## 

Our Wonderous Atmosphere.
The atmosphere rises above us with itg
cathedral domere arcling loward the beaz-

 mankind never realiige the great buth tha
they are bathed in an ocean of air the weight is so enormous, that in ion shivers
before it like glass; yet a soap.bell sail insect waves it aside with, and ithe tinies wing. It
it
inisters lavishly to all the senses. ministers lavishly to all the senses. Wor
touch in tot, but it touchen un. Its warn
south winds brings back color to the face of the invalid; its cool west wind re
fresh the fevered brow, and make the bloo mantle in our cheeks; oven its north blast
brace into new vigor the hardened children of our rugged clime. The eye is is indebt-
ed to it for all the magnificence of sunrise,
to ed
the full brightness of mid-day, the chasten-
ed radienco of tte gleaming, and the coloud
that cradle'near the setting sun. But for that cradie near the setting sun. But for
it the rainoww would want its oriumpha
arch, and the winds would not gend thei eecy messengers on errands round th
heavens. Th cold ether would ynot shed
is snow-feathers on the earth, nor would rops of dew gather on the flowers. The
indly rain would never fall, nor fog diversify the face of the sky. Our naked globe
would torn its tanned unshadowed forehead to the sun, and one dreary and nonotonou
blaze of light and heat dazze aud burna a evening sua would in a moment set, an
wittout warning plunge the earth in dark
wess. But the air keeps in her hand heaf of his rays, and lets them lian but
sowly through her fingrs; so that the he flowers have time to bow their heads
nd each creature space to find a place ou
rest, and to nestlo to repose. In the mora g, the garish sun would at one boun
ort from the oboon of night, and blaz
ue horizon; but the air watches for hi
host anmounce his approach, and thon anotil The American Flag At this juancture in our national troubles,
when the flag of the Union is being treated with those that were used in the days of our colonial
vasealage, the following extrict from th
speech of Mr. Poinsett, delivered at Cbarleston
 "Wherever I have been, I bave been proud
of being a citizen of this Rhapublic, nud to the remotest corners of the earib have tailke
ereect and secure under that banerer
 "was tal
"America
"to beit soldier us a place filled with to the inir inuriat
