Locust Street Methodist Church. - The usual services will be held in this church toplotrow morning and evening. In the afternoon at three o'clock the Sacramental and Baptismal ordinances will be administered.

SNOW .-- At the present writing there is every indication of a snow storm. The probability is that we shall soon hail the advent of merry poor, and this class is very numerous in our city at the present time. ____@ ⊢

ISSURE YOUR PROPERTY .- This is the season when danger from fire is to be apprehended .---All property holders, therefore, should have their dwellings and places of business insured in a reliable company. The Delaware Mutual is one of this kind, and Wm. Buchler, Esq., is the agent for this city.

THE WILLIAMSPORT WIDE-AWARES, ACCOMPAnied by the Repass Cornet Band - one of the best in northern Pennsylvania-intend visiting this city next January, to participate in the inaugu ration parade. They will be joined by other cinbs in Lycoming and adjoining counties. Nene of the military companies in that section will be in attendance.

THE PENNSYLVANIA ELECTORAL COLLEGE meets here next Wednesday, in the Hall of the House of Representatives. No doubt the occasion the scat of government.

THE CONTINENTALS give one of their inimita- | rious hope, in the 81st years of her age. The hle entertainments in Brant's Hall this evening, and of course all lovers of good music will be on hand to hear them. On former occasions these accomplished vocalists have been honored with full houses, and we presume such will be the case to night. They are not only first-class musicians, but high toned gentlemen.

ANOTHER MAMMOTH RADISH.-Generous mother earth has been unusually prolific the present season in the production of large Radishes, judging from newspaper accounts. We are now informed that Mr. John Good, residing | but was mislaid :-near Linglestown, raised one weighing twenty nine pounds, and measuring thirty one inches in circumference and four feet three inches in length ! Mr. E. W. Ammon of Linglestown, is our informant.

enty ninth year of his age.

Possums .-- Among the "live stock" in market this morning, we noticed a number of Possums, which sold for two shillings each. They are said to be very abundant this season, and the country lads capture large numbers of them.

AN ASSOCIATION OF PREACHERS will meet in the Locust Street Methodist church of this city next Tuesday, and continue in session for two

days. On Tuesday evening a public sermon will be preached-probably by Rev. Mr. Elliott of Lancaster-on which occasion the audience ship bells. Now is the time to remember the will be entertained with some excellent music by the Choir of which Mr. Wm. A. Tarbutton is the successful leader. The new and popular

anthem, "Jehovah's Praise," in which a young lady member of the Choir sings a soprano solo, is among the pieces selected. The Methodist Choir is said, by competent judges, to be one of best in the State, and we advise all lovers of window, in the centre of which is the figure of good church music to attend the services on a bull's eye, surrounded by thirty-three stars. Tuesday evening. They will hear a good sermon, and at the same time enjoy an unusually ton, the Goddess of Liberty, a Fire Plug and rich musical treat.

DEATH OF AN AGED CITIZEN .--- Mrs. Elizabeth Fertig, one of the oldest inhabitants of Dauphin county, died at the residence of her son. near the village of Dauphin, on Tuesday last, of disease of the heart, after a short illness .-Mrs. Fertig was born in Montgomery county, Pa., where she lived until the age of ten years, when her parents removed to this county, and settled the place where Dauphin now stands -She remembered passing through Harrisburg when it was a small village consisting of a few will attract a large crowd of Republican poli- houses. In her early youth she connected herficians from verious sections of the State to self with the Lutheran church, of which she remained a consistent member until the time of her death. 4 **4 9 ----**--THE WASHINGTON MONUMENT CONTRIBUTION. The following letter from the Secretary of the Washington National Monument Association, acknowledging the receipt of the money contributed by voters of our city at the late: elec-

tion, in aid of the patriotic enterprise, was received by Dr. Porter, who handed it to us for publication. It ought to have appeared sooner,

WASHINGTON NATIONAL MONUMENT OFFICE, Washington, November 24, 1860. DEAR SIR :-- I have the pleasure of acknow ledging receipt of your draft for \$32 36. Ac-knowledgment of this acceptable contribution from the voters of your patriotic town has been made in one of our city papers. Were each city and precinct to do as well throughout the Union, the society would be enabled to resume the construction of the Monument, and to in dulge in the pleasing anticipation of its not

distant completion. For your attention in the matter please accept the thanks of the Society. Resp'y. Yours, JOHN CARBOLL BRENT, Secretary. GEORGF W. PORTER, Esq., P. M., Harrisburg.

A DEN OF INIQUITY .- There exists in the very heart of our populous and moral city, a disreputable institution which ought to be looked after by the proper officers. Young females, and in some instances married women. who have long moved in respectable circles, have seriously damaged if not entirely ruined

THE SKATING SEASON has been i. rangurated by their reputations, by frequent visits to the den a few adventurous youths. Some trozen ponds alluded to. Its patrons are men making prein the vicinity of the city present a field for tensions to respectability and morality, who, by their operations, and we suppose they enjoy the means of a paid procuress, lure young women sport as extensively as their limited territory into this sink of iniquity and debauchery, and will allow. Of all out-door winter sports we send them forth tainted and blighted, to become regard skating as the most pleasant and health- moral wrecks upon the great sea of humanity.

AN OLD CITIZEN OF READING, Mr. Charles A STATED MEETING of the Citizen Fire Engine Fredrick Edelman, whose name is "familiar as and Hose Company, will be held at their hall on a household word" to all Family Almanac Monday evening, at seven o'clock. Every readers, died in that city yesterday, in the sev- member is requested to be present, as business of importance will be transacted. The semiannual nomination of officers for the ensuing term will take place. The Directors are also

requested to meet at the house this (Saturday) evening at seven o'clock.

HIS CONDITION. -- We learn that Mr. Joseph Cunkel, who was assaulted and cruelly beaten, by two or three rowdies, on Tuesday night last, is gradually improving, and hopes are entertained of his speedy convalescence. Suit was brought against his assailants by the father of Mr. Cunkel, but we hear it rumored to day that the parties have compromised. Whether the rumor be true or false, remains to be seen.

WASHINGTON HOSE HOUSE.-This new build-

ing, in Chestnut street, is now finished, and will be ready for occupation as soon as the furniture is introduced. The front of the building is ornamented with a magnificent stained glass On either side are representations of Washing-Hose attached, Fire Hat and Horn, Water Fountains, etcetera. The glass is set in a highly polished Walnut frame. It is a very fine affair, and when the room is lighted up at night will present a gorgeous appearance. The glass was nanufactured in Philadelphia, at a cost of about one hundred dollars.

RELIEF FOR KANSAS.-Meetings have been held in many places for the purpose of raising means for the relief of the Kansas sufferers .--Mr. Thaddeus Hyatt, of New York, in obedience to an appeal made, has recieved a handcome aggregate sum, which will of course be faithfully applied to the object contemplated. Are there no persons in this city disposed to contribute to the relief of their suffering brethren in Kansas? We hope an effort will be made to raise some funds for that purpose.

Since writing the above, we learn that a neeting will be held at Brant's Hall on Monday evening at 7 o'clock in aid of the starving people of Kansas. Joseph Gardner, the authorized agent of the Kansas Relief Committee, will address the meeting.

UNFAIR DISCRIMINATION.-It not unfrequently happens that when some of our "country cousins" come to the city and imbibe tanglefoot a little freely, they are picked up by the constables, taken before an Alderman, and committed to prison for thirty days. Such was the case the other evening. A very respecta ble and well-to-do farmer, good natured and inoffensive, was captured while slightly intoxicated, by one of our valiant police officers and taken to prison. On the evening previous our streets were crowded with drunken rowdies, esidents of this city, who made night hideous with their bacchanalian revels, and no arrests were made by the police officers. Now we contend that all offenders should be treated alike ; and this unfair discrimination in favor of well dressed city rowdies, by the constables, is generally and justly consured. Let them arrest all or none. Make no distinction between drunkards in broad-cloth and drunkards in homespun. Night after night rows occur in drink-

Two Young MEN were fined recently, in Al lentown, for defacing hand bills. The boys of this city, who are in the habit of mutilating and tearing down bills, almost as soon as they are posted, will do well to make a note of the fact that it is a finable offence.

PROF. WOOD'S HATE RESTORATIVE.—This Re-storative for making the hair grow, stopping its failing out, and restoring gray hair to its original color, is be-coming celebrated. All the quack nostrums are giving way before it. Three fourths of the mixtures for re-storing and beautifying the hair, do it more injury than good. They burn it up-destroy the life of its roots--make the hair fall off, and produce premature baldness. But Prof. Wood's Restorative may be relied upon as con-thender, while its success in accomplishing what it pre-tends to do has been verified in hundreds of cases. We advise gray heads, and heads getting bald-all who wish to save their wool or obtain a new stock, to get a bottle of Wood's Restorative *MX*. Democrat. Sold by all Druggists.

SUDDEN DEATHS .- The sudden deaths which are of such frequent occurrence these times, keep constantly reminding us of the uncertain ty of life. To day men move among us in ap parently good health, with no thought of death, and to morrow we are summoned to follow them to the tomb! Two more victims were stricken down by the "insatiate archer" on Tuesday last. Dr. Bower, of Myerstown, died very suddenly of appoplexy. He had an extensive practice, and stood high in community. On the East Hanover township, Lebanon county, was found a corpse in his bed. He was apparently in the enjoyment of his usual good health when he retired the evening previous. He was a respectable farmer, sixty-three years of age. In these sudden deaths we are again forcibly rewinded that-
