It is an established fact, that all diseases arise from **IMPURE BLOOD!** The blood is the life 1 and when any foreign or un-healthy matter gets mixed with it, it is none distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The sction of the heart is weakened, and so the circulation is feelle. The lungs be come clogged with the poisonous matter ; hence a cough —and all from a slight impurity of the fountain-head of instance, in a pure spring, from which ran a thy rivulet in a few minutes the whole course of the stream be, comes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruc-tion is renoved, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all for a full the law of the body, they are, therefore, unrivalled as a
