Medical.

CEPHALIC PILLS

I must be obvious not only to you, but to every attentive and intelligent person, that the first diseases of infants arise chiefly from a disordered condition of their bowels, and that in this connection we present to your notice for the alleviation and cure of the diseases, a remedy known as

DR. EATON'S INFANTILE CORDIAL,

Prepared from a formula used by Dr. Eaton with remarkable success during several years' practice, we know it to be the most reliable and efficacious remedy for the relief of the infant, and it will convince you of its superiority over every other preparation of the kind. It is particularly recommended

For Children Teething.

And at this period of infantile life, when your anxious hearts are pained by witnessing the sufferings of your little one, it will be found invaluable in softening the gums, relieving inflammation, and relieving such as Diarrhea, Dysentery, Eructing in the Bowels, Acidity of the Stomach, Worms, Colic, and Cough in the Throat, we confidently recommend it as a certain relief and cure in every case when given in time. It will invariably regulate the stomach and bowels, and its importance in this respect can hardly be estimated.

In Convulsions,

from which more infants are said to die than from any other disease, the little sufferer is relieved as instantaneously, as if by magic; and in this delicate complaint, also, its intrinsic value is such that it has been recommended from one family to another, until the name of Dr. Eaton's Infantile Cordial has become familiar as a household word. We now ask your attention to a subject of vital interest to yourself, as well as to your suffering child. Dr. Eaton's Infantile Cordial contains

No Morphine or Opium,

of any kind, or of whatever nature, a fact which we are fully warranted in stating cannot be made of any other preparation for infantile diseases, at this time before the public.

Persons who are becoming convinced of the truth, and of the sad and lightening consequences which are certain to result from the continued use of such a medicine, should be particularly careful to procure the genuine article, and to be satisfied that the continued administration being invariably followed by stupor, and constipation of the bowels, ending sometimes in convulsions. Heroin is a dangerous and fatal poison, and is not to be used.

Does Not Constipate

the bowels, neither does it act by depressing the sensibilities of your children, but actually, through its rare medicinal qualities, by removing all pain and cause of disease. We earnestly recommend you to procure, and use, without delay, the only remedy which will never fail to relieve your child in time of need. It is perfectly harmless, and it cannot injure the system, or create any morbid action. It is sold by all Dr. EATON'S INFANTILE CORDIAL. Prepared only by CHURCH & DOUGLASS, No. 409 Broadway, New York.

And sold by them, and by all respectable Druggists. sept1-dawly

THE ONLY PREPARATION

THAT HAS

STOOD THE TEST OF YEARS,

AND GROWS MORE AND MORE POPULAR

EVERY DAY!

And testimonies, new and almost without number, might be given from ladies and gentlemen in all grades of society, who have been cured of all kinds of skin diseases, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

BATZLE CREEK, Mich., Dec. 21, 1860.

Prof. Wood: This will please accept a line to inform you that the hair on my head all fell off over twenty years ago, and has not been able to grow since, and neither have I been able to get it to grow, in consequence of which my head has suffered extremely from the loss of it. I had an opportunity of procuring a bottle of your Hair Restorative on the first of August last. I have faithfully followed the directions and the bald spot is now covered with hair, and I feel confident that I would not be so coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being desirous to have it put up in a smaller bottle, I would like to have it put up in a smaller bottle, and receive to myself the same benefit as I have received from the larger one. I am, Sir, your obedient servant, and as a testimonial to the efficacy of your Hair Restorative, I have the honor to enclose you a photograph of my head, showing the progress of the hair, and the improvement of my complexion.
