Constipation or Costiveness.

No one of the "many ills flosh is heir to" is so prevalent, so little understood, and so much neglected as Costiveness. Often origir ating in carcle sness, or sedentary habits; it is regarded as a slight disorder of two little consequence to excile anxiety, while in reality it is the precursor and companion of many of many of the most latal and dangerous diseases, and unless carly cradicated it will bring the sufferer to an untimely grave.—Among the lighter evils of which costiveness is the usual attendant are Head ache, Colic, Rheumatism, Foul Breatn, Files and others of like nature, while a long train of frightful dineases such as Malignant Favers, Aboesses, Dysentery, Diarrhoa, Dysnery, Apoplexy, Epilepsy, Paralysis, Hysteria, Hypochoudriasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the disease named originate in Constitution, but take on an independent existence unless the cause is cradicated in an early stage. From all these considerations it follows that the disorder should receive immediate attention whenever it cocurs, and no person should neglect to get a box of Cephalio Pilis on the first appearance of the complaint, as their timely use will expet the insiduous approach o disease and destroy this dargerous file to human life. No one of the "many ills flesh is heir to" is so preva

TWENTY MILLIONS OF DELLARS SAVED.—Mr. Spalding has sold two millions of bottles of his celebrated frepared Glue and it is estimated that each bottle saves at least ten dollars worth of broken furniture; thus making an aggre gregate (f twenty millions of dollars recelaimed from total loss by this value he invention. Having made his Glue a bousehold word, he now proposes to do the world still greater service by curing all the aching head; with his greater service by curing all the aching head; with its Cephalic Pil.; and if they are lagood as his Glue; Headaches will soon vanish away like snow in July.

EN-OVER FXCITENTIN, and the mental care and anxiety incident to close attention to business or study, are among the numerous causes of Nervous Headache. The disordered state of mind and body incident to this distressing complaint is a faral blow to all energy and ambition. Sufferers by this disorder can always obtain speedy relief from these distresting attacks by using one of the Cephalie Pills whenever the symptoms appear—It quits the overtasked brain, and soothes the strained and jarring nerves, and reliaxes the tension of the stomach which always accompanies and aggravates the disordered condition of the brain. mach which always accompanies and ar grava es the dis-ordered condition of the brain,

DID you ever have the Sick Headache? Do you re member tue throbling temples, the fevered brow, the leathing and disgust at the sight of food. How totally units you were ter pleasure, conversation or study. One of the Cephalic Pills would have relieved you from all the suffering which you then experienced. For this and other purposes you should always have a box of them on hand to use as occasion requires.

By the use of these Pills the periodic attacks of Ner vous or Sick Headache may be prevented; and if taken a the commencement of an attack immediate relief fro pain and sickness may be obtained. They seldom fail in removing the Nausea and Headas
