONDENCE.

Halifax, November 14, 1860.

EDITOR TELEGRAIIH :- Permit me to give you few incidents of our quiet and time-honored village. A few days ago bills were put up announcing that some Professor, and "a second Blondin," would walk a single wire and perform "some other magical tricks, never before performed save by himself." The day arrived -the public mind was all agitation-but now came the crisis. The Professor who was, by the way, a very seedy looking fellow, informed them that he must have seven dollars before he could command his equilibrium on the wire.-At last the required sum was made up, and "the show went on,"-the audience being composed of men, women and children of all classes and descriptions, who were highly amused. According to the requirements of the School

Board, the Teachers men on Saturday the 10th, at the North Ward School House, for the purpose of uniting themselves into a Teacher's Institute. A thorough organization was completed by electing Isaac W. Hoffman, President; H. Studbaker, Vice President; J. E. Leebrick, Secretary; J. E. Rutter, Treasurer; Henry Sheesley, Editor. After having a free and lively intercourse of sentiment they adiourned to meet again in two weeks. We understand that all are favorable to attending another county Institute at Harrisburg this winter. The Teachers of Halifax township are a live set, and we look forward for a still brighter epoch in their history.

A party of Odd Fellows of Charity Lodge made arrangements to return a visit, paid them by the members of Perseverence Lodge, in Millersburg. On Saturday evening they chartered a special train, with the privilege to work it by hand, (it was a hand car), and started for that place. On their arrival they were met by a special committee and escorted to the Lodge room, where some impressive speeches were made, welcoming their visiting brethren in the most cordial manner. One pleasant feature was an excellent lunch served up for the occasion, to which all were invited. The visit was a pleasant and entertaining one to all, and the participants went home profited and well satisfied with their trip. Yours &c., DEAN.

MOTHERS, READ THIS.—The following is an extract from a letter written by the pastor of a Baptist church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine—Mrs. Winslow's Soothing Syrup for Children Teething:

"We see an advertisement in your column of Mrs. Winslow's Soothing Syrup Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to our readers, that this is no humbug—we have tried it, and know it to be all it claims. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay a supply.

JUDSON'S MOUNTAIN HERB PILLS .- How strange JUDSON'S MOUNTAIN HERB PILLS.—How strange and wonderful it often seems to us that a medicine composed of simple mountain herbs and roots, should so certainly search out and cure disease. How surprising that the Indians should know and preserve so long and well a secret that has escaped the search of the greatest physicians the world has ever seen. True, the ancient inhabitants of Mexico were a strange race, found by the Spaniards, living in large cities, and, allowing for their strange customs and religion, as well civilized as their conquerors. In the words of a writer of some celebrity, "They have perished from the earth, their cities are giantic piles of ruins, their Kings and Princes so mighty in their life, are forgotten; their ruins and their medicine alone are left." The united testimony of all intelligent persons is, that JUDSON'S MOUNTAIN HERB PILLS are the most successful medicine in the world in curing disease.

Frommous Brunness von Ons New York Merchant.—
We are happy to inform our fellow -citizens that there is
one place in our city where the physician, apothecary,
and country merchant, can go and purchase pure Wines
and Liquors, as pure as imported, and of the best quality.
We do not intend to give an elaborate description of this
merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive Warehouse, Nos. 18. 20 and 22 Beaver street,
and Nos. 17, 19 and 21, Mars-citifed street. His stock of
Schnapps on hand ready for shipment could not have
been less than thirty thousand cases; the Brandy, Wine, &c., in
casks, under Custom-House key, ready for bottling. Mr.
wolfe's alse of Schnapps last year amounted to one
hundred and eighty thousand dozen, and we hope in less
than two years he may be equally

we understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but im tions, ruincus alike to health and human happine sep6-daw6mi C.
